

FIRST CHAMPIONSHIP GAME WON BY G. H. S. HAW RIVER HIGHS

Captain Taylor Exhibits Star Playing—Sockwell Forced Out by Ankle Injury

LARGE CROWD ATTENDS

Greensboro Captain and Bullard of H. R. H. Take High Score Honors; Played at Caldwell Gym

Greensboro High basketballers got away to a flying start to defeat Coach Frazier's quintet from Haw River by a score of 26 to 14 on Friday, February 12. This game, the first of the championship series, was played at Caldwell school, and was witnessed by a large crowd.

The first quarter opened with a rush, and by stellar passing and goal shooting, Greensboro led their opponents by a 10 to 0 score at the end of the quarter.

Sockwell, star forward on the Purple and Gold team, injured his ankle and was forced out of the game.

The second and third quarters ran rather slowly. Haw River seemed unable to break through the strong Greensboro defense and resorted to long shots.

In the fourth quarter Captain Taylor gave a good exhibition of his star playing, and Greensboro's score rolled up as a result.

Bullard proved to be the star as well as high scorer for his team, while Taylor took these honors for Greensboro.

The line-ups:

TRACK MEETING HELD IN SCHOOL CAFETERIA

All boys interested in track were invited to a meeting held in the cafeteria, Thursday, February 9. About 40 boys attended this meeting, some of them being members of last year's track squad.

Mr. Lambeth, the track coach, talked to the boys about the benefits derived from track. He stressed points such as training, passing work, and necessary amount of work on the track. The first meet has been arranged with the Carolina freshmen. Following this the track team goes to meets at Davidson, Carolina, Wake Forest, and the Civitan meets held here.

He closed the meeting by having all the boys present put their names and the events in which they are interested on a piece of paper.

LOCAL GIRLS LOSE TO SALISBURY TEAM

The Greensboro girls' basketball team lost to the Salisbury girls Friday night at Caldwell gym by a score of 46 to 25. The G. H. S. team showed good work, but the Salisbury team was too fast for them.

At the end of the first quarter the score was tied, but the visiting team took the lead in the second half. Greensboro played hard in the last quarter, but it was too late.

Thacker was outstanding for Greensboro, making nine points, closely followed by Payne and Goodwin, both making eight points. For the visiting team, Putt and Foil starred.

PLAN ATHLETIC PROGRAM

The Girls' Monogram Club held its regular meeting Saturday, February 4, at the home of Rose Goodwin on Cypress Avenue. There were 13 members present.

Ways of making money for the Monogram Club were discussed. They decided to have a rummage sale, Saturday, February 11. Each girl was asked to be responsible for rummage from five people. They decided to have a short meeting Friday, February 10, after school to make further plans.

An athletic program to explain the Girls' Athletic association to new girls at G. H. S. was planned for Friday, February 10.

Rachel Lipscomb, president of the Girls' Athletic Association, is to preside during the program. The following girls were selected to explain various sports and activities.

Duella Walker, training.
Lillian Hauck, hiking.
Anna Lyon, hockey.

BOYS' BASKETBALL TEAM LOSES TO A. H. S., 47-20

In Second Games Greensboro Again Loses to Asheville With Score of 20-9 on Saturday, Feb. 3

The boys' basketball team with Coach Parks and Manager Charles Shoffner left Greensboro Friday morning, February 3, to play Asheville High.

Friday night the Asheville High's fast play swept the Purple and Gold players off their feet to win 47 to 20. In the first five minutes of play, Asheville had run the score up to 11 while Greensboro was still trying to ring a goal. Taylor scored the greatest number of points for the visitors.

On Saturday night, February 3, the Greensboro High basketball team rallied too late and enabled the Maroons to take a second game by a score of 31 to 27. Asheville started out to make it a runaway game, but Greensboro, after trailing miserably, 12 to 2, braced up to finish the first half with a score of 20 to 9. In the second half the Maroons were taken off their feet by the dashing attacks. In the final half, Greensboro's score crept almost up to that of Asheville's, as the boys fed Sockwell the ball.

