Pictured above are the 1957-58 Annual King and Queen, Frank Rich and Elizabeth Loy. The Queen will be attended by Wanda Anderson and Sally Wright.

Frank Rich, Elizabeth Loy '58 Annual King, Queen

Frank Rich and Elizabeth Loy have been elected King and Queen of the Doe-Wah-Jack, with Wanda Anderson and Sally Wright serving as attendants to the queen.

The election, held November 30, was sponsored by the annual staff. The boy and girl receiving the most votes were elected King and Queen. The girls receiving the second and third highest number of votes attend the Queen.

Among the Queen's activities are membership in the Booster's Club and the Senior Tri-Hi-Y. Elizabeth, a Homecoming attendant, has been voted Best Looking by the senior

class. Frank is vice president of the Key Club and president of the Spanish Club and the Scribbler's Club. The King is also a member of the Senior Hi-Y and the National Honor Society. Attendant Wanda Anderson belongs to the Booster's Club and was a Homecoming attendant. Sally Wright is president of the Keyettes, secretary of the senior class, and a member of the French Club. She was voted Most Popular by the seniors and was a Homecoming attendant.

Jim Copland Wins State Contest

Jim Copland, the local entry in the Voice of Democracy contest, won first place in the state and will represent North Carolina in the national finals to be held in Washington in February.

Prior to winning the state title, Copland took first place in the Alamance County contest over 10 other contestants, enabling him to represent this county in the district tournament. The local Jaycees presented him with a \$50 check for his victory.

After winning the District title, Copland went on to capture the state finals held at Forest City December 7. The speeches in all divisions of the contest were judged by tape recording.

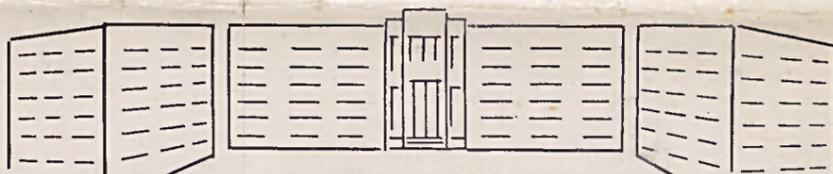

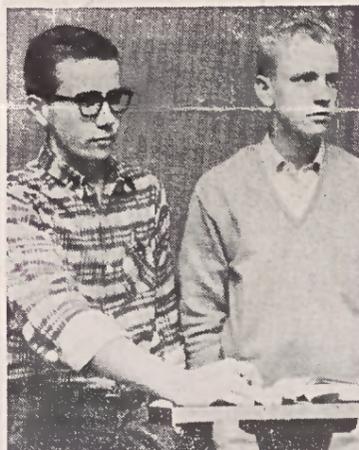

Rushin, Linnemann Enter Finals In N. M. S. Contest

Ben Rushin and Calvin Linnemann, Jr., have been named semi-finalists in the National Merit Scholarship Competition which took place October 22, Miss Katherin Ray, Guidance Counselor, announced today.

The semi-finalists will automatically become finalists after completing the applications, financial statements, and registering for the January College Board examination. Ben plans to attend the University of North Carolina or the University of Arizona. Calvin expects to enter either Duke University or the University of North Carolina.

The qualifying examination, taken by 41 Williams High seniors October 22, was administered simultaneously to thousands of seniors in schools throughout the nation. Any senior

boy or girl was eligible to compete for honors.

VOLUME XVIII WALTER M. WILLIAMS HIGH SCHOOL FRIDAY, DECEMBER 13, 1957

Council Plans Constitution Revision

W. H. S.'s Constitution has been revised by the Student Council and will be presented in the homerooms to the student body for ratification during the month of April. Mr. Harry Thomas, assistant principal, announced today.

Brown and Calvin Linnemann served on the revision committee, which was established after confusion over the delegation of responsibilities for homecoming events.

Music Group To Perform At PTSA Program Dec. 15

Combined choruses and the senior orchestra of Williams High School will present their annual Christmas musical program in the auditorium Sunday, December 15 at 4 P. M. as the regular December PTSA program. These students will also appear in today's assembly program in the auditorium.

Selections by the orchestra will include: "Song of Jupiter," by Handel-Anderson; "Larghetto," by Handel-Hann's; "The Talisman Overture," by Brockton-Lake; "Sleeping Beauty Waltz," by Tschaikovsky-Zamiecnik; and "The Adoration at Eventide," by Gillis.

"How Far Is It to Bethlehem," by Geoffrey Shaw; "Holy Lord God," by Noble Cain and "Sing Gloria," by Katherine Davis are the selections which the combined Girl's Chorus will perform.

The Men's Chorus will sing "Lo, How A Rose e'er Blooming," by Praetorius; and "Jesus Priceless Treasure" by Johann Cuuzer.

The combined choruses will perform "A Christmas Hymn," arranged by Hugo Junzt; "Bring a Torch, Jeanette Isabella," "An Old French Carol," and "O Holy Night," by Adolphe Adam.

The orchestra performs under the direction of Dr. Malvin N. Artley, and the chorus, under Mr. William E. Fitzgerald.

Homecoming

The new constitution contains a major article which specifies the Barker staff will be in charge of the selection of the Homecoming Queen; all senior girls are eligible for the contest; all school clubs must elect their sponsors from the senior class, with the exception of clubs composed exclusively of underclassmen; and the homecoming chapel program, parade, half-time ceremonies, and dance shall be under the responsibility of the Student Council.

Point System

The point system, which was devised ten years ago to protect the students from overburdening themselves with extra-curricular activities, has been discontinued.

The committee found that "no system can be devised to judge the capabilities of the individual. This should be left up to each student to decide for himself."

Student Body Officers

Under the new constitution, student body officers must maintain an "A" average on conduct and a "C" average on scholarship each six weeks. A six weeks' probation will be given the first time an officer's grades do not meet these requirements. Club officers and members must meet the same grade requirements as the student body officers.

In commenting on the revised constitution and its ratification, Alvis Rich, president of the student body said, "During the past 10 years our constitution has only been slightly modified. Since amendments were not adequate to meet the growing needs of the school, it was necessary to revise the constitution itself. I urge all students to support the Student Council and the revised constitution in order to build a greater and better W. H. S."

Students See Science Show

"The House of Magic", a science stage show, was presented to the students in an assembly in the Williams High School auditorium Thursday, December 5.

Mr. Thomas E. Roberts and Mr. Richard L. Toth operated the show, presented by General Electric.

The "three keys" to the future were explained and illustrated to the students. The keys are Material, Technique, and Brain Power. Mr. Roberts stated, "It is necessary for today's students to prepare themselves and to plan ahead for their future careers." He also stressed the importance of science education and the satisfaction of science careers.

Merry Christmas
