UNITED FUND . . . THANKS TO YOU IT'S WORKING

. . . And it will be working better than hoped for in 1974 due to the generosity of plant employees who gave \$25,826.17 to the United Fund. We passed our \$24,500 campaign goal by \$1326.

Congratulations to each employee who gave and to the 70 group solicitors who offered their services in carrying out the mechanics of the drive.

Don Bellefeuille, Chairman of the 1973-74 UF Drive, commented, "It was a good campaign based on the total amount received. Thanks to all the contributors and the solicitors for all the work they did. My biggest

disappointment was the 20% who didn't choose to give."

There were 167 Fair Share givers (one hours pay per month). This is a twofold increase over last year. Twenty groups had 100% participation.

The average pledge per contributor was \$31.04. The Company contribution was \$4,900 or \$4.75 per employee.

The Company gift will go to Transylvania, Henderson, and Buncombe Counties based on percentage employees in each county. Employee contributions go to county funds of their choice.

DISTRIBUTION OF EMPLOYEE & COMPANY UF CONTRIBUTIONS

County Recipient	Employee Contributions	Company Contributions	Totals
Transylvania	\$14,919.17	\$3,350.00	\$18,269.17
Henderson	10,478.00	1,410.00	11,888.00
Buncombe	429.00	140.00	569.00
	<u>\$25,826.17</u>	<u>\$4,900.00</u>	<u>\$30,726.17</u>

THRIFT PLAN IMPROVED IN OCTOBER

Major features of the improved plan are . . .

- You can save up to 6 per cent of your monthly pay with a Company contribution equal to 50 per cent of the amount you save. (Under the old plan, savings were limited to \$37.50 per month and the Company contribution was 25 per cent.)

- You may save an additional 4 per cent of your monthly pay without Company contribution.

- You can choose how to invest your savings: (1) in U. S. Savings Bonds, (2) in a fixed income fund, or, (3) in a common stock fund. (You could invest only in Savings Bonds under the old Plan.)

Other features include . . .

- You can invest all of the Company contribution in Du Pont common stock or you can invest up to half in the fixed income and common stock funds.

- You can participate in the Plan if you have completed one year of continuous service.

- You can change your rate of savings and where you want your savings to be invested at any time.

- You can defer receipt of investment earnings and Company contributions until retirement and thereby obtain certain income tax benefits.