The Asheville student body entertained the G. H. S. quintet at a dance in one of the girls' homes. Transportation was furnished for everything, and the team went sight-seeing during the day. "They certainly were nice to us while we were there," said the manager.

G. H. S. INAUGURATES MAT AND MITT TEAM WITH GOOD LINE-UP

Will Probably Be Permanent Sport at G. H. S.—Coached by Coletrane and Redway

PRACTICE DAILY AT 'Y'

Wrestlers for First Meet: Bell, Hodge, Cates, Brooks, Justice, Whitworth; Bill Hobbs Is Manager

For the first time in the history of G. H. S. this institution has turned out a wrestling and mitt team. It is more or less of an experiment, but from the signs at present it will probably be a permanent feature. Just how good the local lads are, is not yet fully established, but some likely looking boys have been coming out.

The mat and mitt artists are working out in the "Y" gym every afternoon under the direction of Coaches Coletrane and Redway, both competent instructors. Emil Hodge is the most outstanding of the grapplers, while McLean and Motsinger are speedy, clever leather pushers.

The probable line-up for coming meets is: Bell, Hodge, Cates, Whitworth, Brooks, Justice, for the wrestlers; with Hunt, Faison, Quate, Smith, Motsinger, McLean and Justice for the boxers. Bill Hobbs is managing the outfit.

Last Tuesday the lads had their initial meet with Winston. Two or three more engagements have been slated.

Sportlights

A number of new sports have been added to the athletics at G. H. S. in the past few years. The youngest sports are: Field hockey, soccer, wrestling and boxing. This year they have all gained recognition. With so many different sports there should be more people participating.

Come on out for track, boys, don't have that "I do not choose to run" spirit. Coach Lambeth said the other day, "A man gets out of track just what he puts into it." Why not show him what you are made of unless you are ashamed of yourself.

If you want to see a fast basketball player, go to one of the girls' games and watch Duella Walker when she is after the ball. She is everywhere at once.

Louise Thacker has made herself famous for turning a backward somersault over the ball on the basketball court.

If you want to see some graceful and accurate long shots, go to the games and watch John Sockwell shoot goals.

The wrestling team nearly doubled its squad when it was learned that the team would be admitted free to the "Wrestling and Boxing show" held here last Tuesday night.

Three very important changes have been made in the gridiron code for 1928, concerning the lateral pass, the forward pass, and the muffed punt. These were announced on February 6. They were designed to avoid confusion growing out of former rules. These new rules state:

1. A lateral pass must be passed at least two yards and it may be recovered by the defensive side if grounded, but it cannot be advanced.

2. A fumbled punt may be recovered by the kicking side but may not be advanced.

3. No player on the side making a forward pass and who has crossed the line of scrimmage may interfere with an opponent until the ball has been touched.

PHOENIX PRESIDES AT CLUB MEETING

Party to Be Given With Part of Money Received from "The Sophomore"

POMONA BOYS MEMBERS

The G. H. S. Boys' Monogram Club had a meeting Wednesday, February 8, at chapel period.

The main topic of discussion was what they should do with the money made last year on their play, "The Sophomore," which amounted to about one hundred dollars. They decided to give a party with twenty-five dollars. Theron Brown, Wyatt Taylor, Ed Davant, and Clarence Cone were appointed as the entertainment committee. They decided to give the remainder of the money to the Athletic Association.

The boys have decided to have a meeting every other Tuesday. On these days the boys are requested to wear their monogram sweaters.

The Pomona boys who won their "P" at Pomona are honorary members of the G. H. S. club although they don't wear a "G."

The initiation of the new members was planned for Monday night, February 13.

There is a large increase in membership in the Boys' Monogram Club, with Clarence Phoenix as president and Bill Petree as secretary. Wyatt Taylor has the distinction of being the only three-letter man at G. H. S., having won letters in baseball, basketball, and football.

