Hello, there, all you good people; it's time once again for the Christmas edition. It shouldn't be hard for everyone to get into the spirit of things with the cold, brisk weather and the Christmas lights. We've got plenty to gossip about this time. So settle down for a nice long chat.

It seems as if everyone is once again getting into the swing of things and these boys are opening up their eyes. For instance, Robert Kepley has his eyes on Shirley Richardson, and vice versa.

An old couple that we haven't mentioned lately is Jim Barger and Geraldine Leonard; they seem to have an everlasting affair.

We were certainly glad to see so many visitors from out of town Friday night at the dance. (Especially from Salisbury???)

"Rabbit" Leonard, you really better watch "Lib". She's a popular little gal and hard to hold. There's a college student who has his eyes very much on her!!

That smile of June Williamson's is enough to put stars in any one's eyes and I guess it must be catching 'cause Louis Hedrick keeps one most of the time. (When he's with June.)

It's really getting bad when a boy can't stay away from his girl for a whole period, but that's the situation with Joe Honeycutt and Patty Hege. He had to get her out of Miss Walser's room one morning just to look at her!!!

Lexington High is getting famous for her "engagements." "Known" is three—Jimmy Blue Sowers to Bill Morris, Miss Bain to some cute guy (Elmer Nance), and Ruth Jean Huffman, who plans to be married Christmas Eve! Congratulations!!

Seen together constantly are Maxine Kepley and Don Farrington.

We'll give you the details and you can figure it out the best you can "Mike" has everyone going around in circles; she went to the Hi-Y hayride with Johnnie McCrary and ended up with "Benny". Well, I think "Benny" has hooked her, but Johnnie has sure learned his lesson in trusting women! Chub ?? Well, he has a fickle mind, but only one heart, and believe us it belongs to "Frankie".

Also seen on the hayride were Hugh and Mary Nell (old flames), Barbara and Hubert (taking up all the room), and Joanne and Charlie (standing up). But with all the confusion it was a swell hayride!!

It's no use, girls; "Smoocher" is a one woman's man and that woman is Adelaide and has been for some time.

You know the old saying, "If you can't get what you want, get the next best"? Well, Jimmy Poston took the hint and Martha Hooper, too; and a darn good choice, we'd say!!

Bob H., you may not know it, but if you'll stop arguing with "Bull" long enough, you'd find that you have competition with Mary Jane Shirley and it's plenty tough, too. Are we right, Jimmy Dillon?

Jack is getting to be a habit with Enid!! (Betty, you and Woody better wake up.)

Well! Well! Marlene is crazy about

"Hardrock", who is crazy about Barbara, who feels the same about Hubert! What's going to happen is yet to be seen, but keep your eyes open for a collision!

Gee! Carolyn, why don't you give T. D. a break!!? After all, it's not often he gets a crush on a girl!!

We think Jimmy Plott's constant partnership with Peggy Costner in the gym is more than just dancing. Peggy hopes so, anyway!

Speaking of crushes! That cute lil' black-headed Nancy Koonts has one on Harold Carter! She is one more cute girl, Carter.

You can't ever tell about these people such as Peggy Wood, who is kept on the go by Tommy Young. Who knows? "Mouse" might get fooled!!

Flash! and we do mean flash! Henry Wall is now dating Betsy Swicegood!! Nice going, Henry! "Call for Jack Alber!"

Well! at last! Becky has finally hooked her man, at least half-way Pete, quit stalling!

Now where could you find a better match than Buddy Beck and Amelia Brown? You just couldn't!!

It seems as if the Hickory gals are more alluring than the Lexington ones?? Isn't that true, Gramp and Blake???? (Don't throw that dagger at us, "Red," please!!)

Evelyn McDade's heart is in High Point with Don Kepley who is a student at High Point College. You keep on being true, Evelyn, 'cause it pays off sooner or later!

We don't want to give away any secrets, but some of you people surely have got some surprises coming to you December 25!!

Time, space, and Mrs. Hedrick compel us to leave you again. But there's plenty in store for the next issue, so until then "Merry Christmas" and a "Happy, Happy New Year."

THE EYES AND EARS OF LEXINGTON HIGH!!

A Christmas Prayer

Our Heavenly Father,
We thank thee for the peace here in America, and may all the unfortunate people be blessed this Christmas as we in Lexington High are blessed. Amen.

Joe: I wonder how Thanksgiving originated?

Moe: It was probably instituted by parents whose sons survived the football season.

Girl: What are you doing with the red lantern?

Boy: I just found it by a hole in the road where some foolish person left it.
