VOLUME XL GRIMSLEY SENIOR HIGH, GREENSBORO, N. C., MARCH 13, 1964 NUMBER 10

## Co-Recreation Night Plans Available

A Co-Recreation night is planned to begin at seven o'clock in the boy's gym. Tentatively scheduled for April 17, the event is open to the entire student body at no admission fee. Mrs. Lambert, Miss Jean Moore and Mr. Jessup comprise the committee responsible for the Co-Rec night.

At the affair there will be four relays for both the boy and girl contestants. Although the exact type of events to be played will not be announced beforehand, generally they will be similar to those done last year. Such games as competing to see who can blow a peanut across the court first or transferring small scraps of paper on the end of a straw will not be played again this year; however, they demonstrate the way which this night will be conducted.

## Gray Ladies' Presented

**Editor Note:** This is the account of the scheduled program for last Tuesday's second period assembly. A last minute cancellation was made after this article had been sent to the printer's. As an attempt to reschedule the program was not successful, this article is offered as a substitute for recognition to this group of students which the capping ceremony would have granted.

On March 10, at a second period assembly, a little known service group was presented to the GHS student body. Fourteen students of Grimsley completed a course last January which enables them to serve as Red Cross Gray Ladies at Wesley Long Hospital. The ten hour training course will be followed by a twelve hour in-hospital training period.

Mrs. Charles M. Rives, Jr., who is on the Gray Lady Committee which is headed by Mrs. James A. Know, brought it to the attention of Mrs. Mary Tom Hoffler, who heads Grimsley's High School Red Cross chapter, that big "Capping" ceremonies were not held for the volunteers. They decided that an assembly program would be a good opportunity to recognize these students who have devoted so much time to the community.

### Patton Is Supervisor

Mrs. B. F. Patton is the nurse supervisor in charge of the hospital training. Also participating on the staff are A. O. Smith, hospital administrator, and Miss Mildred Simmons, assistant director of nursing. According to Mrs. Paul A. Rives, vice chairman of Gray Ladies in charge of scheduling, Wesley Long Hospital has 137 Gray Ladies and Men.

A team of volunteers is on duty each week day from 9 a.m. to noon, from noon to 3 p.m., from 4 p.m. to 6 p.m. and from 6 p.m. to 9 p.m. On Sunday there is no morning shift. All volunteers work under the direction of the hospital nursing staff.

### Grimsley Volunteers

Gray Ladies from Grimsley are: Misses Jane Apple, Noel Burnett, Ann Byrd, Jane Crater, Bonnie Davant, Louise Dickerson, Jackie Frazier, Virginia Jenkins, Gail Millians, Virginia Plybon, Brenda Ryals, Marilyn Wooters, Nancy Wright, and Patricia Wylie.

## NOTICE

Through some oversight Ray Perry's byline was omitted from the interview with Peter, Paul and Mary printed in the last issue. HIGH LIFE would like to extend its apologies to Ray for the omission.

## Five Place In Contest

In the NCDECA Contest Grimsley took three first place winners and two second place winners out of the five contests. They are as follows: Student of the year, second place, Ronnie Dawson; Job Interview, first place, Pat Dean; Speech Contest, first place, Jerry Carpenter; Ad Layout, second place, Larry Wrenn; Sales Demonstration, first place, Dorothy Key.

First place winners will compete at the NCDE State Convention next Thursday through Saturday—March 12, 13, and 14.

Representing our club will be 18 club members, including contest winners; state candidates Charles Sandlin, Associate President and Ronnie Dawson, President; delegates and others.

## Key Club Convention Plans Made

Saturday morning, March 6, the executive committee for the 1964 Key Cub Convention made its final plans.

On April 4, 5, 6 the Key Clubs of Grimsley, Page, and Curry will be hosts for the largest convention ever held in Greensboro. It will attract 850 boys from North and South Carolina. Because of its size, there is a great amount of planning and arrangements. Under the direction of convention chairman Winburn King and host John Crump, the executive committee, made of members from all three clubs, is making its final plans.

## Torchlight Admits 25

Torchlight National Honor Society tapped fifteen seniors and ten juniors in their second assembly program March 4.

