"Is this a dagger I see before me—" Excuse us but MACBETH has been on our minds for the past couple weeks and it just won't seem to leave even for us to write our article, but we'll try to see what happens.

Even though the seniors have been busy on their MACBETH contracts, they are not behind in dating. Pete and Mary Jane have been seen together right much; although it isn't serious, anything can happen.

That cute 'lil majorette, Nancy Foster, really picked herself a good-looking feller. We guess you know we mean Carlton Everhart!!!

Reeds seems to be a very popular place for Lexington girls to find a feller. Virginia Wilson goes with Robert Leonard and Betty Everhart with George Snyder.

Have you noticed the new couple jitterbugging in the gym? They are Nancy Cowan and Lloyd Russell. We understand that they like to ride motorcycles also.

T-ville is where Arelene Lashmit sends her mail, and it goes to Bill Evans! Tommy Reed and Maureen Nance are hitting it off pretty steadily, we hear!! Good luck to them!!

Miss Gilliam and Joe Briles have up a case. They seem to make their dating place mainly the show.

Did you see J. L. at the Halloween party with Barbara Ritchie? More power to you, J. L.!!!

There is a vacancy among the boys now (of course there are plenty but this is a new one). Bill Cook, that handsome boy, is on the loose. It has been rumored that Cook and Pat have gone back together!!!

Tommy Young was sporting that glamorous Jerry Butler at the Quill and Scroll banquet, so he isn't as bashful as we all thought!!!

As reported by "Spoon" all girls on LEXHIPEP have a crush on Joe Green!! (Ha! Ha!)

Geraldine Yarborough is keeping up the tradition of engagements. She is sporting a sparkler from Noble Hedrick!!!

Speaking of available, what is the matter with all these boys? You couldn't be bashful. Why don't you wake up and live!!

Lucky Jane Gordon will be seen at the Vaughn Monroe dances and the Duke-Carolina game with a former student none other than Bill Hedrick!!!!

Doug Craver's new telephone number is 7210 in case any girls want to call him!!!

It won't be long until leap year, and it will be most convenient for the girls; let's all take advantage of it, because it doesn't come but once every four years.

We heard that Jimmy Dan has been really stepping out. Like sister, like brother!!!!

McBride, that whiz on the typewriter, is being swamped by the ninth graders, but Betsy Stoner claims him!!

Do you remember the couple who were always together last year? Well, Margaret and R. L. Evans are still that way even though he has moved!!

Say, Johnny Newell, why don't you leave poor little Alene Staten alone? Don't you know she goes with Lonnie Koonts??

Have you seen the cute 'lil hat that Carolyn Barber has been wearing with Buddy Streetman's and her name on it??

Cut 'lil June Williamson has her heart in Greensboro, where that lucky boy, Joe Conrad, lives.

Eanes has really settled down; it must be by the hand of Sue. We're proud of her; not many girls can do them that way!!

"Cooter" now occupies Joanie's time (period).

It isn't long before Christmas, so all you gals hook a man, and we'll see you next month!!!

We think Jimmy Plott's constant partnership with Peggy Costner in the gym is more than dancing. Peggy hopes so anyway!

Well, now where could you find a better match than Buddy Beck and Amelia Brown? You just couldn't.

That smile of June Williamson's is enough to put stars in any one's eyes and I guess it must be catching, 'cause Louis Hedrick keeps one most of the time (when he's with June).

Joe: I wonder how Thanksgiving originated?

Moe: It was probably instituted by parents whose sons survived the football season.

Memorial Service Held for L.H.S. War Dead.

It's no use, girls; "Smoocher" is a one woman's man and that woman is Adelaide and has been for some time.

Speaking of crushes that cute lil' black-headed Nancy Koonts has one on Harold Carter! She is one more cute girl, Carter.

Could there be any connection with Nancy Jean Conrad, Jake Cross, and Jimmy Parker all sitting so close together in chemistry? Don't tell me that there is another eternal triangle coming up!!

It's a good thing that gas isn't rationed, 'cause now King Ern and Charlie Williams can keep the road hot by going to see Jean Sharpe and Peggy Wicker! (Also, for those people who like to ride around or go somewhere to park, such as the Country Club!)

I wouldn't dare mention any names but Ronnie Morgan's being home-made someone's heart skip a beat.

Robert P., it's just impossible to figure out who your girl is!!! I happen to know that a certain senior girl thinks you're swell. Come on, don't be bashful!

Lexington Wins Homecoming Victory Over Thomasville in Hard Fought Contest.

What would happen if: Mary Anne Hartzog and Johnny Raker broke up -Miss Manning couldn't walk around the room -Charles Rothrock didn't talk so much -Pete Clark's hair was curly -Betty Jo Everhart couldn't talk with her hands -"Put" didn't get a letter from Iva every week -L.H.S. was minus Buddy Bender -R. H. Leonard drove under 35 miles an hour -Ralph Bailey would faint (Whew) -We didn't have school but one day a week!!

Do you ever "pass" the time of day watching the big hand on the school clock jump?

Reid L. is home to stay now, and I hear that makes Mary Sue Thomason very happy. My spies also tell me that her sister, Peggy Jean, thinks Bobby Glenn Hendricks is awfully cute!

Do you miss the Alumni? Well, I do. I get the funniest feeling when I see Lee Spears in a newsreel. I get all woozy when Seaman 2nd Class Gayle Giles' name appears in the paper, or I read that "Kac" Young makes college cheerleader. Bill Smith's making the All-State college team, makes me feel "mity" good, and Jimmy Eanes

The Jones family had finally started on its vacation trip. Suddenly Mrs. Jones exclaimed in consternation, "Stop the car; I forgot to turn off the electric iron!"

"That's all right. Nothing will burn," said her husband. "I forgot to turn off the shower."—Snitched.

accomplishing honorable mention gives me a thrill. And there's oodles more of our Alumni I could mention. You're all wonderful and golly, we miss you!!
