

BASKET BALL MEETING IN L.H.S.

On Thursday, November 20, a meeting was held in Room 8, for the purpose of electing a manager for the year's basket ball team. Seven boys were nominated, and when the final vote was taken, it was announced that Cloyd Philpott was manager. Basketball practice has already started and Lexington has fine prospects for a good team, in spite of the fact that basket ball was not played here last year.

Using Gene Young and Bufort Miller as a nucleus, it is hoped that a winning quintet may be developed. Games will probably be arranged with Thomasville, Sallsbury, Charlotte, Greensboro, Welcome and other good teams.

P. T. A. HOLDS MEETING NOV 18

The third Parent-Teacher Association meeting of the year 1924-1925 was held on Tuesday afternoon, Nov. 18th, in the Lexington High School Auditorium at three thirty o'clock. There were about one hundred and fifty members present, which was a large attendance compared with that of former meetings.

Miss Kirkpatrick, representing the Lexington High School, including the grammar Grades, and Miss Ledbetter, representing the Robbins School, were both delegates to the Durham State Convention. They gave very interesting reports of the convention. Miss Kirkpatrick spoke of the entertainment given and Miss Ledbetter gave an account of the social features of the convention. Mrs. Spruill, who was also a delegate, represented the parents of Lexington. Her well delivered account of the work done by P. T. A's. through out the state was much enjoyed.

A vote of thanks was given to the delegates, to The Dispatch for advertising the Zimmer entertainment, and to Scout Troop No. 1 for distributing posters and hand bills.

Concert tickets were given to the members who were willing to try to dispose of them.

Mr Cowles, chairman of the Grade Mother committee, made a very interesting talk on "The Relations of P. T. A. to School," which was very encouraging to the Association. Then after the distribution of the P. T. A. badges, the meeting was adjourned.

HIGH SCHOOL SCOUTS PLAN HIKE

A group of the high school boys belonging to Troop 1 are planning a hike to Chandler's Pond for the Thanksgiving holidays. It is expected that the hike will not only be enjoyable, but also instructive in scouting and all Scouts who go are urged to take along their handbooks and all other Scout equipment in their possession, so that no Scout will be kept from passing tests, because of the lack of the necessary material. On account of the holiday the hike will be longer than the usual weekend hike and therefore the Scouts who are planning expect it to be a real worth-while hike.
