

Tom Lambeth G.H.S. Track Coach For Coming Season

U. N. C. GRADUATE

Has Enviably Record, Holding Several Southern Records For Two-Mile Run

LETTER MAN FOR 3 YEARS

Number Going Out Includes Experienced Material—Full Schedule in View

"Tom" Lambeth is Greensboro High School's new track coach for the 1927 season. Mr. Lambeth, who is a member of the Pomona High School faculty, has agreed to coach the G. H. S. boys who are going out for track.

During his college career at the University of North Carolina he held several of the best Southern records for the two-mile run. He was a letter man for three years in succession, 1923, 1924, and 1925. Bob Fetzner, one of the outstanding track coaches of the South, was the Carolina mentor for those years. Under his tutelage Mr. Lambeth made an unusually brilliant record.

Twenty men are out for track from G. H. S. this year, and this number includes quite a bit of experienced material. A good season is anticipated. A partial schedule for meets follows: March 19, Davidson College; April 1, Wake Forest; April 8, State meet at Chapel Hill; April 16, Winston-Salem dual meet (pending); April 30, Civitan meet at Greensboro.

MISS L. IRVIN DIRECTS COURSE

A class in Junior Red Cross Life Saving has been started at the Y. W. C. A. under Miss Louise Irvin. This class is held every Monday and Tuesday especially for the G. H. S. girls. TOURNAMENT HELD RALEIGH, MARCH 7

Sixty Schools Are Represented at Second Annual Basketball Tournament

600 DELEGATES ATTEND

The second annual high school basketball tournament got under way at Raleigh Monday, March 7. About 600 delegates representing 60 high schools from every section of the state were present. Twenty-eight teams got into action from 6 p. m. to 11 p. m. the first day. Tuesday saw Greensboro and many other teams in action.

College boys have agreed to double up with the juniors and very few of the boys will be compelled to sleep in the gym or basement.

This tournament is made up of three classes, Greensboro belonging in the A class. Each first and second place winner in each division will be presented trophies by sporting goods dealers and manufacturers.

Each tournament is sponsored by the North Carolina State College.

LEAKSVILLE BEATS G.H.S. IN CHAMPIONSHIP GAME

Unleashed a Passing Attack That Was Impossible for G. H. S. Boys to Stop—Score 40-22

Greensboro High School was eliminated from the race for the state championship title when they were defeated by the Leaksville High by a 40 to 22 score on February 25 at Winston.

The Leaksville quint unleashed a passing attack that is seldom found in high school circles, and it was impossible for the Greensboro boys to solve the attack. With Hamerick and Edwards as the two outstanding stars and long shots and dribbles, the Greensboro High were left at the small end of a very one-sided score. Taylor handled the ball well for G. H. S.

The lineup follows:

| Leaksville | Pos. | Greensboro |
|---------------|--------|------------|
| Lamar (4) | ----- | Sockwell |
| | F. | |
| Crouch (6) | ----- | Wyrick (8) |
| | F. | |
| Edwards (14) | ----- | Taylor |

| Hamerick (12) | ----- | Lipscomb |
| | G. | |
| Jones (8) | ----- | Gardner |

Practice Postponed

Baseball practice was scheduled to start the first of March, but as the weather conditions were unfavorable no practice was held for the first week. Coach Coletrane sent out the call for batteries on Monday, March 7th, and stated at this time that actual practice would start in the next few weeks.

H. COLETRANE CALLS BASEBALL PLAYERS' SPRING PRACTICE

Asks Boys Who Can Either Hurl or Stop Ball to Report For Practice

SIX OLD-TIMERS ELIGIBLE

Team Has Best Schedule it Has Had in Several Years—Some Over-Night Trips Are Expected

Coach Homer Coletrane issued an order in chapel Monday, March 7, for all boys who can either hurl or stop a ball to report for practice. Coach Coletrane has only five letter men back to build his team around, but he says there is much good material from Buffalo and many substitutes from last year.

"Sparky" Jones will be back at short-stop with his usual stellar playing. "Pete" Wyrick will cover the key-stone sack. "Pete" is a dependable hitter and will boost the batting average of the team considerably. "Lefty" Whiteheart will handle the initial bag, although he isn't so tall, he's got the power to jump for anything, high or wide. Herman Gardner will be pushing him for the job. Wyatt Taylor is the only eligible pitcher, but the opposing batters know that he is a "holy terror" when it comes to striking them out. Horace Pennington is another good infielder who can fill in either at short or second.

The team has one of the best schedules it has had in several years. Several overnight trips are on the schedule.

SPORT SPARKLES

Athletics around the high school received a decided setback during the past week due to the heavy snowfall, but even though the weather made it impossible to carry on actual workouts, many plans were disclosed for activities in the spring.

The Civitan Club has taken an active interest in high school athletics for some time and has been especially active in promoting track work. This club has sponsored for the past several years a western North Carolina track meet which has formerly been held at the Central Carolina Fair Grounds, but this year with the completion of the stadium the club has decided to make an even larger event of this and will hold a state-wide track meet in the early spring.

