

Sportsman's Holiday

By EARLE HOLLIDAY

THE GAME THIS AFTERNOON between the High Point Bisons and the Winston-Salem Black Demons of Reynolds high will settle the final outcome of the Western conference title race between the Bisons and Coach Bob Jamieson's Purple Whirlwinds, but regardless of the result there remains no doubt in anyone's mind as to the rightful winner. After the thorough way the Whirlies took their opponents through the cleaners last Friday, there should be some way to get them in the championship game at Chapel Hill, despite their upset loss to Salisbury. A look at the statistics of the game shows more clearly than the 47 to 0 score the difference in the two teams fighting for the play-off berth. The Winds picked up 320 yards rushing to High Point's loss of 8. The Pointers gained 25 yards through the Greensboro line but were thrown in reverse for 33 yards by Jim Day's linesmen. The Bisons did do a little better by the air lanes, when Albert (Face) Evans completed four out of 10 passes for 25 yards. The catch here is that three of these completions were to Greensboro players.

The final score of the game should have been two touchdowns more than it was. Buddy Mulligan, on his famous reverse, picked up 39 yards and a score, only to have it called back because of an off-sides penalty. Another Whirlwind drive carried to the High Point one-yard line.

IT WOULD BE ALMOST impossible to name any one person as the star of the game, but probably one of the most important factors in the triumph was the spirit the entire team exhibited. It would have been hard for any team in the nation to beat the Whirlies that afternoon. The entire front line showed its starring quality by stopping all of the opposing backfield gridsters before they had a chance to gain any yardage. Jack Dempsey, by virtue of his 85-yard runback of the second half kick-off and his three other touchdowns, ruled as the outstanding backfield man on the field, with Tom Aydelette, Buddy Mulligan, Bob McFarland, and the other Greensboro backs close behind.

A LITTLE LATE, but better than none at all is this corner's congratulations to Coach Bob Jamieson and the new addition to his household. If he will be able to play football as well as his dad can coach it, we'll be looking for an all-American back from Greensboro in about 20 years.

WHILE WE'RE HANDING out bouquets, here's one to Co-captain Tom Aydelette for the ball-carrying he is doing now. One of the best defensive backs in the state all season, Aydelette didn't come into his own on offensive until the Winston game. From then on, he has been running the ball like an all-state back, making him one of the most dangerous men to the opposition in the local backfield.

Tentative Plans Made For Reidsville Game

The curtain will fall on Greensboro's 1941 football schedule next Friday, when the locals either play at Chapel Hill for the state championship game or entertain Coach Hap Perry's forces of Reidsville at Memorial stadium.

Reidsville has one of the major Class B football clubs and will give the Whirlies a real battle. The Golden Lion's offense is led by Nick Sacrinity, a possible all-state back. Claude Gentry, 160-pound end, is Perry's mainstay in the forward wall.

Both Clubs Beat High Point.

In the first game of the season, Reidsville conquered High Point, the other conference title contender, 19-0. The Bisons lost their other game to Greensboro. Since then, Reidsville, led by the passing and running of Sacrinity, has rolled over most of its opponents.

In their annual encounter last year Greensboro's state champions subdued the Lions by a score of 19 to 7. This memory may add to their difficulties with their opponents this season.

Touchdown, Rotary Clubs Entertain Football Squad

Greensboro high school's Purple Whirlwinds have been honored by two business clubs, the Touchdown and the Rotary, during the past two weeks.

The program at the Touchdown club included the regular business, a speech by former all-American Dan Hill of Duke, introduction of the high school football members and the showing of pictures of the Duke-Georgia Tech game by Hill.

The Rotary club schedule entertainment consisted of a talk by the district governor, a short speech by Coach Bob Jamieson, the introduction of the football squad and a talk by Wiley Sholar.

G. A. A. Selects Officers; Names Hilliard President

"When the basketball season officially opens November 25, the only girls' winter sport at Senior high begins. I hope a large number of beginners as well as more advanced students will come out," stated Miss Doris Hutchinson, girls' gym adviser, yesterday.

