

Sportsman's Holiday

By **EARLE HOLLIDAY**

FOR THE PAST few years all of the Greensboro-Durham gridiron games have proved good, close encounters, and the one tonight will be no exception. Everyone able to get a ride should go over to the game and cheer the local boys to victory. The last out-of-town game was somewhat too far for the school to send a large crowd, but G. H. S. should have a good representation at Durham tonight.

TONIGHT WHEN the local eleven takes its place on the field, it will oppose one of the largest teams in the state, Durham. The Bulldogs will have a line averaging nearly 200 pounds, with the backfield around 170 pounds.

JUDGING FROM ITS games with Davidson and Clemson, whenever State college needs to score, they should send in Douglas (Curly) Dickerson, former Whirlwind backfield ace. In both games the Wolfpack was unable to cross the goal line until Curly took over.

THIS FAR THIS season injuries have hampered the Whirlwind squad. But finally the sun began to shine for Coach Bob Jamieson. Bob Pondren is back in harness after missing several of the early games; Jack (Butch) King's arm has healed, enabling him to see first action of the season against Children's home, and Buddy Mulligan will be back in action tonight against Durham. Thus, the team will be at full force when it opens conference play next week with Gastonia.

State-Newberry Game Features Senior Day

Close on the heels of the annual high school day at Carolina comes the news of State college's senior day, Saturday, October 25. Seniors from all high schools in the state are invited and will be the guests of the college at the Newberry-State football game in Riddick stadium Saturday night. Bands from all schools will also be welcomed. Receive tickets at Y. M. C. A.

Visiting students will register and receive tickets at the College Y. M. C. A. College seniors will take their guests in tours over the campus during the afternoon as the laboratories, shops, and classrooms will be open for inspection.

Those students interested in technological training will be shown in that department of the college.

Games Bring Tie, Defeat To Local Reserve Team

Losing one and tying one Saturday night, October 4, the "Rambling Reserves" of Greensboro high stand with a record of one win, one loss, and one tie. A reserve team, under the direction of Coach Vernon Lamb, tied a strong Lexington "B" squad 6 to 6 at the Holt-Moffet field, while another reserve eleven lost to a Children's home junior varsity 7 to 6 under the lights of Memorial stadium.

Extra Point Wins Game

Both reserve elevens from Greensboro outplayed the opposing squads, but failed to outscore either of the opponents. An extra point in the Greensboro-Lexington game would have meant victory for either team, while an extra point for Children's team was the margin of triumph.

The two games were staged for the benefit of the soldiers in this section of the state, and each succeeding week until December, similar entertainment will be provided for the doughboys.

Whirlwinds Trounce Methodist Gridsters

Greensboro's Whirlwinds kept an undefeated record clean last Friday night by trouncing a fighting Children's home eleven, 14-0, at Memorial stadium.

The purple linesmen almost stole the show from the Greensboro backfield, blocking two Orphanage punts which put the locals into scoring position both times, and by stopping the visitor's reserves before they got started.

Locals Score On Pass

A partially blocked kick early in the game started the locals first drive which ended with a pass from Jack Dempsey to Harold (Skinny) Brown. The final score came the next time Greensboro got the ball on a blocked punt by Watson Edmunds. Dempsey went through the line six plays later for a touchdown. After each score, Garland Wolfe's true toe added the extra points.

Back field honors of the night went to Dempsey and hard-charging Bob McFarland.

Greensboro Whirlwinds Discover New Talent

According to the list of players posted on the office bulletin board, Greensboro high school's Purple Whirlwind squad has some new members!

Yes, it's true! The Winds have three new players. Where could the team mentors have discovered these new stars? Will they steal the places of "ye olde school's" pet players? Will they rise to fame and place Greensboro on the lists of "cradles of famous grid stars"?

Who knows? But these new stars should become great! For in the midst of regular players' names for the Rocky Mount game were those of: J. Day, R. Jamieson, A. Routh.

The debating club held its first night meeting last night.

Winds Open Defense Of Conference Title Against Green Wave

After meeting four Eastern teams, Greensboro's Purple Whirlwinds open defense of its Western conference title against the Gastonia Green Wave next Friday night under the arclights of Memorial stadium.

The Green Wave suffered at 45-6 defeat at the hands of the Whirlwinds last year. However, the locals will be heavily favored to run up a high score on the visitors again this year.

Salisbury Beats Wave

In its first conference game, Gastonia was thoroughly tounded, 27-13, by the Salisbury Yellow Jackets. Outstanding for the Wave was Carl Sheppard, who scored both of their touchdowns on long runs of 80 and 61 yards. The standout of the visitors line will probably be Walker, a tackle.

The local line will be ready for any thing in offense the Wave can offer. Boasting one of the strongest forward walls in the state, the recent addition of Jack King gives added reserve strength for Garland Wolfe and Jim Groome at the guard post. Three outstanding players will be ready for action at either line post. Bob Campbell, Louis Allen, and Watson Edmunds at the tackle post, and Marshal Adams, Harold Brown, and Jim Anthony on the flanks.

William Coulter, graduate of 1941, is attending Guilford College.