Saturday night, March 5th, at Chapel Hill, Durham High School basketball team defeated Asheville High School and won the title of state champions at basketball. This is the third time in the same number of years that the Tobacco Town has won this title. It just looks as if this town has the material that it takes to make a basketball team. The game was a hard fought contest and several times it looked as if the Maroon Devils were going to step into the lead and carry home the banner of champions. Both teams played a great brand of basketball, but the boys from the Mountain City seemed to be a little lost on the large court.

Due to winning from Asheville, Durham will represent North Carolina in the Southern tournament to be held at Duke University in the early spring.

A round-robin hand-ball tournament is being sponsored by the Y. M. C. A. A number of G. H. S. students have entered. The tournament will be held during March, and the winner will be awarded a handsome trophy.

Basketball was originated 35 years ago by Dr. James Naumsmith, now at the University of Kansas.

Greensboro High Defeats Trinity Sextet 36 to 19

Game To-nite

Tonight, March 11, at Guilford College, at 7:30 o'clock, the G. H. S. girls will play Winston-Salem in the semi-final game of the district five championship series.

A good hard fight is expected as Winston has a good record.

G. H. S. defeated Trinity February 25, sending her to the semi-finals, while on March 5, Winston defeated Old Town.

March 15 the championship of district five will be played between the winners of the Greensboro-Winston game and Leaksville will be played in Greensboro or Guilford College. No girls' state championship games are to be played.

TOURNAMENT TO BE HELD AT DUKE UNIV.

Purpose of Southern Basketball Tournament to Promote Clean Athletics

SPONSORED BY DURHAM

Under the auspices of the Playground Association, Duke University, City Schools and the Chamber of Commerce, a Southern Basketball Tournament will be held at Duke University March 24, 25, and 26.

The purpose of this tournament is to promote clean athletics and to bring the southern states closer together.

Invitations to the two outstanding teams of each southern state have issued. Entertainment will be furnished by the city of Durham for the teams, their only expense being the railroad fare. Cars for transportation and courts for practice will also be procured by the city. There will be a series of elimination contests for the winning teams.

PREPARATIONS BEGIN FOR GIRLS' BASEBALL

Captains for Three Groups Are Elected. Practices Will Be Held on Spring Street Field

The girls who are going out for spring baseball met in the cafeteria Friday morning, February 25th. Since there were so many freshmen, they were organized into groups A, B, and C.

The captains for the freshman team are Rosa Davis, Lily Stapleton, and Edith Bennett. Kate Harris is the captain of the sophomore team, Inda Myers, of the juniors, and Dorothy King, of the seniors. The coaches are Miss McAlister and Miss Reynolds for the freshmen, and Miss Hodges for the sophomores. The coaches for the juniors and seniors have not been elected.

Practice will be held on Spring Street field. The schedule is as follows:

Monday—Freshmen, groups A and B.
Tuesday—Sophomores and Seniors.
Wednesday—Juniors and Freshmen, groups A and C.
Thursday—Juniors and Freshmen, groups B and C.
Friday—Seniors and Sophomores.

Girls' Basketball

Girls' basketball practice has been going along steadily for the past few weeks with about forty girls reporting for practice daily. This is the largest group of girls that have remained out for practice during the entire season in recent years, and the profits of this will be seen next year with the start of the basketball season.

The committee that arranges for the athletic events to take place in the stadium have been very busy during the past few months and at the present time a rather extensive schedule has been planned for that place.

CIVITAN RELAYS WILL BE HELD SATURDAY, APRIL 30

Greensboro Relays a State Wide Meet for North Carolina High Schools

STADIUM SECURED FOR AFFAIR

The Greensboro Civitan relays, a state-wide meet for North Carolina high schools, will be held Saturday, April 30. Director Herbert Parks secured the stadium for the affair.

This is to take the place of the annual Central Carolina track meet which has been held here for the past few years. Hundreds of high school athletes are expected to take part in the various events.

A number of relays will be held in addition to the regular track and field events. Gold, silver, and bronze medals will be awarded the individual winner, while silver loving cups will be awarded the group winners.

Mr. Parks will act as director and referee of the various contests. Other officials will be selected from the coaching staffs of colleges and universities of the state.

COACH ROUTH CALLS TENNIS MEN TO WORK

Mr. Routh, tennis coach, has announced that tennis practice will start as soon as the weather permits, and he requests that all those interested in this sport see him as soon as possible. Mr. Routh has obtained the use of the Y. M. C. A. courts for practice and is very anxious that practice start in the near future as the State Tennis Tournament will be held at Chapel Hill in about three weeks.

Baseball, although still a novelty, is progressing slowly in France. Last year six clubs, made up mostly of Frenchmen, disputed the championship of Paris. Four more clubs have entered the Paris bush league for the 1927 season.