LIPSCOMB CONDUCTS ATHLETIC MEETING

Monogram Club Presents Program to Freshmen and New Students and Explains Purposes

The Girls' Athletic Association gave a chapel program Friday, February 10, in the lunch room. This program was planned and sponsored by the Girls' Monogram Club. Only the freshmen and new girls came, since it was for the purpose of explaining the Girls' Athletic Association to the new girls.

Rachel Lipscomb, president of the Girls' Athletic Association, presided. Various members of the association gave talks on the different phases of girls' athletics. Training, hiking, and citizenship were especially stressed, since so many girls have the required number of points for their monograms, but lack the training and hiking necessary.

The president of the Girls' Monogram Club explained the objects and meaning of the club and urged the new students to help support the teams of G. H. S. She closed by reading "The Prayer of a Sportsman."

LEAKSVILLE DEFEATS GREENSBORO HIGH FIVE

Friday night, February 16, the Leaksville girls defeated the Greensboro team by a 27 to 15 score. At the quarter and half the score was tied. The visiting team picked up in the third quarter and started a passing attack that the Greensboro team could not hold up against.

Thacker was outstanding for Greensboro, making nine points for her team. All forwards on the Leaksville team starred.

The team is making some changes in the lineup in preparation for the game with Burlington.

GIRLS' HOCKEY TEAM ELECTS THRAILKILL FOR NEW MANAGER

Joy Thrailkill Played Guard on Varsity Last Semester—Also a Good Student

TALK BY RETIRING MGR.

Miss Dry Says Team Has Fine Prospects for Next Year, as Only Two Members Graduate

Joy Thrailkill was elected manager of the girls' hockey team at a meeting held in B-1 on Thursday, February 9, at chapel period. Anna Lyon, who was manager last season, presided. She made a short talk, stating the importance of electing a lower classman so that the team will have trained leaders after the present semester seven graduate. There are a number of players in this class who will leave after the next season. She also stressed the fact that the manager must be a good sport and a good example to the team.

Joy played goal guard for the varsity last year and was always a steady and hard hitting player. She is not only an asset to the hockey team, but also a good scholar as her silver star shows. She thanked her teammates for their faith in her and said that she would do her best.

Last season the hockey squad made an excellent showing by winning every game except those with Winston. Next year there will be several more teams on their schedule. The players will be helped greatly by shin guards, an important part of their equipment which has been lacking before. "Greensboro has a fine chance of winning all the games next year," said Miss Dry, "because only two members of the squad are graduating. A number of girls who have had training in grammar school should give added strength to the team."

G. H. S. QUINTET DEFEATS REIDSVILLE BASKETEERS

Captain Taylor Was Unable to Play on Account of an Infected Finger

NICHOLSON AND SOCKWELL STARS

The Greensboro high quintet defeated the fast Reidsville five by the close score of 15 to 10 at Caldwell gym on Monday night, February 6. Both teams showed excellent team work and few goals were scored as a result.

Capt. Taylor, leader of the Greensboro five, was out of the game on account of an infected finger, and his stellar playing and leadership were missed by the team. The second and third string men were used throughout the game by Greensboro. Nicholson and Sockwell were the shining lights for G. H. S., while Dickerson and Partlow showed up well for Reidsville.

The G. H. S. scrubs defeated the Caldwell Grammar School by a score of 22 to 10 in a game preceding the Reidsville game. The reserves proved too strong for the grammar school team, although they played hard until the end.

CHAMPIONSHIP GAMES WILL START SATURDAY

The conferences to arrange the schedules for the girls' basketball championship games will start February 18. The district No. 5 will be held at G. H. S. Miss Olive Smith, of Winston-Salem, is chairman of this district.

Representatives from the following counties will be present: Stokes, Rockingham, West Chatham, and Guilford. Coaches from the various schools are asked to bring in the certified list of players. There is no state championship for girls. Winston-Salem won the district championship last year.
