FRANCES WARD

"Live pure, speak true right wrong".

We consider the way in which Frances has made up her work after a severe illness an indication of what she will do in the future. Although

she doesn't always voice her sentiments out loud, we respect her opinion and are sure her frank smile and sincere disposition will do much for her.

Eldridge is the kind of friend we like to have. If there is any mischief in school, we at once know he had something to do with it. But that doesn't matter, he will surely find nothing but success in whatever he undertakes.
