

# A. Sapp's Fibles

BY A. SAPP

Life guard with girl in his arms:  
Sir, I have just resuscitated your daughter.

Father: Then, by golly, you'll marry her.

Woodie: Mom, I just saved another dime. I ran all the way home from school behind the bus.

Mom: Why, you little fool! Why didn't you run behind a taxi? We could have saved 50 cents.

### Fond Recollection

I rose and offered the lady my seat I could not let her stand;  
She reminded me of Teacher,  
With that strap held in her hand!

Mother: If you marry him in haste you will repenat at leisure.

Jitterbug Jane: Well, I can't bear to think of another girl repenating at leisure with him.

Sonny T.: Why does the traffic light always turn red just when we pull up to the crossing?

Angus L.: Well, I don't know about that, but I bet you'd turn red, too if you had to stop and go in the middle of the street!

Raker: I propped to my girl by mail.

Benny: Did she accept?

Raker: Yes, but she was so dumb she married the mailman.

### Simple Economics

Many a man's ambition is to marry a rich girl who is too proud to have her husband work.

### Certainly Not

"Relax, Yeoman Schweiwskijowlesovitchski; there's no bullet flying around here with your name on it!"

There was a young man of Ostend,  
Who vowed he'd hold out to the end.  
But when half way over  
From Calais to Dover  
He done what he didn't intend.

You kissed and told,  
But that's all right;  
The one you told  
Called up last night.

Lancaster: What does the bride think when she walks into the church?  
Gerry B.: Aisle, Altar, Hymn.

Taylor: Are you troubled by improper thoughts?  
Blaylock: Nah, I kinda enjoy them.

Charles P.: Thanks for the dance.  
Mary Nell: The pressure was all mine.

I never went to college,  
I never went to school,  
But when it comes to necking,  
I'm an educated fool.

Cuddles Bailey: Why did you leave your girl's house early?  
Jack G.: Because we were sitting on the sofa, and she turned out the light. Guess I can take a hint!

Plott: A woman's most attractive feature is her eyes.

J. L.: Oh, no; it's her hair!

Dillon: What's the use of sitting around here and lying to each other?
