## G. H. S. Continues Victorious March Making Ten Straight Games Won

### G. H. S. 27; GUILFORD 22

On Tuesday night, Feb. 8th, G. H. S. defeated Guilford Highs at Guilford by the close score of 27-22. This victory gives G. H. S. a total of seven consecutive victories. During the first half G. H. S. ran away with their opponents, Poole getting four full goals in the first few minutes of play, and the score at the end of the half was 20-9 in favor of the locals. However, in the last half Guilford came back strong with Smith and Ferrell, B., getting two field goals each. But with Ballard and Koenig guarding in old time form during the last few seconds of play, the locals managed to stop Guilford's scoring:

### G. H. S. 26; ASHEVILLE

In one of the best played and cleanest games of the season G. H. S. defeated the Asheville Highs on the local "Y" floor 26-17, Saturday night, Feb. 12. The game was exciting from the first whistle to the last, with both teams trying to prove their superiority. However, G. H. S. seemed to have more ability to shoot field goals, while Asheville missed considerable close shots. The visitors displayed some superior passing; in fact, the best seen here this season, but on account of their inability to follow up their passing with the much needed field goals they had to be content with a defeat.

The first half started with a rush for G. H. S. Daniel tipped to Poole, who shot the first goal. Britton and Ballard then followed in quick succession and the score

was 6-0 in G. H. S.'s favor before Asheville could score. However, the visitors began to realize what had been taking place, and with Florence and Estes shooting two goals and one goal respectively, the score stood 6-4. Here both sides began to fight for victory, each displaying splendid team work and superior passing. The half ended with the score standing 12-10 in favor of G. H. S.

The last half was decidedly in favor of G. H. S. At no time did the visitors tie the score, and the game ended 26-17 in G. H. S.'s favor. For G. H. S. the guarding of Koenig was exceptionally good. Daniel played a good game at center and seemed to be in his old time form. For Asheville the work of Hayes and Florence was a feature.

### G. H. S. 28; TRINITY 26

G. H. S. basket ball team won their eighth straight game last Friday night when they defeated Trinity Park 28-26 on the latter's floor at Trinity College. The game is no doubt the best and most exciting the locals have played this season. Both teams played superior basket ball and passed well, with the locals having the better shooting eye. Time and again the score was tied only to be broken by one side and then the other until in the last few seconds Britton broke the tie with the last field goal of the day, leaving the score 28-26 in G. H. S.'s favor.

## Fathers' Night Held By Parent Teachers

Interesting Program and Enjoyable Reception Given by Parents.

Early in last week attractive invitations were sent out inviting many to attend a reception given by the High School Parent-Teacher Association. In response to this invitation nearly three hundred fathers, mothers and faculty came and enjoyed a most delightful and profitable evening.

Receiving at the door were Mrs. Poole and Mrs. Stamey, and officers of the High School Parent-Teacher Association. Every guest was tagged with his own name, to assist those whose memory for names is not the best. After each person had been properly tagged, Miss Edna Tyer directed them to the auditorium, where the exercises of the evening were held.

The first part of the entertainment was given by pupils of the Junior High and High School under the direction of Misses Clement and Wilson.

The Girls' Glee Club, composed of excellent voices, delighted the audience with three selections. Then the following pupils of the Expression Class gave very interesting and entertaining readings:

Boys' Rights—Billy Ridenhour.

Courting Under Difficulties—Estelle Mendenhall.

Under the Back Seat—Evelyn Donaldson.

The High School Orchestra gave several selections. This orchestra is under the directions of Miss Clement. It is composed of pupils from both of Junior High School and High School pupils. This is the first time we have had an orchestra in a long time, but we feel safe in saying we are to have a good one from now on.

The second part of the program was presided over by Mrs. Poole, the president of the High School Parent-Teacher Association. Mrs. Poole introduced Mrs. O. G. Jones, who made in her usual way a most interesting and appropriate address of welcome, and stated the purpose of the meeting.

After the welcome address Mr. N. A. Hewitt took charge of the meeting and presided in a very able manner. The following men responded with enthusiastic speeches:

Mr. Mendenhall, Dr. C. T. Lipscomb, Mr. Sellars, Mr. Clarence Cone, Mr. Chas. Gold, Mr. W. J. Simpson, Mr. J. D. Wilkins and Mr. Charlie Hudson.

The meeting adjourned to the hall, where a very attractive scheme had been used, namely, to have five tables, each one representing one class in High School and one for the Junior High School. Around each of these tables the parents and teachers of each class assembled to have coffee, tea and sandwiches, and to have a social hour together.

Taken all in all, the reception was a success, and the most enjoyable meeting we've ever attended.

A good suggestion has been made that the editing of "High" Life be put into the hands of the Senior Class for one issue, the Junior Class for one issue, and the Sophomore Class for one issue. If satisfactory to each class, this idea will be carried out for the next three weeks, and a faculty committee will judge as to which class puts out the best paper.

## Preliminaries Held For Triangular Debate

Holland Hartsell, Stainback and Hendrix Chosen to Represent G. H. S.

On Thursday evening, Feb. 17th, the preliminary to choose the debating team was held in the High School auditorium. The following students tried out for the team: Gladys Holland, Doris Stinnette, Estelle Mendenhall, Myrtle Ellen LaBarr, Margaret Hartsell, Katherine Grantham, James Hendrix, Bryan Barker, and Allen Stainback.

Hoyt Boone presided over the debate and Evelyn Albright acted as timekeeper. The speeches were well written and the contestants showed a thorough grasp of the subject, and a fighting spirit that augers well for our coming contest with Asheville and Winston.

The judges, Messrs. Bagley and Waynick, and Dr. W. O. Goode, chose Gladys Holland, Margaret Hartsell, Allen Stainback and James Hendrix as the team, and Doris Stinnette and Bryan Barker as alternates.

The finals will come the last of March, and our affirmative team will debate the Asheville negative here, while our negative will debate the Winston affirmative at Winston. The contest will be a good one. Asheville holds the Aycock cup, and
