

"High" Life

For a Better G. H. S.

VOL. 2.

GREENSBORO HIGH SCHOOL JANUARY 13, 1922.

WE WANT TWO
CHAMPIONSHIPS

GREENSBORO DEFEATED BY CHARLOTTE AND LEXINGTON IN BASKETBALL CONTEST

Locals Play Well But Unable to Overcome Lead of Opponents

BRITTON STARS FOR G. H. S.

Greensboro High School Basketball team played the third game of the season with the Charlotte High School, Friday, Jan. 6, at Charlotte, the score being 34 to 20 in favor of Charlotte. The game was played in an auditorium which is regularly used for dances. A large number of people were on hand to see the contest which proved to be listless throughout, although the second half showed a pronounced livening up.

Britton and Seburn starred for Greensboro each making several nice shots. Williams showed the best guarding work. Harvell and Brown played stellar ball for Charlotte, shooting between themselves the majority of the goals.

The first half started off with Charlotte rushing all the time. Greensboro could not get started and were completely out-played. The game was very rough, each team making a number of fouls. Britton made all the points for Greensboro in this half. Charlotte went on a spree, chalking up 24 points. The score stood 24 to 6 at the end of the first half.

The second half started with both (Continued on page 2)

FOOTBALL BOYS' GET TOGETHER TALKS FROM C. F. WRIGHT AND LUNSFORD RICHARDSON

The chapel period last Wednesday was marked by one of the most interesting events during the school year. The football boys were presented with the football monograms or stars for their part in the team's activity during the past term.

The exercises opened with short talk delivered by Mr. Archer, the school superintendent, on his appreciation and the faculties' appreciation of the team and its work this year. Mr. Archer was introduced by Neal Jones the President of the General Athletic Association.

Mr. C. G. Wright a prominent lawyer and business man of Greensboro was the next speaker. He stated that he as well as all true business and professional men of Greensboro were behind the football team in anything that it might do and that they were behind the school and its excellent work as a whole as well as behind athletics.

Mr. Wright was followed by Mr. Lunsford Richardson, well known business man and past athlete of Greensboro. Mr. Richardson gave the school a true perception of the value of a "letter". He said that an athlete who could not maintain a high standard in his school work as well as in his athletics did not deserve a "letter".

The monograms and stars were presented by Miss Nellie Irvin after a short talk by Coach Harry Rabenhorst on his appreciation of the team and the true value of the "varsity" squad. The exercises were closed by a short talk from Captain Taylor on the prospects of our next year's team.

The following received their well merited rewards.

Captain Taylor 2 stars, Manager Cooper, letter. Henderson, letter. Barker, 2 stars. Forsyth, 1 star Green, letter. Joe Transou, 2 stars. Hinkle, 2 stars. Paul Transou, 1 star. Bell, letter. Fordham, letter. Daniels, 2 stars. Jones, letter. Sellers, letter.

The boy who makes a team the first year receives a letter and for each ensuing year he receives a star.

CHRISTMAS EXERCISES GIVEN BY SENIOR CLASS

Manger Scene Pantomimed and Several Stories Read

Following an ancient custom at G. H. S., the Seniors had charge of the Christmas program in the chapel Wednesday, December 21. It was the first time this year that the class of '22 has conducted chapel exercises, and they succeeded in proving that there is something new under the sun in the way of programs:

As the pupils marched in Mildred Little, the pianist, played Christmas Chimes. The Seniors entered last singing, "Hark! the Herald Angels Sing." On the stage was a tableau of the Bethlehem manger scene. Those in it were: Carolyn Glascock and Mildred Morrison; Joseph, Jeff Fordham; Mary, Myrtle Ellen LaBarr.

When the Seniors had taken their places, Herbert Rawlins, president of the class, read an appropriate Scripture passage. Slowly up the aisle, the "Three Wise Men" entered with their gifts for the Christ. They were Paul Causey, Edwin Pearce, and James Wilkins. As they knelt before the manger, Mr. Fielding Fry sang, "Silent Night," while Nellie Irvin pantomimed it. The "Three Wise Men" left going slowly down the opposite aisle from the one up which they entered. Ethel Stoskton read the "Story of the Other Wise Man."

One of the most interesting parts of the program was the presentation of the gifts from the individual classes to the poor of the city. Each class proved its generosity and the result was a goodly pile of food and toys for the poor and needy. A representative from each class stated the high ideals and ambitions of his class. Jack Causey, a Freshman, spoke first. William Neal, a Sophomore followed. Nancy Little portrayed the Junior's highest aspirations in a well-written poem. Last, Ruth Underwood spoke in behalf of the Seniors.

