

FACULTY VACATIONS

Some of the teachers of Greensboro High have revealed their plans for the summer vacation months. A reporter has been able to secure the confidence of most of the teachers and they are willing to enlighten the student body along this line. Evidently some have not had enough school during the past nine months and so they plan to spend the summer months in study.

Five members of the G. H. S. faculty will do graduate work at Columbia University. Miss Ione Grogan is expecting to complete the requirements for an M.A. degree. Mark Lambeth and J. A. Farthing will take a six weeks' course at the university. Miss Estelle Mitchell will study French at the Columbia summer school. A. P. Routh will spend the first part of the summer in Cuba and the latter part in New York at Columbia University.

Other teachers intend to study at various colleges. Miss Rena Cole will study at the University of Georgia and Miss Virginia Hollingsworth at Emory University.

J. H. Johnson will start work on an M.E. degree at U. N. C. While at Carolina he will specialize in dramatic work. The latter part of the season he plans to spend seeing plays in New York.

Several teachers plan to teach in summer schools. Miss Margaret Bridgers will be a member of the faculty of Tarboro High, and Edgar Allred will be at the N. C. C. summer school.

Greensboro High has a number of teachers who are as eager as students for this vacation period to begin. This is evidenced by their plans. Miss Mary Morrow seems very anxious to become better acquainted with the "handsome Indian braves." She will spend the entire summer at her mountain cabin in Smoky Mount, N. C. The site is adjoining the National Indian reservation by the Acara Luffy river. Misses Mary Blackmon and Lily Walker will not divulge all the secrets of when and why they contemplate a trip to New York.

Three teachers believe a rest is necessary after the nine months at G. H. S. Miss Sarah Lesley will spend her time at her home in Lake Junaluska. Miss Amy Caldwell will be at home in Wytheville, Va. Miss Mary Wheeler will rest at her home in Mayfield, Ga.

Miss Fannie Starr Mitchell plans a summer of varied activities. After work at Columbia, she will spend the remainder of the summer at Wrightsville Beach. Miss Laura Tillett will see Europe during her vacation, returning here in time for school.

Coaches Stanley Johnson and Homer Coletrane have signed up with the Goldsboro baseball club of the Eastern Carolina league.

These are all the facts revealed to a HIGH LIFE reporter. The reporter says there is a possibility that the others' plans are not ready for publication.

LOCAL GIRL SCOUTS CELEBRATE BY TEA ON FIRST BIRTHDAY

Refreshments of Punch, Sandwiches, and Mints Are Served Guests

MOTHERS ENTERTAINED

Program Given by Scouts Illustrating Their Work, Including First Aid and Signalling

Troop 5 of Girl Scouts of West Market Street Church celebrated their first birthday Monday, May 14. The celebration took the form of a tea which was held in the club room of the church. Just one year ago May 13, Miss Marion Gilmer started organizing a new troop of girl scouts in Greensboro. The troop has progressed rapidly, having now a total of about 50 scouts, which are divided into six patrols with around eight or nine scouts in each division.

The Woman's Missionary Society of the church and also the mothers of the scouts, were invited to the tea. Punch was served with sandwiches and mints. The church was decorated with blue and gold crepe paper and bluebirds. The bluebird is the emblem of the troop; blue and gold are the colors. There were 15 tables with blue and gold crepe paper as a cover with flowers in the middle of each table.

A program was given by the scouts on the first aid merit badge and signalling. The brownies, the scouts under 10 years of age, sang their smile song and later on all the scouts sang a farewell song to their visitors. After the program there was an exhibit of the scout work during the past year. There were also many pictures which were made by the scouts, on exhibit.

BULOVA WRIST WATCH TO BE GIVEN GRADUATES

Mr. Ned Cohen, at the Jewel Box, has announced that he has installed a large clock in his window with the names of all the graduating seniors on the minute spaces. The clock was started Saturday, May 19. It is an eight-day clock and it will run down sometime on Saturday, May 26. When the clock stops, the hour hand and the minute hand will point to a boy's and girl's name. To these two will be given a Bulova wrist watch.

Mr. Cohen says that the lucky boy and girl who receive the watches will not have to buy anything. The clock and prizes are on display in the window of the Jewel Box.

HISTORY UP-TO-DATE

(Brutus meets Caesar on the street)

Brutus: Ho! My Lord.

Caesar: Eh, what, friend Brutus?

Brutus: Why art thou walking this morning?

Caesar: Alas, my faithful Ford has stripped her gears.

Brutus: Then I will walk with thee.

Caesar: Step lively then as I have a date with Cleopatra at noon.

Brutus: What dost thou think of this companionate marriage?

Caesar: It's the bunk! Yet very popular with the younger set.

Brutus: My daughter Octavia is planning to marry her boy friend, Marius, under this companionate agreement. What shall I do?

Caesar: Very simple, my friend; just refuse to buy her that "Stutz Black Hawk Special" she has been begging for, unless she gives up this foolish idea.

Brutus: Thou knowest thy raspberries, O Caesar.

Caesar: Thanks. Say, I am giving a red-hot dance for my beloved tenth legion tonight. Comest thou?

Brutus: I shall be present. Farewell, Caesar.

Caesar: Farewell, friend Brutus.

Two Members of Graduating Class Nationally Recognized for Their Work in Scouting

DICK CANDIDATE FOR TRIP

Scout Cone Attended Camp Director's Course at Augusta, Ga., Receiving Highest Life-Saving Honors

Two seniors of G. H. S. graduating class of spring, '28, have recently distinguished themselves in the scout field of activities.

Robert Dick Douglas, Eagle scout with gold palms, has been called to New York by telegram from Chief Scout Executive James E. West. Dick, along with six other boys scouts, will be personally examined by a committee composed of George Palmer Putnam, Col. Roosevelt and Mr. James West. Two of these will go on a trip to Africa with the Martin Johnsons, famous naturalists. The trip is sponsored by Mr. Putnam.

Each of the councils of the United States sent in their nominations and two candidates are to be selected. These candidates are to be judged on their scout work, school work, physical fitness and journalistic ability. Dick has proven satisfactory in these and Mr. James Geeslin, scout executive of Greensboro council, says "Dick has a good chance of being one of the two to make the trip."

Dick graduates this June and expects to enter Georgetown University at Washington, D. C.

The other notable is Clarence Cone, also an eagle scout with gold palms, who has been outstanding in his scout and school activities.

Clarence, with Mr. Geeslin, and Scott Robertson, assistant scoutmaster of Troop 5, went to Augusta, Georgia, to attend a camp director's course.

G. H. S. DEBATERS HOLD LAST MEETING OF YEAR

The Debating Club held its regular weekly meeting Friday, May 11. A bill for discussion, 'Resolved, that the president of the United States should be elected for a term of six years and should be ineligible for re-election,' constituted the program.

Eric Whitworth argued that there was no need of changing the existing system, that there were no advantages in the proposed plan. Ivey Groome spoke in favor of the bill, maintaining that presidential elections were disturbing to economic factors. Harold Cone argued against the bill.

Henry Biggs proposed an amendment, but it was defeated.
