REIDSVILLE QUINTET FALLS BEFORE BRITTON'S BASKETEERS

G. H. S. Reviving From Durham's Blow Plays One of the Best Games of the Season

The Greensboro High School basketball team got back into form after their crushing defeat at the hands of Durham the night before and sent the fast Reidsville quintet down in defeat, on Friday, Jan. 20, 1922, in Greensboro, by the score of 38 to 34. The game was slightly rough and closely contested throughout although the Gate City aggregation never failed to show its superiority in passing and in shooting.

The half started off with both teams fighting hard. Britton and Daniel starred for Greensboro while Chance did stellar work for Reidsville in this period. The Greensboro bunch got in some pretty passing during this period as the Reidsville aggregation also did, but by better shooting Greensboro nosed out ahead and the half ended with the score 21 to 18 in Greensboro's favor.

The second half was also closely contested and so hard did the Greensboro bunch play that one guard was out on personal fouls. Reidsville also played hard and as a result scored almost as many points as did the Greensboro team. Daniel's was the outstanding star for Greensboro while Chance played sensational ball for Reidsville, the little forward caging a majority of his team's points. The half ended with the score 38 to 34 in Greensboro's favor.

Line-Up:

Seburn	l.f. Chance

K. Williams	r.g. Delaney

Substitutions for Greensboro: Sellers for Henderson, Henderson for K. Williams. Substitutions for Reidsville: Pettigrew for Gladstone. Referee: Stuart. Timekeeper: Stockard.

"A TRUE MAN" SUBJECT OF DR. MYER'S TALK IN CHAPEL.

Coch Rabenhorst Presented "W." Sweater By Football Squad.

The first part of the program was taken up by the presentation of a sweater to Mr. Harry Rabenhorst by George Taylor. This sweater was a small token of appreciation from the football boys.

The program was then turned over to Dr. Myers and his quartet. The quartet sang two very fine gospel hymns, and then Dr. Myers began his talk.

For his subject he chose a verse in Ezekiel: "I sought for a man among them, and found none." Dr. Myers went on to say that what we do at six, we do at sixteen, and at sixty-six we will not have changed.

Boys and girls who indulge now in some evil practice will indulge in later life. Boys respect the girl who is ignorant of evil, and who is not indifferent to evil, who keeps the best ideals of womanhood unspotted. The girl in turn respects the same kind of boy.

So, in order that we may be real men and women, we must give up all doubtful practice, and live now, as some day, we will wish we had lived.

Little daughter didn't feel very loving toward her father just then, and to her mother she went in a burst of confidence: "Was papa the first man who ever proposed to you mamma?"

"Yes; but why do you ask?" asked the mother.

"I was just thinking that you might have done better if you had shopped around a little more."

REFLECTOR BOARD EXPECTS ANNUAL TO BE BEST EVER

Many Novel Features to Be Included in What Promises to Be High School's Largest Book.

With the help of the entire student body the Senior class hopes to put out a bigger and better annual this year than has ever been put out at G. H. S. before. This year's Reflector is going to be a good deal larger than the preceding one and it is going to contain various new departments and new features. School activities have grown considerably during the last few months and all these new organizations will be cared for in the Annual in a unique way.

On account of lack of space it has been impossible during these last few years to accommodate all the students of the High School in the same building and for this reason we believe that everything possible should be done to consolidate the school and make the main building and the annexes as a unit. With this in mind the staff has set out to make the 1922 Reflector an Annual of Greensboro High School and not merely of the Senior Class. The taking of school statistics was one of the steps taken with this in mind. We hope that each Freshman feels that this year's annual is going to be just as much his as it is any Senior's.

We also hope to localize our Annual as much as possible and so make it not only a High School production but one that will also have the stamp of Greensboro on it, for we feel that Greensboro is a town to be proud of and we plan to show this in several different ways in the Annual.

The members of the staff would not feel so confident in their work were it not for the help of Mr. Giles and Miss Dorsett. But with two such advisers ever ready to help in any way they can and with the backing of the school we don't see how the Reflector of '22 can be anything but a huge success.

GREENSBORO QUINT TAKES HARD GAME FROM WINSTON

Seburn and Britton Local Stars, Shirley Caldwell, Cantey and Caffey Stars for Winston.

At a hard fought contest the Greensboro high school basketball team defeated the Winston-Salem quint, 30 to 21 on the Y. M. C. A. court last Wednesday night.

Accurate shooting and excellent guarding enabled the local quint to defeat their rival.

A large number of local fans witnessed the game which soon developed into a royal battle. The Greensboro five had the edge on the Twin City locals both in guarding and shooting, but the visitors played brilliantly, never losing hope of winning until the referee's whistle blew.

Greensboro's team work was a large factor towards winning the game, while the playing of Britton and Seburn, the Greensboro forwards, was also a great help.

Cantey, Coffey, and Caldwell led the Winston-Salem highs in both goal throwing and guarding.

The Line-Up.