Raymond Lanier sang a Christmas solo. Mr. A. L. Brooks, a prominent lawyer of the city, made a most excellent address on "Christ in Everyday Life." As a fitting Christmas conclusion to the program, Mr. Cox presented the High School with "The History of the University of N. C.", the gift of the alumni of the University of North Carolina, who are greatly interested in the future of G. H. S.

GREENSBORO HIGH SCHOOL ORGANIZES DEBATING CLUB

Gladys Holland Elected Chairman at First Meeting.

Prior to the Christmas holidays, the Debating Club met for its first session. The purpose of the meeting was to organize and elect Officers. The following officers were elected: Gladys Holland, Pres.; Hubert Rawlins, Sec.; Leonard Temko, Press Reporter.

The Debating Club will meet every other Tuesday night at 7:30 in the High School library under the supervision of Mr. Charles Phillips and Miss Martha Blakeney. The Club will study some text book and will have a definite study of argumentation and debating. It is planned for the club to debate every time it meets.

A great deal of interest is being shown in debating, which in perhaps due to the great success of our triangular debates of last year. Of course the main purpose of this club is to produce four triangular debaters who will all go to Chapel Hill. This club will also produce future debaters and will give good training for any one in public speaking.

—Robert Haab has been elected president of Switzerland.

GIRL BASKETEERS OPEN WITH DOUBLE HEADER

Have Had Hard Practice.

The girls' high school basketball team, champions of western North Carolina last year, will open the 1922 season tonight with a double-header at the Y. M. C. A. Winston-Salem high school and Raleigh high school will furnish the opposition. The first game is called for 7:30.

Following the interclass series before Christmas, the varsity squad has had hard practice under the direction of Miss Nellie Dry, the coach, and is ready for two hard games. The exact lineup has not been announced, but the following players will probably be used tonight: Miss Elzie Fluhardt, Carlotta Johnson, Gey Fetter, Helen Clapp, Doris Batner, Yvonne Stannett, Doris Stinnett, Margaret Myers, Viola Scurlock, Marjorie Blair and Ellen Stone. Miss Nellie Irvin is manager.

Prior to the game the squad will have a dinner at the Y. W. C. A. hut.

BRITTON'S BASKETEERS ON TWO-DAY TRIP EAST

Members of the varsity basketball team, accompanied by Coach H. W. Park and Manager Jeff Fordham, left this afternoon for a two-game trip to Durham and Raleigh. Tonight the local quint will meet the team from Trinity Park school on the latter's court. On Saturday evening Capt. Britton's men will play the boys of the Capital City high school in Raleigh.

Although the squad opened the 1922 session with defeat at the hands of Charlotte and Lexington, the material available this year points to a fighting machine which is expected to make a good run in the championship series. In the opening game of the season on the local floor Wednesday evening the locals sent the Twin City quint down to defeat by the score of 30 to 21. This victory showed that Britton's men possess the driving force and form which can be developed into a fast moving machine. Those who have watched the development of the squad believe that it will only be a short time before the rough edges have been removed, and the quint will put up a formidable fight against all comers. Coach Park stated before leaving for the trip today that he had confidence in the strength of his men.

In addition to Coach Park and Manager Fordham, the following made the trip to Durham and Raleigh: Capt. Joe Britton, Seburn, P. Transou, J. Wilkins, Henderson, Taylor, Daniel and Williams.

MANY IMPROVEMENTS MADE IN HIGH SCHOOL LIBRARY

During the last month the library has been progressing rapidly. Many improvements have been made, which add both to the attractiveness and usefulness of the library.

One of these improvements is a large, roomy desk which is a great improvement over the old one. This desk is located at the entrance to the library, but is built in a curve so that the librarian sits a good way from the door and pupils coming up to the desk do not "block traffic." A magazine rack, nine magazine covers, about nineteen or twenty books and a number of posters, are a few more of the additions. The posters are very attractive and carry messages that should be heeded by every pupil.

Besides this rapid growth and the many improvements, the pupils seem to be taking more interest in the library. This can readily be seen by the large number of pupils who come to the library at each period.

UNIVERSITY DELEGATION MAKES TALK IN CHAPEL

Delegates From Chapel Hill to Father and Son Celebration Bring Message to High School.

Today in chapel the University of North Carolina team of delegates to the Father and Son celebration in Greensboro, spoke on the physical, intellectual and moral aspect of college life.

The delegation sent out by the University Y. M. C. A., was composed of leading men in every branch of college life. Their purpose in coming to Greensboro, was, they stated, to help, in some small way, the boys of the High School solve some of their problems in regard to higher education.

In addition to short talks by each of the delegates a quartette was sung and college and other popular songs.

