

GREENSBORO TRACK TEAM WINS CIVITAN MEET AT STADIUM

Charlotte Wins Second Place. High Point and Asheville Take Third and Fourth

BROWN IS HIGH SCORER

No Records Are Broken Because of the Biting Cold Weather—Phoenix and Goodwin Take Two Firsts

Greensboro High track team won the sixth annual Civitan track and field classic held at the World War Memorial Stadium, last Saturday afternoon. During the whole contest a biting wind chilled the contestants, and made running difficult.

Some two hundred athletes from more than a dozen schools, representing all sections of the state, appeared Saturday to compete for the team and individual trophies awarded to the winners.

Due to the large number of entrants it was necessary to run off heats in practically all track events. This, combined with the inclemency of the weather, prevented the breaking of any records, though most of the "times," and the distance "times," were very good.

Theron Brown, as usual, was high scorer, capturing 20 points: first place in the discus, first in the shot, first in the javelin, and first in the broad jump. Clarence Phoenix scored 10 points, taking first in the mile and first in the half-mile. "Red" Goodwin also scored 10 points, capturing first place in the 100-yard and 220-yard dashes.

The final score was: Greensboro, 64; Charlotte, 55; High Point, 26 1-4; Asheville, 14 1-2.

The meet was run off in a very competent manner, spectators being kept in the stands.

BOYS' TENNIS TEAM WINS IN EVERY MEET SO FAR

Sockwell and Andrews Considered One of the Best Double Teams in the State

SEVERAL GAMES ON SCHEDULE

The boys' tennis team of G. H. S. has played three matches this year. The members of the team are: singles, John Sockwell, Clyde Andrews, Joe Hendricks, R. J. Whittington, Lyon Holmes, Bernard Money, Charles Crews and Jack Kleemier. There is no set doubles team. They change around to give every boy a chance.

The games so far have been: Burlington at G. H. S. Greensboro won, four to two. Greensboro also defeated Guilford. In another match with Winston-Salem, G. H. S. won.

The schedule included: Greensboro at Winston-Salem on April 25, Charlotte at Greensboro on April 26, and later there will be matches with High Point and Oak Ridge.

John Sockwell and Clyde Andrews are considered one of the best doubles teams in the state.

WHY THEY WON

The track team of G. H. S. has a story behind its state championship. Looking over the buildings when these athletes go to school, one can see many interesting features which have aided them in their success in the field. Immediately behind the school is a well kept track although it does belong to the railroad. With so many flights of steps it is necessary to hasten one's steps in order to get to class on time, and the rush to lunch is a splendid opportunity for cross-country runners. The creek beyond the train tracks trains broad jumpers who are on their way home to lunch. The penalty for failure is wet feet or a sudden bath. Race horses sleep in barns and at high school many track stars do the same.

Miss Nellie K. Dry, science instructor and director of girls' athletics at G. H. S., came to Greensboro High School from Concord, N. C. Miss Dry graduated at Lenoir-Rhyne with an A. B. degree.

Miss Dry has been very active in promoting the activities of the G. H. S. students, especially girls' athletics. She was very active in organizing the local association as well as the state association, of which she is now secretary.

Miss Dry, or "Auntie Blossom," as she is called by many of the girls, was responsible for the organization of the Girls' Monogram Club.

She was head chairman of the circus given at Greensboro High School last fall, for the purpose of starting a Community Chest fund for G. H. S.

Miss Dry has been a faithful worker for athletics at G. H. S. She has coached the girls' basketball team for several years, but was relieved by Mr. Stanley Johnson last fall, since her health forced her to give it up.

"Auntie Blossom" has been an inspiring leader, a true friend, and a good sport for the students to follow ever since she has been among them.

GIRLS' BASEBALL TEAM DEFEATS GUILFORD

Teams Are Evenly Matched in First Part of the Game—Walker and Tye Play Well

The girls' baseball team met the Guilford High team in the first championship baseball game on McIver field, Saturday, April 14. Both teams worked hard and were evenly matched in the first part of the game. At the last, however, the Greensboro squad succeeded in taking the lead, and finally ended with an 11 to 6 score in their favor.

The stellar playing of Walker and Tye for the Purple and Gold, and of Marshburn and Meacham for Guilford were main features of the game.

Thus far, the Greensboro girls have played well and won four games, losing one game to Winston-Salem. For the past three years, in spite of many handicaps, Greensboro girls have won the championship in baseball, and they seem to be well on their way to another championship for G. H. S.

The track team left Wednesday for College Park, Maryland, to compete in the South Atlantic track meet. This is sponsored by Maryland University each year. Last year the team was fourth with only two men participating, Clarence Phoenix and Theron Brown. The school is looking for Coach Lambeth's men to bring back many laurels, if not first place.

GIRLS' BASEBALL TEAM DEFEATS HIGH POINT HI

Teams Are About Evenly Matched—Batting of Locals Is Superior to That of Visitors

PLAY WINNER OF OTHER GROUP

In a hard fought, fast game, the Greensboro girls defeated the High Point baseball team with a score of 12 to 4. The game was played Thursday in Greensboro.

As far as field work was concerned the two teams were about evenly matched, but the superior batting of the Greensboro girls won the game for them. The High Point team showed good team work, Stout being their outstanding player.

Though there was no outstanding player for Greensboro, they played well as a whole and worked together, showing the best team work of the season.

Winning this game, which was the second of the championship, entitles G. H. S. to play the winner of the other championship group.

SPORT LIGHTS

Nap Lufty is playing third base on the varsity at Carolina. Class '25.

Jimmie Maus, former G. H. S. star, is regular catcher for the Tar Heels this year, beating a letter man out for the position. Class '26.

Where is the G. H. S. pep? The baseball teams deserve the support of the whole student body. Back your team!

Greensboro has added another state championship to her list. The first state track championship in the school's history has been won by the boys' track team.

Our cup is running over, or at least G. H. S. is running off with a number of cups. The music contest, the track team, HIGH LIFE, and *Homespun* have all brought back a good many trophies.

The requirements of a good cheerleader are: someone with plenty of pep who can make the rooters feel as he does; a real leader, and someone who can get the students to go to the game the whole year and not just during one season.

Purple and Gold Track Team Owes Its Success to Present Coach

WAS STAR AT CAROLINA

The Purple and Gold track team, state champions of this year, owe much credit for their success this season to their coach, Mark Lambeth.

Coach Lambeth has been connected with the Greensboro squad for two years. In this time he has developed the first championship track team G. H. S. has ever known.

Lambeth, before coming to Greensboro, was a star athlete at Carolina. He was a member of the Carolina track team for four years, making three letters during this time. In his sophomore year he held the state record for the two-mile and broke the state record in a dual meet with Georgia.

In his junior year Coach Lambeth was elected captain of the cross-country team at Carolina. This team won the championship of the state.

Besides track, Coach Lambeth has participated in other sports, such as baseball and basketball.

Coach Lambeth is well pleased with his squad of track men and states that he believes them to be the best bunch of high school track men ever to be assembled in N. C.

There are plenty more baseball games to be won, "with" the backing which has not been given; however, the team hopes to hear and see more backing in the championship series. Track and football are supported and they win, so give the baseball teams support and they will win.
