Johnny Turner Pitches for Greensboro—Lopp Strikes Out 15 Men

BILL FIFE HEAVY HITTER

Five Errors Were Made by Both Teams. Four Consecutive Games Lost by G. H. S. Boys

G. H. S. dropped its fourth consecutive game to High Point High Friday, May 13, at High Point. Johnny Turner, Greensboro's twirling ace, pitched a fair game, while Lopp, port-sider for High Point, struck out fifteen of his opponents. The game was interesting but rather erratic at times, five errors being chalked up by both teams. Bill Fife was the slugger of the afternoon, getting two hits out of three times at bat, one of these being a triple.

SPORTS OF 1926-27

With the elimination of Greensboro from the state championship baseball running *finis* was written to a very successful year in the field of athletics.

The past year, besides finding the local high school ranking well among the leading high schools of the state along athletic lines, also found the development of a wealth of new material in the phases of the different sports entered into by G. H. S.

Athletics got away to a flying start when Greensboro produced one of the finest and cleanest football teams in the history of the institution. Playing the kind of game that sent practically every opponent that they meet down in defeat, this bunch of husky warriors advanced to the western finals only to lose in a heart-breaking contest to "the Fighting Gentlemen" of Charlotte High.

Again in basketball the school won further laurels when both the boys and girls had a very successful season. The boys won three games toward the state championship before being eliminated. At the meet sponsored by State College and held at Raleigh Greensboro went to the finals. The girls, too, considering the scarcity of seasoned material with which the coaches had to work, did splendid work.

Under the expert coaching of Coaches Coletrane and Johnson one of the scrappiest gangs of horse-hide walllopers ever seen on the local diamond was produced.

Track, too, was judged the second best in the state; the boys meeting defeat only at the hands of Charlotte and, then, by a very narrow margin. Several state records were smashed by members of the local team.

Tennis and swimming, also, showed a decided advancement in their fields of sports.

GREENSBORO GIRLS WIN CHAMPIONSHIP

Game Played Yesterday Gives Greensboro Girls Victory in Group Five

CHAMPS FOR SECOND TIME

The girls' championship series in group five was won by the Greensboro nine, on the Buffalo field Thursday, May 19, by a score of 11-10 in favor of Greensboro. The Greensboro star was White.

The score was close until the last of the fourth inning, with Winston in the lead, but making six runs in the fourth inning the Greensboro girls came to the front and remained ahead throughout the rest of the game.

This is the second year in succession that the Greensboro girls have won the championship title, losing only one game this season.

Monogram Girls

Evelyn Rives has the distinct honor of being the first president of the Girls' Monogram Club. Evelyn has been a splendid leader and one of our guiding lights over rough ground. The club will miss her leadership next year, but she has left such splendid ideals that we are sure to feel her influence even after she has gone.

Marion Curtis is our other officer, secretary—and fortunately she is only a junior now; that means we shall have her help again another year. Marion is one of those quiet, unobtrusive workers who accomplishes more than we realize. Always ready—that's Marion.

Rachel Lipscomb comes as nearly being one who goes out for all sports as any girl in school. Her "G" represents a great variety of sports and a great sport wears it.

Miss Dry—"Auntie Blossom"—has been a fine leader for the Girls' Monogram club so that the girls are inspired to do bigger and better things. She has been a sympathizing friend in time of need and a true sport in time of fun.

Marion Geoghegan has been a real asset to the club this year. She comes to us from Reidsville and has joined our ranks in a real sportsmanlike way.

Rose Goodwin has worn her "G" for quite a while now, but never just quite satisfied with her accomplishments, she is going after a "GNC" strong. Hockey is Rose's favorite sport, in which she plays a hard game.

There were quite a few policemen stuffed with pillows and draped in the attire of a cop—Boys wearing hats passed on their way to practice for the operetta, "Pirates of Penzance," which will be given at the National tonight.

Walker, of Greensboro, was high scorer of the meet. She took first place in 75-yard dash, first in hurdles, and third in standing broad jump, making a total of 16 points.

G. H. S. Girls Beat Madison

With a score of 13-2, the Greensboro girls' nine defeated Madison on the McIver field May 10. Pete Wyrick was the umpire.

Monogram Girls

Jane Harris has won more points in athletics than any other girl in school. When she asked what could be done about Jane, some one replied, "It can't be expressed." That's just about true. Jane's pep, vivacity, leadership, basketball ability and all-round good sportsmanship "can't be expressed."

Virginia Douglas is another one of those quiet, unassuming girls who makes life easy and pleasant for the rest of us. We don't understand just how she accomplishes so much without any noise but she does, and a better sport couldn't be found.

Carl Lane Brown is a holder of a junior life saving certificate and also a hockey enthusiast. The only thing we can say against Carl Lane is the fact that she comes from Alabama, but if Alabama grows 'em like her we will forget that fact.

Minnie Herman came to us from High Point this year. She has been a great help to our club and has been willing to do all that was required of her. High Point lost a fine girl when Minnie came to Greensboro, but she has meant a great deal to us, so we are glad she came.

The closing exercises of Oak Ridge public school took place Friday, May 7.

The morning program consisted of music, recitations, and dramatizations. A picnic dinner followed.

In the afternoon two choruses were heard and certificates presented.
