

The Way I See It

by Harriett Perkins

I really felt great Wednesday when the girls' Athletic Cup was awarded to Jean Bateman.

No one knows "Bateman" any better than I do, and I assure you that the award couldn't have gone to a more deserving person.

"Bateman" is really tops, not only in sports, but in almost all activities. Her faithfulness, attitude, and cooperation all merit her the cup.

She has loved sports all of her life. While at Aycock Jr. High, she played on the first team in soccer, basketball and softball. At GHS, she has done the same during her junior and senior years. You can always find "Bateman" right there when you need her. No matter what she's doing, she'll always lend a helping hand.

Aside from sports, "Bateman" is a member of the Les Souers, Flying Dutchman Mariners, Red Cross and First Presbyterian Church. She holds offices in all of her organizations.

Bateman's favorite hobbies are doing nothing, and having a good time. I'm not kidding either. However, in spite of these desires, she stays busy. Jean is also a superlative.

"Bateman," we all love you and are happy for you. No one can beat you in getting the things you want. You fight too hard. Don't ever change!

Last week, announcement was made by Miss Margie Gabriel of

the girls who are entitled to letters, shields, and stars.

These awards are earned by the girls. A certain number of points is given for activities in which the girls participate. The total amount of points determines the quality of the award the girls receive. A shield is given to the girls who have a total of 100 points, the letter is given for a total of 200 points, and for 300 points, the star is given. Playdays, afternoon sports, and clinics help the girls to increase their points.

Those entitled to shields this year are Jenell Edwards, Jean Bateman, Reba Moore, Dot Bristow, Dot Walker, Martha Yates, Cynthia Burley, Linda Moss, Lucille Yow, Margie Mitchell, Barbara Mann, Betty Mullinax, Jewel Carter, Sarah Roberts, and Jean Austin.
