New Cafeteria Head Is Mrs. J. T. Hester

Mrs. J. T. Hester has been appointed new Cafeteria head, replacing Mrs. Hortense Forster.

Mrs. Hester, who before taking her new position was a nurse at Wesley Long Hospital, asks the students to please co-operate with her by standing in line as they should.

Working in the cafeteria preparing food at present are two colored men and four colored women. Mrs. Hester is planning to put on one more in the near future.

During the first lunch period, Ernest Shelton and Tommy Simmons work at the windows; while Doug Gallyon cleans off tables between periods. Mr. Herman Smith and Coach Bob Jamieson are cashiers. Mr. Charlie Baker and Mr. G. O. Mann work at the ice cream counter.

At the second lunch period Karrow Farrell and Eddie Finch work at the window. Miss Fisher, Miss Brown and Mrs. Finch are the cashiers, while Mrs. Wilson, Mr. Houck and June Blumenthal work at the ice cream counter.

Asked if she likes her new work, Mrs. Hester replied, "I like my job and wish I could get better acquainted with the students. If there are any helpful suggestions about the cafeteria anyone would like to make, I would be more than glad to get them."

Sophomore Elections Completed; Highfill Is Named Vice-President

In a run-off Tuesday morning, Steve Agapion defeated James Robertson for the office of president of the sophomore class. Other winners in the run-off are Bobby Highfill, who defeated Rebecca Frazier for vice-president, and Mabel Ruth Nease, who defeated Peggy Louise Coble for secretary.

Torchlight Members Elect New Officers

At their first meeting of the year, the four members of Torchlight, National Honor Society, elected officers for the past year and made plans for the first tapping.

The date of the tapping was not disclosed, but Miss Mims, advisor to the group, announced that only seniors would be tapped and only senior home rooms allowed to vote on the new members.

The officers are Zack Piephoff, president; Nancy Paige Smith, vice-president; and Marcia Furnas, secretary. It was decided to elect treasurer from the new members.

During the summer Torchlight subscribed to "Student Life," newspaper of the Society, and purchased the new edition of the handbook and by-laws.

Jimmy Alspaugh, senior class president in charge of the sophomore elections, announced that in the regular elections last Friday Ronald Britt was elected treasurer, and the representatives chosen are Nancy Beale, Betsy Bishop, David Bradley, Sue Bull, Peggy Everitt, Jackie Fruitt, Ashley Holland, and Eddie Lovings.

Other candidates were: for president, Gordon Battle, Jarvis McMillan, and Jean Touchstone; for vice-president, Alex Panas, Chic Ramm, and Nancy Foust; for secretary, Carolyn Allred and Joan Huggins; for treasurer, Maitland Freed and Clarence Taylor; and for representative, Jean Ayers, Phyllis Bell, Beverly Bostian, Hope Brown, John Colson, Ann Edwards, Marlon Faison, Doris Hill, Barbara Kearns, Sara Nell Maness, Peggy Montgomery, Marnie Polk, Sue Purdom, Clyde Ritch, Bob Sample, Betty Sellers, Suzanne Sparling, Betty Stanley, Editha Stone, Austin Strand, Carolyn Turner, Fred Upchurch, June VanHorn, Jimmy Vance, Anne Wofford, and Elinor Wrenn.

Lambeth Chosen President Of G.H.S. Dramatic Club

First meeting of the dramatic club, under the direction of Mrs. Grace Wilson, has been held. The meeting was called in order to organize the club.

Mr. Ted Austin and Mr. Jack Russell of the new radio station WFMY in Greensboro attended the meeting. With them, they brought a wire recorder and recorded the voices of all the people who attended the meeting. After making the recordings, they played them back to the group.

Club has a membership of 55, the largest number interested in dramatics in several years. Regular meetings will be held each Monday afternoon after school for one hour, with Mr. Austin holding a class each week of speech, diction, and dramatic techniques for the members.

A play reading will be held in the near future to select characters for one three-act play and two one-act plays. Only members of the dramatics club will be allowed to try out for these parts.

The club has postponed their scheduled production of a three-act play until February.

Among the projects planned for this year aside from the dramatic classes are the building of model stages and the annual trip to Chapel Hill for the dramatic contest for club members.

Officers of the club were elected at the first meeting. They are: President, Larry Lambeth; Treasurer, Jimmy Richards; and Secretary, Becky Breedon.

Huffman's Hut or There's No Place Like Home

Have you been wondering how that big deep hole suddenly appeared in the lot on the corner across from the science building? Or what happened to the For Sale sign that was tacked on one of the trees? Or has the roaring of a bulldozer kept you awake during chemistry? Dear reader, that is no bulldozer, that is Huffman.

