July 19, 1977

Dear Du Pont Employees and Retirees:

It is a pleasure to invite you to the Du Pont annual picnic at the Guion house on Sky Valley Road Saturday, July 30. Throughout the day there will be competitive games (horseshoe pitch, footrace, golf pitch, wood chopping, crosscut saw, etc.). The kids will enjoy the merry-go-round, the train, the space walk and the cotton candy while the folks 12 years and older may enjoy the Bingo games. There are over 60 prizes including a TV set, so there will be a great deal of bingo playing in the barn.

Hamburgers, hotdogs, chili, baked beans, chips, lettuce, tomatoes, ketchup, onions, ice cream, regular and diet drinks will be served by Hardees. Watermelons will be sliced starting at 11:00 a.m. until the 250 large melons are consumed.

You may like to bring a chair to sit in while you enjoy the 3 teams of cloggers and the country/blue grass music bands.

Every hour on the hour the fishing truck will take the fishermen to the river, where they can try to catch the longest or the heaviest fish and win a \$10.00 first prize or a \$5.00 second prize. (4 prizes)

The DERA Picnic Committee hopes you will come and have a good day and would like to suggest that you:

- Drive defensively on Sky Valley Road
- Slow down
- Blow your horn in blind curves.

All Du Pont employees, their families and house guests and guests invited by the Company are welcome and eligible for the door prize and the treasure to be given away at the end of the day.

Looking forward to being with you.

Sincerely,

THE PICNIC COMMITTEE

ANNUAL DU PONT PICNIC

Food, fun, excitement, prizes and more! What do these words conjure up in a Du Pont employee's mind? The annual picnic of course! This year, Du Ponters and their families are invited to the Guion Farm, on July 30th, to participate in the day long festivities.

Be sure to come with a hearty appetite. Food will be served throughout the day starting at 11:00 AM and ending at 5:30 PM. With additional serving lines, it will be even easier to come back for seconds, thirds, or even more . . . If you don't get enough of that good Hardee's food, then help yourself to as much ice cream as you want. Finally, for those of you who dare, and don't count calories, keep in mind the donut eating contest in the afternoon.

To create even more fun and excitement, everyone can participate in the treasure hunt, vie for the door prize, enter the fishing event and join in the tobacco spitting contest.

The youngsters will have a big day of events in which they can have fun and compete against one another. Activities will include balloon blowing, greasy pole, foot race, shoe scramble, penny scramble, tow sack race, backward race, three-legged race and the egg toss. A merry-go-round, trainrides and the spacewalk will be day long fun for the smaller children.

Adults, young and old, can participate in the horseshoe pitch, bingo, softball throw, softball game, balloon bursting, cross cut saw and golf pitch.

Winners will receive silver dollar awards for all events. While all the action takes place, pictures will be made by a roving photographer to capture your day on film and give you a souvenir to take home. Music will be provided by three string bands and as always, first aid will be available for minor scrapes and bee stings. To avoid ant hills, and soiled clothes bring a chair or blanket to sit on.

Many long hours of planning and preparation are involved in making this day a special one for every picnicker. If asked to take part and share in the work load behind the scenes or up front, please help if you can. In this way, we will have the best picnic ever and everyone can join in to "Have Fun Safely."

COME TO THE BIG PLANT PICNIC!
