GREENSBORO HIGH SCHOOL, FEBRUARY 11, 1921

No 8

Greensboro Five Breaks Jinx At Last

MR. PRICE IS GIVEN

FAREWELL BANQUET

High School Faculty Entertain School Board and Visitors.

On Tuesday evening, February 1st, at the High School Cafeteria was held the farewell banquet in honor of Mr. D. R. Price, who has lately resigned as principal of the Greensboro High School to enter the field of Religious Education.

Mr. York presided as a most resourceful toastmaster. There was abundance of viands prepared under the direction of Miss Ione Cate, manager of the High School Cafeteria. There was merriment a-plenty; there were songs of varying types; there were puns and plays; there were speeches galore—from the "frame-up" on Mr. Edwards, the rejected orator of the evening to the formal resolutions proposed by Miss Killingsworth.

Underneath the merriment and jovial exterior here was more than a tinge of sadness. Mr. Wills and Mrs. Sternberger spoke in behalf of the School Board; Mr. Archer spoke in behalf of City Schools; and Dr. Cook spoke in behalf of North Carolina College for Women. Miss Jane Summerell represented the High School Faculty. She expressed very fittingly our attitude toward the retiring principal, when she said that we had worked, fussed, laughed and won together. Mrs. Poole spoke in behalf of the Parent Teachers' Association.

As a tangible evidence of the high esteem in which Mr. Price is held by the High School Faculty, Miss Sutton presented him a handsome Sheffield silver platter, and Mrs. Price a corsage bouquet of Killarney roses. Mr. Price accepted the gift with a speech.

The following resolutions were signed by each teacher:

Whereas, Mr. Daniel R. Price has served as Principal of the Greensboro High School for the past one and one-half years, and now terminates his connection with said institution, thus ceasing to be our principal and associate, wherefore, be it resolved,

First, That we, the teachers of the Greensboro High School hereby give expression to our appreciation for his sympathetic aid, for his efficiency as an administrator and his ability as a leader of this High School.

Second, That we believe his constant labors have made no small contribution toward making our High School known in our State as the one having the most efficient and workable organization.

Third, That by his introducing "Teacher Participation" we have been helped professionally.

Fourth, That we recognize the sterling worth of his character, his high standard of conduct, and his particular fitness for work in the field of religious education to which he goes.

HONOR ROLL FOR FALL SEMESTER

The following students have made an average of A in all topics during the past semester. The faculty and students wish to congratulate them most heartily upon this attainment.

Seniors.

Sara Hunt, Lula Mae Iseley, Leta Shields, Alice Waynick, Katharine Wharton, Francis Young.

Juniors.

Martha Cox, Grey Fetter, Katherine Grantham, Margaret Smith, Lucile Wynne, Paul Causey, Eugenia Hunter, James Wilkins.

Sophomores.

Katherine Gregory, Carlotta Johnson, Bertha Feree, Elizabeth Simpson, Emelia Eternberger, Marjorie Cartland.

Freshmen.

Katherine Shenk, James McAlister, William Neal, Robert Wilkins.

Junior High School.

Betty Harrison, Lucile Sharpe, Stanley Sturn.

Miss Grogan's room, No. 5 in Annex B, has the honor of being the only room in school in which no person failed.

CHEMISTRY EXAM.

I. Why is the body a good example or illustration of the Law of Definite Proportions?

Ans.—"Because even to the hairs of your head are numbered."

II. Why does the electricity of the hair not decompose the hair?

Ans.—Hair is a poor conductor, but may be decomposed in the presence of a "catalytic agent." This explains "bald-heads."

III. When water comes into contact with the skin is there a chemical or physical change taking place?

Ans.—There is a chemical change, because the appearance as well as the properties of the skin are changed.

IV. Write the reaction for III and state the precipitate formed.

Ans.— $H_2O \times \text{skin} = \text{Skin}$. H_2O (Unstable compound.) Soapsuds (?) is the precipitate formed.

V. Is the body an element or a compound?

Ans.—The body is an element, because it cannot be divided or broken up and then stand alone. It is always in its "element."

Fifth, That we, as a faculty, collectively and individually, wish him the greatest joy and the deepest satisfaction in his new work, and wish for him always only that which is best.

Six Straight Games Annexed by G. H. S. Basketball Outfit in Eight Days

G. H. S. broke its losing streak on Friday night, Jan. 29, by defeating Durham High in Durham by the score of 32-23. The game was closely contested throughout and the good team work of the locals saved the day. Durham put up a game fight, and at times showed signs of brilliant playing, but were helpless to go farther, on account of the guarding and fine goal shooting of Greensboro.

The first half was easily in G. H. S.'s favor, the local boys having things pretty much their own way, and the half ended with the score 13-8 in G. H. S.'s favor.

