

G. H. S. QUINT LOSES BOTH GAMES JAN. 7 IN DOUBLEHEADER

Midgets Lose to Draper—Score 21 to 17—First Team Plays Leaksville

NO OUTSTANDING PLAYER

Leaksville Outplayed G. H. S. by Score of 22-21—Greensboro High Keeps Leads at First

The Purple and Gold basketball teams were losers in both games of a doubleheader held at Caldwell School on Saturday night, January 7. Both games were very exciting and Greensboro went down in defeat by close scores. In the first game the Purple and Gold midgets went up against the quintet from Draper who proved to be too strong for them and they lost by a score of 21 to 17.

The second game proved to be the climax of the evening. Greensboro led the strong Maroon team from Leaksville by a two point lead at the end of the first half. The second half opened with a rush. Both teams made several goals but Greensboro managed to keep a few points ahead until the last few minutes of play. Leaksville got away for several points and Greensboro went down by the score of 22-21. Both teams showed up well both in guarding and the ability to make goals but there were no outstanding players on either team.

PHOENIX IS CAPTAIN G. H. S. TRACK TEAM

Greensboro High Expects a Successful Season—Track Men Are Now Practicing Daily

MARK LAMBETH IS TRACK COACH

Greensboro High considers herself lucky when it comes to track this year. She has every letter man back and some good men who came over with Pomona students. Carroll Weaver and Herbert Johnson are letter men hailing from Pomona. Besides these two, there are Belinger, Motsinger, Whitehead, Farris, Fruit and Hodgins.

With a fine group of boys and such a good coach as Mark Lambeth, Greensboro is planning to take many honors as the cross-country runners have been working since fall. Many of the track men are working and practicing daily.

Clarence Phoenix will head the track team as captain. He holds the half-mile state record. Greensboro High is proud of Phoenix and is expecting much from him.

Greensboro will enter the following meets: Davidson, Wake Forest, Guilford, Chapel Hill, Civitan (to be held in Greensboro), triangle with High Point and Winston-Salem.

Because Greensboro enters only a small number of boys in these meets, one or two dual meets are being planned with other teams.

Boys out for track are: Lindeman, Williams, Goodwin, H. Johnson, Davant, D. Quate, R. Quate, Brooks, Bilmer, Parker, A. Johnson, Le Forte, Weaver, Taylor, Belinger, Latham, Pope, Phoenix, Horney, Carver, Montsinger, Biggs, Robinson, Burroughs, Brown, Petree, Bowman, Rives, Stone, McLean, Williams, Whitehead, Farris, Fruit, Hodgins.

THOMASVILLE FIVE DEFEAT RESERVES

The Purple and Gold midgets went down in defeat to the Thomasville Orphanage quintet by a score of 27 to 15. The game was interesting and both teams showed good form. Greensboro put in a large number of substitutes but the team from Thomasville Orphanage never seemed to be in danger of losing the game.

Basketball Captain

WYATT TAYLOR

TAYLOR IS CAPTAIN BASKETBALL TEAM

Stars on Basketball, Football, and Baseball Teams—Led Basketball Last Year

PLAYS FORWARD ON TEAM

Wyatt Taylor will be captain of the Purple and Gold basketball team this season. This will be the second year that he has led the Greensboro quintet, and the third year on the team. Taylor plays center and forward and is a good shot from long distance or under the basket.

Besides being a basketball star of renown, he is an excellent football player and a dependable pitcher on the baseball team. He has made his letter for two years in football and also two in baseball. He has proved to be one of the most outstanding athletes in G. H. S. and is one of the few three-letter men.

Taylor is a member of the student council, representing the Boys' Athletic Association. He has served capably although it is his first year on the council.

Last year he led the Purple and Gold basketball team into the final round of the N. C. State College tournament, only to be defeated by Raleigh. In the state championship race the team defeated seven teams before being downed by Leaksville.

LEAKSVILLE VICTORIOUS OVER PURPLE AND GOLD

With Flying Start Leaksville Piles up Points and Ends Contest with Score of 40-22

J. SOCKWELL GREENSBORO STAR

The Greensboro High quintet was defeated last Tuesday night, January 10, by the strong Leaksville cagers with a score of 40-22. In the first few minutes of the contest the Leaksville team got a flying start, and at the end of the first half Leaksville was leading by a score of 18 to 5. The Purple and Gold squad was unable to penetrate the defense of the Leaksville cagers, and lost the game.

Sockwell was Greensboro's best offensive star, scoring 13 of his team's points. On the Leaksville squad Smith caged a total of 18 points, and Crouch followed with nine points.

Lineup:
Leaksville (40) Pos. (22) Greensboro Smith (18)----- (5) Matlock R. F.
Crouch (9)----- (13) Sockwell L. F.
Glass (7)----- (2) Taylor C.
McIver (6)----- (2) Morris R. G.
Barham ----- Morris L. G.
Referee, Reynolds (Guilford).

POMONA LADS GIVE MORE STRENGTH TO BASKETBALL TEAM

Five Letter Men From That School Join Team of Greensboro High

FIFTEEN ON FIRST TEAM

One of Hardest Schedules in Years Is Mapped Out for Gate City—Coach Expects Big Season

Greensboro High's basketball team has become strengthened by five first string men from Pomona. These men, Weaver, LeForte, Nicholson, Nelson and Curtis, were the only men returned from the Pomona squad. The Greensboro High squad now runs up to about 15. Fifteen men, including the Pomona quintet, are on the first squad and play all of the games scheduled for the first team. The remaining 20 men, or the second team, play all of the games scheduled for the second team, including games scheduled for Pomona. Since the addition of the Pomona games, besides the new games that have been secured for the teams, Greensboro faces one of the hardest schedules in years. There is almost an average of three games a week for the boys alone. Although the teams have had a rather slow start this season, much is expected and Coach Parks has high hopes of winning the championship.