STATISTICS SUBJECT STUDENTS TO THE TEST OF THE BALLOT

57 Varieties of Astonishing Soap Box Orations

A more solemn and serious occasion was never witnessed at the Greensboro High School! An observer would have thought that the destiny of the whole United States depended upon how the election was carried out and who was elected! The plan of voting for the High School Statistics was that each pupil should register on Tuesday, Jan. 17th, and should cast the votes the following Thursday. Everything would be done in a nice quiet, orderly way—but no such election as this could be carried off without a great deal of politics involved. It is true the pupils registered on Tuesday and cast their ballots on Thursday, but my, a great deal can happen between Tuesday and Thursday. A great deal did happen between this particular Tuesday and Thursday. "Soap-Box" orations could be heard any time of day or night on the school grounds in the cafeteria, or even in the class room. The teachers entered into the fun of the election and gave very valuable advice to those whose minds had been bumbled by some of the wonderful "soap-box" orations. Often the teachers soothed a troubled spirit by saying "He's horribly good looking" "She's awfully sweet," so fourth and so fifth.

This is a democratic age and the Greensboro Highs are not behind the times, on Thursday by 4 o'clock every High School pupil had cast an individual, ballot. (Have pity on the ballot-judges!)

No one should feel badly, for, no doubt, everybody in the High School got a vote of some description.

BASKETBALL AND CINDER PATH MANAGER ELECTED MONDAY

Leonard Temko Manager Baseball and Andrew Bell to Lead the Track Outfit.

Baseball Outlook Bright

At a meeting of the boys' athletic association of the school Monday in the auditorium of the school building, the election of officers for the track and baseball squads for the 1922 season was held. Leonard Temko, a member of the Junior class, was elected manager of the baseball nine, while Andrew Bell was chosen manager of the track men. Both managers have begun negotiations to arrange schedules for their respective squads.

Already the boys are beginning to talk baseball and track, and there is every indication that the local school will be represented by strong squads in these two branches of athletic sports. Indoor work for the pitchers and catchers will be started as soon as the strain of examinations has been removed. Special efforts will be made by the coaches of the diamond performers to put into the field one of the best high school batteries ever produced in the state. In order to make this possible, the candidates for both ends of the battery work will receive special personal attention from men who are capable of coaching pitchers and catchers.

The work of the 1921 track and cinder squad was of the highest order, and it is hoped that the Gate City athletes will take the lead in the state high school event which will be staged at Chapel Hill during the spring months. Last spring the local boys won the South-Atlantic inter-scholastic track meet which was staged at the University of Alabama, Tuscaloosa, Ala. The manager of the 1922 track squad, Bell, was a member of the victorious team, and he also holds the state high school record for the mile which he set at Chapel Hill last spring.

Al Purrington, a member of the varsity track squad of the University of North Carolina, will coach the track squad this year. Announcement of the selection of a coach for the diamond performers has not been made yet.

The girls' athletic association of the school is making great strides this year, and the record made thus far by the girls on the basketball floor is proof of the good results which are being produced. At a meeting of the athletic association held this week, a number of interesting reports on the fine work which has been done this year were made. Miss Nellie Dry, coach of the varsity girls' squad, is very much pleased with the prospects for the season.

MISS SHYROCK DOING MUCH CROSS-REFERENCE WORK HERE

Many New Books Added to G. H. S. Library Collection.

In the future the boys and girls of G. H. S. will not have to get the librarian to hunt up reference work for them. Miss Shyrook from Maryland is working on our catalogue system doing cross reference work which will enable the pupils to find any subject which they wish, by referring to the catalogue.

The boys and girls seem to take more interest in the library lately. Probably this is because of the parallel reading which some have put off till the eleventh hour. One day recently, one hundred and five books were given out; this is the largest amount of books ever taken out of the library in one day.

GREENSBORO GIRLS DEFEAT DANVILLE GIRLS 29 TO 11

The Game Was a Fine Example of Good Basket Ball and True Sportsmanship.

The girls' basketball team which doesn't know how to lose, added another victory to its long string, Friday night when it defeated Danville high school at the Y. M. C. A., 29 to 11. The game was part of a double-header at the "Y," with the Greensboro-Reidsville boys' game the other part.

The Greensboro girls had an early lead and held it throughout the contest. At the end of the first half the score was 17 to 4, in Greensboro's favor. In the second half Greensboro slackened its pace somewhat, but always held the upper hand, and there was never any doubt of the victor. Miss Johnson shot 8 field goals, and Miss Fetter and Miss Doris Stinnett also played well. Miss Stinnett also played well. Miss Musselman did well for Danville.

RALEIGH DEFEATED BY G. H. S. IN FAST HARD FOUGHT GAME

The Game Was Close Throughout Characterized By Star Work On Both Sides

The Greensboro High School wound up its eastern trip Saturday Jan. 14, 1922, by sending down in defeat the quintet from the Raleigh High School in Raleigh. The score at the end of the game was 29 to 23 in favor of Greensboro. The score just about tells the story of the game fairly close throughout. Raleigh scored most of their points in the second half while Greensboro scored their greatest number in the first half.

The first half started with both teams rushing the game, but Greensboro showing a decided edge on the Raleigh aggregation. Daniels caged 4 baskets for his team during this period and was easily the starring player for the Gate City lads. Rushton and Green scored the points for Raleigh in this period. Henderson did stellar guarding work for Greensboro during this period not allowing his man a basket while Brumer for Raleigh showed up well at left guard. The half ended with the score 17 to 9 in Greensboro's favor.

In the second half Raleigh scored 2 more points than Greensboro but were unable to rally enough to overcome the lead Greensboro had and kept throughout the game. Daniels and Seburn played stellar ball for Greensboro in this half while Rushton and Chappel scored practically all of Raleigh's points. Daniels, for Greensboro and Rushton for Raleigh were the stars of the game while both teams, as a whole put out an exceptionally good brand of basketball. The game ended with the score 29 to 23 in Greensboro's favor.