At the last meeting of the Girls' Athletic association, the state-wide playday held November 24, at Salisbury was discussed and delegates were chosen.

In addition the deadline for payment of dues was set as November 18. Tentative plans for a hay ride, to be given if 100 per cent is gained in this collection, are being made.

In the election of officers, Rachel Hilliard was chosen president; Sadie Plummer, vice-president; Gloria Valentine, secretary; Nell Riddle, treasurer; Louise Matlock, program chairman, and Isabel Gillie, social chairman.

Lettermen To Report For 1st Wrestling Bout

Approximately 25 boys will report shortly after football season closes for the first wrestling workout, announced Coach Jim Day, Tuesday.

The wrestling team, led by Captain Jennings Withers, tied Barium Springs for the state title last year. Having lost only Captain Withers and Bill Hancock, state champions in the 75-pound class, the Greensboro mat team will seek a repeat performance this year.

Returning lettermen include David Rudd, Bob Farris, Arthur Bruton, Bill Cavan, Kenneth Greene, Bill McCormick, Dave Sewell, and Jim Anthony.

Wrestling Coach Day invites every boy interested to try for the squad.

Whirlies Play Thanksgiving Game with Roanoke Club

Local Breezes Win, Tie in Two Battles

Fast charging and alert linemen proved fatal to a stubborn Jamestown eleven Tuesday afternoon, November 10, as the "Purple Breezes" of Greensboro high drubbed the Jamestown team 27-0 at the Greensboro Memorial stadium.

Bruce Pickard, standout reserve lineman, blocked two punts which enabled the Gate City "B" squad to score twice. A fumble recovered by Lowrey Stafford in the end zone added another six points, and a long drive accounted for the final marker. Three extra points were added by line plunges.

On the Guilford college athletic field Thursday afternoon, November 13, the Greensboro high "B" squad tied a fighting Guilford college reserve team 12-12. Bruce Pickard was again the outstanding man in the locals' forward wall, while Carl Phibbs turned in the best performance in the backfield.

For its annual Turkey day game the Greensboro Whirlwind traveled to Roanoke, Virginia, to tangle with the Jefferson high school team. As the game was played after High Life went to press, it was impossible for members of the sports staff to cover the tilt.

The Virginians are rated as one of the major powers in the Old Dominion state. The squad runs from a single-wing back formation, with Walton and Bore leading its running attack. Smythe and Bost, both of whom are mainstays in the Jefferson line, were slated to see much action in the Greensboro game.

Team At Full Power

The Whirlies came out of the High Point game with no injuries and were at full strength for the encounter. Additional power for the squad came from Garland Wolfe, who has been hampered in the past few games by an arm injury.

Greensboro's aerial attack, led by the passing of Jack Dempsey and Bennett Newell, with a reinforced ground play, was expected to throw the Virginians back on their heels. It was also expected by observers that the local forward wall would stop any offense that the Roanoke boys might put up.

Make That Touchdown, Boys or "Papa Spank!"

During the HighPoint-Gastonia game, November 7, the Bisons entered the fourth quarter trailing the Wave by 18 points. At that time Coach Tony Cernigle received word that Salisbury had upset Greensboro.

He called his team together and told them of this, and declared that if they didn't go out and get 19 points in a hurry, he would spank every one of them. As a result, the Green Wave lost 19 to 18 points.

After Greensboro had run up a score into the 20's in their game the next week with the Pointers, they adopted a pet phrase when they came into contact with a High Point player: viz., "Has Papa given you your spanking today?"

10 Greensboro Girls Attend Annual Play Day Events

Frolicking on the Catawba college campus during the November 14 play day sponsored by Salisbury's Boyden high, delegates from 15 North Carolina high schools spent a busy day. The representatives included 10 Greensboro girls, Phyllis Pruitt, Isabelle Gillie, Rachel Hilliard, Katherine Fore, Louise Matlock, Nell Riddle, Marjorie Burns, Mildred Hock, Kathleen DeBruhl, and Exie Barker, chaperoned by their instructor, Miss Doris Hutchinson.

The program, beginning at 2 p.m., consisted of hockey games, volleyball and kick ball contests and relays.
