

Spring Season "SPECIALS"

—"Henny" Bruton

It's almost unbelievable, but there are only four more school months, and from the looks of the school calendar, they will really be busy ones. First on the agenda is the Senior Class play which will be in March this year. Incidentally, there have been rumors that it might be "Dear Ruth!"

Of course the basketball tournaments are in full swing right now, and everyone is hanging with suspense as to their outcome. Special treat on the hard wood is the Student-Faculty Game which should be coming up soon putting the Quill and Scroll against such stars as "Suggie" Sugg, "Buffalo" Bowen, and "Country" Clark. More sports in store are the baseball season and the golf tournament.

Seniors, of course, are always busy, especially with "Macbeth" coming up, but they still have time to talk about a Senior trip(?). Wouldn't it be nice to spend five days roaming around New York City?

Boy, "Lexicon" Stunt night is just around the corner. Better be getting a good stunt in mind because the competition is going to be stiff.

The faculty as well as students must need a vacation from all these activities and that is just what Easter Holidays are for. Just think—a nice long week-end to do all that fishing and boating—March 22-26.

The Junior Class play is the next highlight and, if it lines up to "A Young Man's Fancy," you can be certain that it will be as good a play as any that L. H. S. has ever produced!

The Junior-Senior banquet, shining highlight of the year, is really not as far away as you may think. We hear the Juniors have big plans for this year, and all the Senior girls are already dreaming of dates, dresses, and flowers. (Page all L. H. S. stags, please.)

The Seniors are all wondering if the Senior dinner will be continued this year. It has been a big occasion for the last two years, and we Seniors would like to make it a tradition.

Then comes the big, final rush. "Lexicons," Senior Assembly, awards, commencement—it makes your head whirl to think about all the fetes and fancies. Then suddenly, all the Seniors are graduates; the Juniors, Seniors, and so on down the line. And it's only four months away!

Band Clinic Held

This year, L. H. S. was fortunate enough to have her excellent band represented in a special band clinic held in Boone, N. C., on January 19th and 20th. From lists of ten names sent in by bandmasters from all over the Western North Carolina District, four names were picked to attend. They received valuable instruction for the two days and then on Saturday night they presented a concert directed by James Christian Pfohl of Davidson College. Those representing the L. H. S. Band were Hulin Cooper, tympani; Betty Sue Bumgarner, clarinet; Winnifred Andrew, flute and piccolo; and Patsy Thompson, bassoon. They report that the clinic was very beneficial, and L. H. S. is proud of these students who participated in this event.

Y. M. C. A. "Operations Drive" Gets Under Way

The Y. M. C. A. drive is under way! Yes, a drive to secure memberships in the Y. was started by Buck Young when he came to L. H. S. and made a speech about the need for money in order to keep operating the Y. Many people have joined and Mr. Link says that the drive is going along fine. Several meetings were held at the Y. to discuss plans for the drive and many students made tape recordings on which they told why they liked to come to the Y. and what improvements they thought should be made. An open forum was held by several L. H. S. and grammar grade students over radio station WBUY. The topic of the discussion was, of course, the need for improvements at the Y., the goal needed to attain these things and ways that we can help to reach this goal. These tape recordings were played at an assembly the next day. All students in high school were given membership cards which they filled out in order to become a member of the Y.

A pep parade was held with the band and students taking part. Chants of, "We Want a Bigger Y.," were heard as the parade moved up Main Street.

Buck Young has done a fine job in organizing this drive, and the least the students of L. H. S. can do is for each and everyone of us to pledge 100% to the Y. M. C. A.

Macky Redwine Is Page

On Wednesday, January 10, Macky Redwine left for Washington, D. C., to be a page in the House of Representatives. He was chosen for this honor by Representative C. B. Deane, and he will remain in Washington for at least two months. His address is 504 E. Capitol Street, Washington 3, D. C.

A page's life is full of activity, for although he goes to school only a few hours, he must be there at 6:00 A. M. At 9:00 A. M. he is dismissed to go to work. Pages sit in Congress and take any messages that their Congressman or any other Congressman wishes to send.

Mack will have quite a few of friends in Washington by the time he returns to Lexington, and he will always remember his experiences in Washington.

Dunbar Glee Club Presents Excellent Program

A musical program, which the student body immensely enjoyed, was presented by the Dunbar Glee Club on January 25 during assembly. The devotion was led by Emma Lee Jones, a member of the Glee Club. The Glee Club presented a variety of music, including popular and spiritual, under the direction of Mrs. M. H. Grant, with Miss W. E. Hanes as accompanist. Mrs. Grant is a graduate of North Carolina College in Durham and Columbia University, and this is her first year at Dunbar. Miss Hanes is a graduate of Winston-Salem Teachers' College.

The student body especially enjoyed the selection, "Gloria Patriae," which was beautifully arranged and sung in Latin, and "Goodnight, Irene," a popular song. The Glee Club is composed of thirty-three members. The performance was enjoyed by everyone, and an invitation was extended to the Dunbar Glee Club to visit L.H.S. at any convenient time.

Civic Music Concert Drive, Week of Feb. 26

During the week of February 26 to March 3, the Civic Music organization will conduct a membership drive. Bigger and better concerts are planned for the coming year, and the number of these entertaining evenings depends upon the membership. The membership campaign will be conducted on a bonus basis, that is: each new member will receive not only a ticket to next year's concerts but also to the final concert this year with no extra charge. The final bonus concert will be held on March 19 featuring Steven Kennedy, popular baritone.

The National Male Quartet, third in the current Civic Music series, will present a varied program in Lexington High School Auditorium on Wednesday, February 28, at 8:30. This concert, one of the best to be offered by the Civic Music Organization, has proved to be very popular in other cities all over the nation.

Though not a Civic Music program, another popular concert to be given is by Rubinoff, noted violinist, which is sponsored by the Kiwanis Club. This concert will take place on Thursday, February 8, at 8:30. Reserved seats for the performance will be \$2.40; other seats, \$1.80. The Kiwanis Club anticipates a full house for this event, and the public anticipates a delightful musical evening.

CALENDAR OF EVENTS
