

## ORANGE AND BLUE BASKETORS ARE MAKING POOR RECORD

### L. H. S. 10. Welcome 40

In a very hard-fought game, which started off very close, the fast Welcome team snowed Lexington under with a score of field goals. The game was very rough, but at no time did the locals prove a match for the country boys.

### L. H. S. 18, Erlanger 17

The following game with Erlanger "Y" second team was very close and the final outcome was always in doubt. It was Paul Hutchins who scored the deciding goal with only fifteen seconds to play.

### L. H. S. 11, Denton 23

This game was played in an old school building in Southmont. The ceiling was only about ten feet high, and the court was very small. There were no window glasses in the place and it was very cold, the floor having large holes in it. The lighting system was bad, and this place and the score tell the story of the sorry game.

### L. H. S. 7, Burlington 16

The Burlington boys team avenged the football defeat in a fast game of basketball with the Lexington boys. The locals, appeared to be "off," for they missed easy goals more than once. When the last whistle blew the score was 16 to 7, Burlington's favor. Hutchins starred for the locals.

### L. H. S. 16—TRINITY 17

On Friday night, January 16, the Trinity High School girls defeated the Lexington High School girls in one of the closest and most exciting basketball games of the season. Although the girls of the Trinity team were larger and heavier, the local girls put up a valiant fight until the very last. At times it looked as if their superior passing and teamwork would triumph over the greater weight of the visitors. Each team was ahead about half the time, and the outcome was in doubt until the final whistle blew, with the visitors leading by a score of 17 to 16.

## HI-Y HIKE

The Lexington Hi-Y boys had a Weenie roast last Thursday night, January 15. They met at six o'clock, and hiked out to the Red Hills. A big fire was built, on which Weenies and marshmallows were roasted. The Hills were wet after the rain, but some of the boys persisted in tramping over them, and acquired some mud on their clothes. They had a real good time.

## THE OPEN FORUM

(Continued from Page 1)

With the support that some give the team a hinge on the "Gym" could not be oiled. You sit at home, loaf around the streets, attend every sorry show that comes to town but you can't attend a basket-ball game. many of the faculty have never seen the Court, the students haven't time to attend the games, and the townspeople are too lazy. With all this we are expected to have a good team!

—The Manager.

## LACK OF STUDENT SUPPORT

What's the matter with L. H. S.? where is the school spirit and "pep" that she used to have? There was always a big crowd at a foot-ball game but it seems as if no one cares for basket-ball games. When the girls played Concord and Thomasville there was a fairly good attendance, but the crowd that came when Lexington played Trinity was very small indeed. These games only cost a quarter and there are some in this high school that haven't been to a game this year. That shows, I think mighty poor spirit, don't you? There are always the faithful few who attend, but what we want is a big crowd at both the boys and girls games. Come on L. H. S., and show everybody that you still have the pep that you used to have.

## THE DRAMATIC CLUB

Last issue's "Open Forum" contained an article whose writer wished to know what had become of the Senior Dramatic Club. The Senior class is certainly not responsible for failure to give an entertainment. One small look at the stage will convince you that acting on a big platform would practically be impossible. But we're overcoming that difficulty, and all we want you to do now is wait for March 6th. The senior class can do anything.
