

**BENCH WARMER**

Whirlie fans, the sports year is over. Our sports staff would like to thank the fans, players and coaches for their assistance and effort with the best year in sports in a long while. We have presented awards to the players we feel most responsible for this year's unbelievable season.

For the first time in history, "Hot Dog of the year" will not be given to a student. It was a close struggle between Grimsley first baseman Don "Reggie" Dempsey and Coach Dennis Barbour. But Dennis, who snags line-drives and scoops up grounders in his cap, clinched the award with a super play during the Vance-Grimsley play-off game. Last year's champion, Amp Long was not available for comment.

"Turkey of the Year:" who else but Wes Neal. We need not comment on Wes' follies, there are so many that I can't decide which ones to talk about. Neal found out somewhere that athletic uniforms draw girls as well as flies. For Neal, participating in a sports takes three things. Warming the bench, swatting flies and waving to girls. Congratulations Turkey of the Year, Wes Neal.

Cheerleader of the year goes to a person that didn't have the cheerleading uniforms the girls had. He used what tools he could to psych out opponents, mainly his mouth. Cheerleader of the year, goes to Joe Franks.

**ARE YOU A HIGH SCHOOL SENIOR . . .**

. . . who's watching that school calendar? If you are, you probably know that time's flying. And before you know it, you'll have that diploma in hand. Then what? That's not the time to start looking for a job or thinking about college. The time to do those things is now. And you can assure yourself an opportunity to do both by reserving a job with the United States Air Force through its Delayed Enlistment Program. When you do, you're assuring yourself of an excellent salary . . . the opportunity to work toward a 2-year associate degree through the Community College of the Air Force . . . some of the finest technical training in the nation . . . advanced education opportunities . . . and much, much more. Find out today about the Air Force's Delayed Enlistment Program by contacting:
