

# WHIRLWINDS TACKLE ROANOKERS

## DOUG DICKERSON AND W. A. BURCH BACK IN GAME

Tilt Will Be Held at Roanoke; Kickoff Is Scheduled for 3 o'Clock.

The Purple Whirlwind football eleven will again risk its undefeated, unscored-on record for this season when it travels to Roanoke, Virginia, Saturday, to tackle the Roanoke Magicians. The game will be played in the afternoon, with the kickoff set for 3 o'clock.

Although this is a non-conference game, its importance is none the less great, as the Roanoke Magicians are a tough lot and will furnish a final test of the Whirlwind strength before they meet their age-old rivals, Charlotte, here next week.

Both Dickerson and Burtner, who were out of the game last week because of illness, will be back in the line-up, adding strength to the Purple and Gold team as it attempts to ribbonize the Roanokers. The line will be boosted by the return of W. A. Burch to his end post.

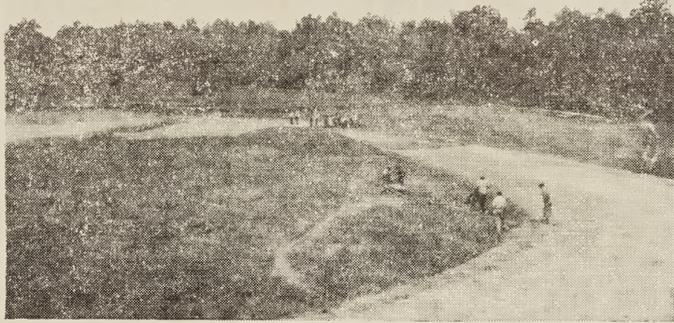

From all indications, Roanoke is the strongest opponent on the Whirlwinds' schedule this season. Head Coach Jamieson and Line Coach Day are both of the opinion that if the purple squad defeats the Roanokers, it will stand an excellent chance of capturing state titular honors.

Bear, captain of the Roanoke team, and Minton, heavy tackle, are two linemen who will be a constant threat to the Greensboro line. Also, in the Magicians' backfield, two boys who are going to be hard to hold are Lasch and Monyham.

The boys who will probably see most of the action for Greensboro are Hendrix and Burch, ends; Smith and Sawyer, tackles; Captain Ginsberg and Reddick, guards; George, center; Dickerson, quarterback; Wolfe and Dempsey, halfbacks; Trull, fullback.

Hipp will undoubtedly do his share in the tackle position, alternating with Sawyer. Crabtree will share the pivot position with George, and Charlie Calhoun, who has recovered from a slight injury received in the Durham game, may start at fullback.

### Track Nears Completion

Contrary to hallowed traditions, the WPA is making rapid progress on the dirt oval which is being constructed near the north end of the Administration building, and which will be used for track practice.

## Locals to Play Charlotte At Stadium Next Friday

### SQUAD IS READY

This Game Always Considered Football's Seasonal Classic.

Greensboro High will engage Charlotte here next Friday in what is considered the seasonal football classic. In the past when these two teams have gotten together to push the pigskin, and each other, around the gridiron, enthusiasm always hits a new high in both schools concerned. On this occasion the Whirlwinds will be out to revenge the 18 to 6 defeat handed them at Charlotte last year.

Charlotte, again, has a strong team as is witnessed in the score of three previous games played against Barium Springs, Richmond, and Rock Hill, S. C. However, judging from the gridiron antics of the Purple and Golds so far, the Charlotte boys shouldn't expect too much.

### CROSS-COUNTRY TEAM STARTS HARD SEASON

Walter Miller and Robert Royal are expected to lead the cross country team this year, due to their experience and good work in past semesters.

The boys who began training last week for this sport, under the direction of Mr. Herbert Hucks, are Walter Willis Miller, Robert Payne, James Bowin, Ben Crawford, Robah Neeley, and Aubrey Apple.

Mr. Hucks stated that a schedule for the team has not been finished, but he hopes to have it completed soon.

### GIRLS' BASKETBALL GETS UNDER WAY

Girls' sophomore basketball practice began this week, under the supervision of Miss Causey. There were 31 sophomores, 17 juniors, and seven seniors who signed, making a grand total of 55.

After two weeks of the sophomore practice, in which Miss Causey will attempt to find varsity prospects, a regular schedule will be made for the juniors and seniors.

Intramural teams will then be formed, and from these the varsity members will be picked.