Yes, Weddie (we spelled it right this time, Coach) is building a house. Out of the concrete blocks, no less. Six whole rooms plus a den. It is the basement he has been digging lately, with the help of a few industrious "volunteers" from the high school.

"Help, help, help!" screamed Coach, now Director Huffman, when asked how things were going. "I need help. I can't pile all those cement blocks myself." (Some of those he coached on last year's wrestling team here at Senior could give him some argument on that point.) He promised to throw a housewarming if it is finished by Thanksgiving.

For the past weeks he has been driving that 1836 Chevy of his all the way to Thomasville after he closes up the Loft each night, and Mrs. Coach says that she just can't keep up.

All who watched how he put together the Youth Center, and who know what a good job he is doing as director, have no doubt but that it will be a good house. So all guys with an extra hammer and nail around the house, hoof it over there and see if you can't help get the place ready for him.

And for you unsung heroes of the Whirlie swimming team, you can take your workout in Coach's newly-dug basement without going all the way up to the "Y." After last week's rain, he stood in water clean up to there.

Survey Taken in History Classes

A survey to determine if youth thinks about vital issues was conducted last Thursday in the second and sixth period History 5 classes of Mr. Smith and the third and sixth History 7 classes of Miss Blackmon. This represented both Junior and Senior boys and girls.

The first question dealt with compulsory military conscription for all youth. The majority favored it at two to one in both Senior classes. In one of the Junior classes the vote was 23 to 7 in favor while the sixth period class opposed the measure 27 to 17.

Sunday Movies
Sunday movies and sports again brought a definite affirmative from the Senior class with the Juniors agreeing. In all classes the total number of students attending Sunday school regularly is 107. 33 do not.

20 Juniors and Seniors thought we should share our atomic knowledge with Russia and other countries leaving 120 to the negative. Five had no opinion.

Most of the students are in favor of the Government reinstating price control. 29 disagreed and six had no opinion.

Nine Seniors thought that 55 miles per hour is too high as did four Juniors. The Democrats would win any presidential election held now say 74. 63 stands for the Republicans and five are undecided. A slight majority favor the Taft-Hartly Bill and only 18 thinks that the Marshall plan is unsound. Dewey and Truman, both classes believe, will be the Republican and Democratic presidential nominees, respectively, in 1948.

Cutting the ribbon to officially open the doors of the "Loft" is W. H. Sullivan, president of the Community Chest. Behind the ribbon is a group of high school students waiting to enter, headed by Andy Bell, president of the G.H.S. student body, Betty Lou Moore, vice-president of the Youth Center, and Jim Finch, president. Youth Center Is Officially Opened Sept. 20

By DAVID BREEDON
Official opening of the Greensboro Youth Center occurred Saturday night, September 20. There were brief opening ceremonies, which included the cutting of a ribbon officially opening the doors by W. H. Sullivan, Sr., president of the Community Chest, an expression of appreciation by Sydney B. Cone, Sr., chairman of the Board of Management, to all who contributed to the organization of the center, especially R. Norris Hadaway and Senior's own Mrs. LeGwin, the many who took part in Teen-Time Review, a radio show which raised money for the project, and the various civic clubs who were so generous. Jim Finch, president of the Youth Council, when accepting the presentation of the building from Mayor Fielding L. Fry, echoed Mr. Cone and added the thanks of all the members to the Community Chest and to the City, who are jointly sponsoring the project.

At intermission, Fran Pearman was announced winner of the nickname contest. Her suggestion, the "Loft" won her an annual membership card.

Around 400 attended the opening, according to Katherine Monsees, program director, including many parents and members of the board of management.

Fall program at the loft includes many special clubs, such as a hunting club (already under way), model building clubs, a baby sitters' bureau, pet clubs, stamp clubs, etc.

Began last Saturday, a half hour radio show will be broadcast from the Loft every Saturday morning. A variety show, it will be similar to Teen Time Review broadcast last Winter from the stage of the Carolina Theater. Unlike other activities at the Center, the program will be open to any teen-ager of Greensboro, regardless of whether or not he is a member.

Director Huffman states that cooperation has been excellent from the members, but that some are being a little careless about equipment. He stresses the point that when equipment is not being used it should be put away in the proper place. (Continued on Page Eight)

After the ceremonies there was a semi-formal dance with the music of Michael Brooks and his orchestra. The dance began with a grand march, and everybody joined in.