Bits-o'-Sport

The Girls' Monogram Club has more than doubled the number of members this year, and three girls have state monograms.

What has happened to the "Cheerios"? There are very few at the basketball games, and there is very little organized cheering.

With the addition of so many stars from Pomona, G. H. S. ought to have championship basketball teams.

What has happened to the "Spirit of G. H. S."? The basketball crowds are mighty small. Is that the love spirit? Let's "back all our teams!"

The basketball scrubs put up a tough fight Saturday night. Looks like a good tea mfor next year, too.

Girls, don't be surprised if Carl Lane Browne grabs you and starts some fireworks, if you have anywhere near enough for a "G," especially if you lack only training or hiking. She's out for at least 20 more monogram girls. She says you'll miss loads of fun by not being in the Monogram Club—as well as plenty work.

BASKETBALL GIRLS HEAR EMILE HODGE

Tells the Girls the Importance of Training for Basketball Games

GIRLS ARE WORKING HARD

Emile Hodge, boys' student trainer, talked to the girls' basketball team Friday, January 6, at the Y. W. C. A. about training for basketball. He brought out the following points: Sleep at least nine hours every night, attend no social events while in basketball training, eat no candy or nuts. The squad has planned to have a first aid girl this year. Rose Goodwin, who has passed the First Aid badge in scout work, will carry a first aid kit to all the games and doctor the girls. Emile has offered to give other equipment for the use of the team.

After this talk Miss Nellie K. Dry made some announcements about the coming games. She also thanked Emile for telling the girls the importance of training.

For the remaining time the girls practiced basket shooting, signals, pass work and squad work.

Miss Dry told the girls that if they work hard she would not divide them and form a reserve team, as she has done in the past. She also is looking forward with great anticipation for a winning team from the girls who have been attending practices faithfully.

GIRLS' MONOGRAM CLUB HOLDS SOCIAL MEETING

Letters Presented—Carl Lane Browne and Rose Goodwin Receive State Monogram

At a meeting of the Girls' Monogram Club January 4, 1928, at Margaret Bowles' on Lake Drive, the new members were received into the club by a special ritual. The president welcomed the new girls and told them the meaning of their letter. "Make it a great honor to wear a 'G,' by making your school the kind whose letter you are proud to wear," she said. After the ritual Miss Dry awarded letters to new members who had not already received them. These were: Daphne Hunt, Elizabeth Leak and Edna Sockwell. The other new member present was Duella Walker.

MISS DRY TELLS OF SUCCESS OF SPORTS GIRLS ARE WORKING

Faculty Advisers Report on Work—Hockey, Hiking and Training Are Popular

MONOGRAM CLUB ACTIVE

Girls Start Basketball—Thirty-five Attend Regular Practice—Ruby Lee Anderson Arranges Games

"This has been the best sport year in five years. The girls have been doing the work themselves and not letting the teachers do all the work," reports Miss Nellie K. Dry. "All sports have been a success."

The hockey season was a great success. Seven games were played and five games were won. Anna Lyon was the hockey manager and Noble Hutchinson was the captain. During the season the team received new uniforms. "Over 30 girls kept training during the fall season. This is a good number," reported Miss Mary Morrow.

The swimming team had a good season. Frances Stern, manager, arranged one game with Charlotte. Twelve girls received 20 points for attending practice.

A number of girls passes off things for points.

"Hiking: Some girls hiked as far as 75 miles. Miss Freeman as faculty adviser and Lillian Hauck as manager helped all the girls in their hiking," reports the adviser.

"The basketball season has just started. Thirty-five girls have been attending practice regularly.

"Ruby Lee Anderson, manager, has arranged a great number of games. It will be a better year than last year because we have more and better material," said Miss Dry.

"The Monogram Club has been very active this year. They have sponsored a reform week and number of other things. There are now 20 girls in the club."

GIRLS' BASKETBALL TEAM HOLDS INITIAL PRACTICE

Training, Good Sportsmanship, Health Examinations, Points Toward Letters Are the Points Discussed

ATTENDED BY ABOUT 30 GIRLS

The girls' basketball squad has started practicing. At a meeting called before the Christmas holidays, Miss Nellie K. Dry, adviser of varsity basketball, brought out the following points: Training, good sportsmanship, health examinations (required), points awarded towards letters for attending practice, and the facts concerning the games that have already been scheduled.

The first practice was attended by about 30 girls. Practices will be held every day except when there are games.

"Many good players are expected," reported Miss Dry, "as there is such a large number of girls out."

Ruby Lee Anderson, manager of the team, has scheduled a great number of games for the team. There will be one or two games played off each week.

GIRLS' BASKETBALL TEAM ELECTS CAPTAIN

Ruth Stinnett was elected captain of the girls' basketball team at a meeting held January 10 in A-2. Louise Thacker and Duella Walker also ran for the office.

Ruth has been a member of the basketball squad for two years. She plays guard on the team. All the members of the squad know that Ruth Stinnett will make a good captain.

After the election, Miss Nellie Dry talked to the girls about the game to be played that night. She read over some of the rules of basketball.
