## FRIENDLINESS

In 1945 the World Christmas Festival was begun by boys and girls all over America. The object of this organization is to send pretty as well as useful gifts to the children of Europe who have been denied a real Christmas since the Germans began their drive for world supremacy.

Since the beginning of the organization, over one million individual gifts have been shipped overseas. This was made possible by the true Christian friendliness of American boys and girls. Only their cooperation has enabled the Christmas Festival to bring joy and happiness to thousands of needy European children.

The Lexington High School F.H.A. has done its part to help make the Festival successful. This year they sent eighty-six beautiful gifts overseas. When these gifts arrive in Europe, the children will say of their American friends, "Surely God will richly bless them in the years to come because of their kindness to us during this beautiful Christmas season celebrating Christ's birth in Bethlehem."

### CHRISTMAS MIXUP

I'll never forget it, I'll always regret it, the thing that should never have happened to me.

I can't understand it, I never did plan it, and what caused the mixup is a mystery.

My presents tagged neatly, my gifts completely suited the people who were to receive them.

But something occurred, and, upon my word, some imp went to work when I happened to leave them.

For Grandpa received Auntie's necklace of rhinestones, and Auntie got Cousin Dick's silver watch chain.

Baby got granddaddy's plug of tobacco, and Uncle the bracelet intended for Jane.

Grandma was shocked to get Uncle's new ash tray, and Mom was surprised to get Papa's green shirt.

Rover (the dog) loved Mom's big box of candy, but Dad (with dog's bone) said his feelings were hurt.

Sis was insulted with Grandma's foot warmers, and Baby's pink rattle enraged Cousin Dick.

Big sister's perfume made Brother resentful, and comics for Janie did not do the trick.

This Christmas I'm still looked on with suspicion; I guess I can't live down what happened last year.

And for those souls who get mixed up like I did, I pause right this moment to shed a sad tear.

### WHAT IS IT FOR?

Suppose you got the following gifts for Christmas. Three methods of use are listed after each one. Which would you choose as most logical?

(If you get ten right, you're a genius; if you get from seven to nine right, you are average; six is passing; and below six means you're an A grade moron.)

### DECEMBER HORRORSCOPE

All those born under the Pepsi-Cola sign, look out for a little fat man with a long white beard and a red suit. You will receive an unwanted gift before the month is out. On December 17 you will receive something that will give you a lot of pleasure. (Lexhipep, natch!) This is a good month for Christmas. So watch out for it; it might come! Take special pains to be good, for somebody is watching you.

## THEY COME BACK

—Joanne Blackwelder

In the past few weeks we were glad to have visit us from the army: Bill Palmer and Jimmy Poston, who are both stationed at Cheyenne, Wyoming; and Hostell Lord at Fort Jackson, S. C. From the Navy we were glad to welcome back Hewey Clodfelter, Eddie Parker, and James S. Streetman, who are stationed in California.

Over Thanksgiving, if you looked, you could see at the football games or at the drug stores Stanford Tate, Bill Hedrick, Charles Harbinson, Wayne Everhart, Tommy Young, John Foust, Jake Cross and Bob Hendricks, all of whom are enrolled at the University of North Carolina. It seemed like old times seeing all the old crowd around town, such as Bob Holmes (Davidson); Jacky Lancaster, Harold Lanier, "Tinker" and Charlie Williams (down at Wake). Then there was Becky Smith, Nancy Hunt, and Bill Hunt (Duke); Mary Ann Hunt and Martha Harbinson (W.C.U.N.C.). We might add right here that those surely were cute girls you brought home with you, Martha.

If you looked closely at the football game you could maybe get a glimpse of Bill Cook (Guilford) and J. Bird McCrary (Atlantic Christian) yelling their heads off about the football game, or just yelling (period).

It seems as if everybody came home over the week end. There was Zacky Taylor (U.S.C.), Charles Price (Catawba), Charles Rothrock (V.M.I.), Hubert Olive, Benny Walser, Johnny McCrary (U.N.C.), Mary Ann Hartzog (St. Mary's), DeNeale Peeler (W.C.U.N.C.), Sue Hooper (business lady of Greensboro), and Carol Shockey (New York). And any of those that we overlooked, we were glad to have you home for Thanksgiving, too.

As we work for better homes, we wish for all a Merry Christmas.
