SAFETYGRAM....

THIS IS A SPECIAL ISSUE OF FOTOFAX TO CONGRATULATE ALL BREVARD EMPLOYEES FOR SUSTAINED EFFORTS IN SAFETY AND THEIR ACCOMPLISHMENTS IN PREVENTION OF INJURIES AS REFLECTED IN RECENT PERFORMANCE.

THE COMPANY, THE PHOTO PRODUCTS DEPARTMENT, AND THE BREVARD PLANT STAND IN THE LIMELIGHT OF GOOD SAFETY PERFORMANCE.

THE COMPANY....

C. B. McCOY, CHAIRMAN OF THE BOARD, ISSUED A LETTER CONGRATULATING ALL DU PONT EMPLOYEES FOR A HISTORY-MAKING JUNE PERFORMANCE. THE ENTIRE COMPANY (98,669 EMPLOYEES) WORKED THE WHOLE MONTH WITHOUT SUSTAINING A LOST TIME MAJOR ON-THE-JOB INJURY.

HE ALSO MENTIONED THE SIX MONTH HISTORY-MAKING COMPANY PERFORMANCE, JANUARY THROUGH JUNE, 1972. ON-THE-JOB INJURY FREQUENCY WAS ONLY 0.12 INJURIES PER MILLION MANHOURS WORKED. THIS IS LESS THAN HALF THE 0.25 GOAL FOR 1972.

Note: A frequency of 1.00 means one major injury per million manhours worked.

THE PHOTO PRODUCTS DEPARTMENT....

TOPPING THIS, THE PHOTO PRODUCTS DEPARTMENT, INCLUDING BREVARD, EXPERIENCED NO (ZERO) ON-THE-JOB INJURIES DURING THE FIRST SIX MONTHS OF 1972. RIGHT NOW, PHOTO PRODUCTS STANDS AT THE TOP OF ALL ELEVEN MANUFACTURING DEPARTMENTS IN TOTAL SAFETY PERFORMANCE FOR THE YEAR. WE HAVE EXPERIENCED NO ON-THE-JOB INJURIES AND HAVE THE LOWEST OFF-THE-JOB INJURY FREQUENCY.

THE BREVARD PLANT....

OUR DAY-BY-DAY SAFETY ATTITUDES AND ACTIONS HELP TO ESTABLISH SAFETY RECORDS BOTH ON AND OFF THE JOB.