JUNIOR GIRLS VICTORS IN BASKETBALL CHAMPIONSHIP

The juniors have won the interclass girls basketball championship after a hard fought series. The seniors, on Dec. 12, beat the freshmen in an uninteresting game, in which the freshmen were out classed by their opponents. The following Tuesday the juniors and sophomores met. These teams were more evenly matched, but the final score, 21-16 was in favor of the juniors. On Wednesday the 14th the freshmen were again overwhelmingly defeated by the juniors, 38-14. Friday afternoon, Dec. 15th, the freshmen were eliminated from the series by the juniors with a score of 22-10. That night was staged perhaps the most interesting game of the series, when the proud dignified seniors went down in defeat before the fast junior team by a score of 23-19. Then on Friday the sophomores eliminated the seniors from the series. The final game was played at the Y. M. C. A., on the night of the 20th. The teams were evenly matched and when the final whistle blew the score was a tie. The sophomores then won by a margin of one goal in the additional five minutes of play. This gave them the privilege of playing the faculty team, whom they beat by a very small score.

The sophomores' title was however, disputed by the Juniors, on the ground that the rules as originally ordered provided for a final game between the two highest in the preliminary contests. This protest resulted in a game in which the Juniors were victorious by a score making them champions of the school.

BEANS AND BACON ENJOYED AT HICONE.

Tuesday morning, Dec. 27, Edwin Pearce, Johnny Clendenin, Robert Irvin, Bobby Wilkins and Hubert Rawlins rolled their scrotty blankets about a neat supply of Christmas dainties, and potatoes and started for a trip, to the old site of Camp Hicone. The cold weather made the old fireplace a cozy spot, and many were the nuts cracked and stories told about the soothing fire, and the harmony that rolled out the windows, warned the farmers to tie their hounds up for the night.

Although these young knights had no hunting permit they got game in abundance; they shot the "bull", killed time, caught colds and brought back many wild "tales." All in all, there are none regretting their trip, however, and when Friday night came, five boys at least slept well.

WINSTON DEFEATED 30-21 THE GAME WAS A GRAND SEND-OFF FOR THE SEASON

The Y. M. C. A. was packed to overflowing.. The team received hearty support

WINSTON WORK VERY CREDITABLE

An enormous crowd packed the Greensboro Y. M. C. A. beyond its capacity, Wednesday night, Jan. 11 to witness the basket ball contest between the boys from Winston-Salem High School and those from Greensboro High School in which the Gate City lads were victors by the score of 30 to 21.

The game was probably the best seen here this year. Each team fought hard all the time and although Greensboro had the edge on the Twin City bunch during the whole contest the game never ceased to be interesting and full of punch.

Daniels for Greensboro played stellar ball piling up 17 points for his side. Britton, also of Greensboro, played good ball making one beautiful shot from the center of the floor. The guarding work of Williams stands out as one of the features of the game while the whole Greensboro team played good ball.

For Winston Caldwell and Conley played exceptionally good games. Conley piled up 7 points in fouls alone, for his side. Cofer for Winston also played a good and the guarding work of Davis showed up well. No one person stood out so very much above every one else on the Winston team but all played a wonderful game and proved themselves to be good sportsmen.

The first half started off with a rush each team playing hard. As a consequence many fouls were made and quite a few petty scraps came up but fortunately none amounted to anything. Daniels and Britton starred for Greensboro in this half while Caldwell and Conley played good ball for the Twin City team. The half ended with the score 20 to 13 in favor of Greensboro.

The second half was not as fast as the first, Greensboro playing more of a defensive game due to renewed rushing of Winston. Nevertheless interest never lagged and each team played the game for all that it was worth. Daniels and Britton starred for Greensboro while Caldwell did exceptionally good work for Winston making several good shots.

Line up

Greensboro	Winston
Britton	L. F.
Seburn	R. F.
Daniels	C.
Henderson	L. G.
Transou	R. G.

Substitutions for Winston: Harkness for Cofer. Sapp for Wilson. Time of periods, 20 minutes. Referee: Tyson.

TEACHERS TAKE REST FROM CLASSROOM CARES

As the birds fly, so the teachers of this progressive and powerful metropolis took their suitcases and with never a tear or backward glance, tore themselves from our midst and fled to their own parental domiciles or favorite nooks to pass the Xmas season. Some went south, to Florida where organdies and sunshades hold sway; some went north where the cold nipped their noses and 18 deg. C. felt like summertime—Brr! Some worked—washed dishes, they say; some "hibernated"—ah—they did most every old thing, 'til another year rolled 'round—and then back to Greensboro to pester us kids some more and scare us to death with examinations.