New seniors chosen are: Jay Barnes, Marsha Brady, Marsha Breed, Beverly Camras, Paul Early, Dargan Frierson, Martha Kistler, Cornelia Anne Lashley, Billy Mims, Judy Murray, Charles Perry, Barbara Pinsker, Kathy Poer, Patti Reed, and Susan Scott.

Junior members are: Bob Albright, Betsy Bourne, Carol Bowen, Larry Dempsey, Francis Ferguson, Charlanne Fields, David Grimes, Mary Jane Kellett, Janet Turner, and Cynthia Wharton. Miss Sara Mims, GHS English teacher, was made an honorary member.

The Torchlight services began with Dee Vaughan and Joan Williams giving the devotions. Following the devotions, Ann Jamieson, President of Torchlight here at Grimsley, presided over the candle light ceremony, while Fred McCall, Sara Ann Lynch, Ann Phillips, and Edward McLean spoke on scholarship, leadership, service, and character. These are the four standard requirements necessary to have in becoming a Torchlight member. While the music of "Ava Maria" was being played, the present Torchlight members went into the audience and tapped their future successors.

A new way of choosing the members was used for the first time in this tapping. By law, it is now required that all Torchlight members are to be voted on by the teachers. In this way, ones of deserving character will be assured of being chosen.

### Clubs To Compete

The competitors will come from the various service clubs at school, but any group with twelve students may enter any of the relays. Students who come to watch may form a group and enter themselves in the contests. Each club will be urged to have as many members as possible at the Co-Rec night since the success of the evening will depend largely on the turnout. Mrs. Lambert hopes that every student will attend this informal event and, if he does not wish to compete, will cheer for those others who will be in the games.

Points will be given the winning boy and girl service club which will be added to the record kept to determine the best two service clubs in the field of intermural sports at the end of the school year. An individual boy and girl winner will also be chosen at the Co-Rec night on the basis of the number of points obtained by each contestant.

### Hootenanny To Be Held

Two other major events will also be planned for the Co-Rec night. The first will be a hootenanny in which each service club will have an entry. Although it is not yet definite, the committee now plans to ask a few other school groups to assist in presenting the hootenanny.

The second special event will be just for the boys of service clubs. In this event the students will compete in a sport called "cage ball." Some ten or twelve students on each team will line up on the court and attempt to bounce a thirty-six-inch ball from one end of the court to the other.

When Mrs. Lambert was asked for her estimation of the success of this Co-Rec night, she was quoted as saying, "We hope that the students will find as much enjoyment in participating in this year's event as they seemed to have had in last year's."

Members of the executive committee are Rick Taylor, registrar, and Lindsay Davis, treasurer, from Page. From Curry are Steve Cooper and Gary Engles. Members from Grimsley are Jerry Chostner, Corresponding secretary; Pete Cross and Tim Hildebrandt, Guilford College arrangements. Penn Holsenbeck, transportation; David Martin, printing; and Henry Perry, publicity. John Stufflebeam is the chief advisor from the Kiwanis Club to the executive committee.

The delegates will stay at the King Cotton and O. Henry hotels. All meetings and meals will be held at Guilford College. On Saturday afternoon, April 5, Stephen Delano, chief counsel to the Peace Corps, will be the featured speaker. Following this, the delegates will attend the Saturday evening performance of Holiday on Ice.

## Five To Represent GHS At Governor's School

Grimsley High School nominated five candidates in the academic area for admission to the 1964 session of the Governor's School of North Carolina. Louise Horney represents the field of natural science, Taffi Winston was nominated for mathematics, Charlanne Fields was selected for foreign languages, Carol Bowen represents the field of English, and Francie Ferguson was nominated for the social sciences.

### Nominations

In addition to one representative from each of the five academic areas, participating schools may nominate as many candidates in the fine and performing arts as they feel are qualified. These candidates are required to audition in front of a committee before selections are made.

Final nominations for the city school system are made by the Superintendent of Schools. The applications nominated by all of the North Carolina local school systems are considered by a statewide committee selected by the Board of Governors of The Governor's School.

### To Be Notified

The four hundred North Carolina students elected to attend the 1964 session will be notified of their selection on or before April 20, 1964.

The first North Carolina Governor's School was held in the summer of 1963 at Salem College in Old Salem, Winston-Salem, North Carolina. Four students represented Grimsley.

Pandamonium breaks loose as excited fans hoist the Whirlie Champions on their shoulders. For complete story see
