## "LOOKING THEM OVER"

By Henry Moore

Although the Henderson Institute Football squad has won two games and lost one, almost all of its players are green. By this, we mean that they have never played football before. Our first game was played against Rocky Mount on October 3, 1941. In this game the greenness of the players was very widely shown. Because of bad blocking and tackling we were beaten by a score of 33-7. Laurels go to William Holtz and James Henderson for our lone score in this encounter.

Our next game was played here against Warrenton High, October 10. This time the story was different, we won by a score of 18-0. Touchdowns were made by James Yancey and Claude Epps.

We were also victorious in our next encounter, defeating Louisburg on October 17 in our own backyard to the tune of 27-0. Touchdowns were made by James Henderson, Claude Epps and William Holtz.

## INSTITUTE PANTHERS TIE CHAPEL HILL TIGERS

By Isaac Rowland

The homecoming game between the Institute Panthers and the Chapel Hill Tigers held here in our Stadium Friday, October 24, was one of the most sensational games of the season. The pigskin chasers of the Panther division helped wear out the turf on every defensive play to end up with a tie against the mighty Tigers.

Henderson receiving the ball on the kick off ran two plays with little yardage, and lost it by a fumble. Chapel Hill recovered and tried two passes, completed one with a little gain compared with Henderson's three passes—one completed and no first downs.

In the beginning of the second quarter the ball shifted to both teams with little gains. Chapel Hill's ball on Henderson's forty-nine yard line, ran two plays making first downs one each plus a 15 yard penalty inflicted

against Henderson for unnecessary roughness putting them on Henderson's eight yard line completed a pass for a touch down. Chapel Hill missing their extra point making the score at the half 6-0.

Beginning the second half Chapel Hill received the ball on the kick off and gained 8 yards on first play, but passed on preceeding one making a first down. Chapel Hill ran next three plays punting on the fourth. Epps receiving the punt ran four yards making it second and six. Holtz making two first downs in succession threw a pass to Jack (Cincinnati) Thrower, which was completed for a thirty-six yard gain. In two more plays, the Panthers found themselves on the Tiger's eight yard line and Holtz bucked center and scored. The Panthers tying their score made it 6-6. Both sides shifted plays but neither was able to make a second touch down. So the score stood 6-6 at the end of the game.

### WHO'S WHO IN SPORTS

By Isaac Rowland

William Holtz, our well known 230 pound back is the pep of the backfield. Holtz was unable to play last year because of a broken arm received in practice, but is physically fit this season. In previous games he has been known to have half the opposing team on his back with a 10 yard gain.

Joseph Brame, that terrific 60 minute man and widely known center has the charging ability and the making of an All-American Star. Brame is known for his coolness and intuition.

James Yancey, that sensational broken field winner, a resident of Henderson, has succeeded in helping to make history for the Institute Panthers. "Jim" has earned his reputation widely on receiving passes. He is like a bullet on every defensive play.

James H. Henderson, that flashy guard who is recognized as one of the most valuable players on the team. Although inexperienced he was one of the stars of our first game. Henderson's motto is, "Get the pigskin".

When the line begins to weaken the back fails to gain.
