Prettiest Hair—Tie between Pearl Leonard and Annie Thomason.

Boys' Statistics

Best All-Round, 1st place, Cloyd Philpott; 2nd place, Ham Hargrave.

THE OPEN FORUM

BASKET-BALL

In the last issue of the "Lexhipep" an article was published to this effect: "Why isn't the basket-ball team this year good as those in years gone by?"

Here is your answer: This year a Lexington made regulation has come out. It requires the candidate for the team to get a report from each of his teachers, every week, stating that the said candidate's conduct and recitations are satisfactory. As a result of the new ruling much criticism is to be found, because the North Carolina High School rules call for a passing mark on 3-4 of one's work.

Your teams of the past were composed of non-eligible "ringers." Yes, and you know it. This year we have a bunch of boys who pass their work, conduct themselves properly, and play hard basket-ball. When they go up against a team composed of men who should have graduated when Lincoln wore swaddling clothes, they are defeated. That is the reason the team loses sometimes.

But, may I ask why the team is not supported? People find time to knock the team, and wonder why it loses, but when it comes to supporting it they have no time to spare.

(Continued on Page 3, Col. 3)

Boys Basket - Ball Schedule

The boys' Basket-Ball schedule, up to the championship series, as nearly as can be ascertained, is as follows:

Feb. 2—Thomasville at Thomasville

Feb. 4—Churchland at Churchland

Feb. 6—Burlington at home.

Feb. 13—Mt. Airy at Mt. Airy.

Feb. 17—Churchland at home.

Feb. 20—Moresville at home.

The teams will take a trip about the last of February, but the exact date has not as yet been determined.

High Lights of 1925 Coming

Listed among "coming attractions" is "High Lights of 1925," to be presented by the Senior Dramatic Club on March 3rd. The cast is one of the best, every thing else is the same. It is a vaudeville, completely out ranking Keiths. The costumes are gorgeous, and will be designed by a well-known designer. This is not an amateur production. It will include a one-act play, which in itself is worth the admission fee, snappy chorus girls, singing, dancing, and comedy, besides the other unique features. Anyone who misses this show will fail to see one of the best attractions of our school season.

ROTARIANS ENTERTAIN BOYS

On Tuesday, January 20th, the Rotary Club of this city entertained boys of the high school and grammar school at luncheon, at the March Hotel. An interesting program was given. The Y. M. C. A. director of Concord spoke, telling why Lexington should have a "Y." He told of the interesting work being arranged for boys of Concord, and of a great Bible contest being held there now. After this talk, Rotarian Ray McCrary was called on for a speech and he responded with a wonderful talk, urging that Lexington give more of its thought to the boys of this city, by teaching them the principles of clean manhood in Y. M. C. A. The Rotary Club president told of the custom of the club to entertain the boys each year and expressed his wish that this be continued for many more years. The meeting this year was a big success and the boys certainly appreciate the interest the Rotary Club is taking in them. The following High School boys attended the luncheon: Dwight Johnson, Joe Moffitt, Cloyd Philpott, Nat Hunt, Holland Webster, Ham Hargrave, Wood Dorsett, Sam Eanes, Odell Vestal and Joe Smith.