However, in the last half both teams began fighting for victory at a greater stride, and only the well organized team work and shooting of Britton and Poole put Greensboro in the lead.

The work of Britton, and Poole at forward, and Transou and Ballard at guards featured for G. H. S., while White and Hackney played Durham's best game.

Line-up as follows:

Poole, l.f.; Britton, r.f.; Daniel, c.; Ballard, l.g.; Koenig, r.g. For Durham, Graham, l.f.; Green, r.f.; Rigsbee, c.; Hackner, l.g.; White, r.g.

Field goals—Poole 6, Britton 5, Daniel 2, Ballard 2, Graham 3, Green 1, Rigsbee 1, Hackney 3, White 3; foul goals, Poole 2, Hackney 1—32-23.

G. H. S. 27, Raleigh 13.

On Saturday night following G. H. S.'s victory at Durham, Raleigh went down to defeat at the hands of the locals, 27-13. The Raleigh forwards were helpless throughout the game as a result of the excellent guarding of Ballard and Transou. The locals were never in danger of losing the game and some pretty team work was exhibited. Raleigh lacked team work and the knack of goal shooting, while Poole and Daniel of G. H. S. shot almost at will. The game was clean, only four fouls being called, these being only technical fouls. Poole had a total of three field goals and three foul goals to his credit, while Daniel overshadowed all by getting four field goals; Ballard made two and Transou three. For Raleigh, Green scored three field goals and one foul goal, Bruner, Bynum and Powell getting one foul goal each.

Line-up as follows:

Poole, l.f.; Britton, r.f.; Daniel, c.; Ballard, l.g.; Koenig, r.g. For Raleigh: Green, l.f.; Bruner, r.f.; Satterfield, c.; Powell, l.g.; Bynum, r.g.

Substitute: Stafford for Britton.

G. H. S. 22, Trinity Park 20.

The locals journeyed back home Saturday, the 30th, after having defeated both Raleigh and Durham, and met Trinity Park on the local floor Monday night, winning by the close score of 22-20. The game came next to the Winston game in being

the best game of the season. At no time in the game could one have prophesied as to the winner, each team putting up an excellent game, displaying nice passing and excellent team work. Trinity gave a clean exhibition and won the admiration of the whole student body in that they played a clean game regardless of the score. For G. H. S., Britton and Ballard scored the majority of the 22 points, Stokesberry and S. Roane featuring for Trinity Park.

The line-up was: Poole, l.f.; Britton, r.f.; Daniel, c.; Ballard, l.g.; Transou, r.g.; Trinity Park: Stokesberry, l.f.; R. Roane, r.f.; S. Roane, c.; Davidson, l.g.; Warren, r.g. Substitutes: Roenig for Transou; referee, Stuart.

G. H. S. 3h, Danville 21.

The locals won their fourth straight victory Wednesday night, Feb. 2, by defeating the much heralded Danville quint 38-21. Danville had a strong team, but were inaccurate at shooting goals. G. H. S. showed pretty passing and at times kept the ball entirely in their territory. Poole and Daniel scored six field goals each, while Britton came next with four, and Ballard followed with one. For Danville, Enright was easily the star, getting five field goals and nine foul goals. Martin came next with four field goals, while Tinsley and Campbell had one each to their credit.

Line-up: Poole, l.f.; Britton, r.f.; Daniel, c.; Ballard, l.g.; Koenig, r.g.—Enright, r.f.; Martin l.f.; Tinsley, c.; Darlington, l.f.; Campbell, r.g. Final score 38-21, referee, Stuart.

G. H. S. 46, Reidsville 13.

On Friday night of last week the locals met and defeated the Reidsville Highs in a one-sided game, 46-13. Although Reidsville fought hard to make a showing they were completely snowed under by the well organized team work of the locals. Poole, Britton and Daniel shot at will, Poole getting four field goals, Britton nine and Daniel eight. Watt and Chance for Reidsville scored two each, while Gills shot two field goals and Chance one foul goal.

Line-up: Poole, l.f.; Britton, r.f.; Daniel, c.; Ballard, l.g.; Koenig, r.g.—Watt, l.f.; Chance, r.f.; Gills, c.; Jones, l.g.; Delancey, r.g. Substitutes, Transou for Koenig, Ballard for Daniel, Forsyth for Ballard, Seaburn for Britton, Stafford for Poole, Miller for Gills, Gladstone for Jones, Sprinkle for Chance. Referee, Sharpe.

G. H. S. 47, Raleigh 19.

G. H. S. made it six straights on Saturday night of last week by defeating Raleigh High for the second time by the score, 47-19. The game was one-sided throughout, Raleigh being unable to get together
