

Louise Horney displays her science project on "Quantitative Soil Analysis of Field Ecos ysteme in Guilford County' " which placed her in the district Science Fair.

GRIMSLEY SENIOR HIGH, GREENSBORO, N. C., APRIL 10, 1964

Sponsored By AA and SC

Spring Dance To Be Held April

Friday, April 17, is the date for the annual spring combo sponsored by the Athletic As-sociation. The dance represents the appreciation of the coaching staff for the fine student sup-port and funds supplied by the Athletic Association. The social committee of Student Council has contracted a 7-piece combo named the Monzas. The Monzas consist of 3 girl vocalists and four male instrumentalists. This group, though new to this area, has played many successful engagements, mostly for fraternity houses at UNC. They also come highly recommended by Tommy Hand, owner of the Jokers Three nightclub here in Greenshoro. They should

in Greensboro. They should prove to be good, and consid-ering the female vocalists, they will present a different show than the usual the usual.

Decoration, in order to blend with the combo atmosphere, will be simple but highly effective. They will consist of silhouettes in the shape of the different athletes who participated in school sponsored athletics. Refreshments will also be served; and funds for those will be provided by the Monogram Club. Proper dress will be school clothes. No ties!

Last year the initial dance was sparsely attended, so let's show our appreciation and support this year's Coaches Combo

JCL Students Place

On March 21 at Chapel Hill two Grimsley students placed in the state Latin contests being held David Grimes, a junior, won second place in the second year contest on English derivatives. The fourth year award for second place in "Roman History and Life" con-test went to John Gaddy. (John is a junior who is presently taking second year Latin.)

These two students were attend-These two students were attend-ing the N. C. Junior Classical League Convention at UNC-CH. Also attending from GHS were thirty-four other members includ-ing Cynthia Wharton, state JCL secretary and Rainer Trebin. Al-though he is not formally a mem-ber of the Junior Classical League, the GHS chapter was delighted that he came to "observe." Mrs. Madlin, school advisor, and Mrs. Wilder accompanied the students to this convention. to this convention

Composed of eleven members, the School Beautiful Com-mittee centered its activity around the projects of the service clubs.

School Beautiful Activity

Centered Around Clubs

Each committee member acted as a working advisor to a particular club to coordinate and outline carefully the various undertakings. By working so closely with the service clubs the committee itself was able to work upon a limited budget of \$200, allotting \$150 for gravel, \$30 for renairs and chains and a new sign at the corner of Westa new sign at the corner of West-over Terrace and Benjamin Park-way, and a marker from former years has been reworked to be placed at the front of the school. The Greensbore Garden Club Tour, scheduled for April 15 and 16, will include the GHS grove on its list of garden spots for viewing. This tour is expected to bring 10,000 people from various parts of North Carolina, South Grovina, and Virginia to the grove. To meet all of the gard-ners' expectations the committee whopes to keep the campus neat and attractive. **Final Day Held**

Final Day Held

The final school-wide workday has been set for April 11. Thirty-one tons of gravel were spread and trash in the parking lot was removed during the Easter holi-days. The April workday will only involve clearing and reking the

removed during the Easter holi-days. The April workday will only involve cleaning and raking the grove in preparation for the Greensboro Garden Club Tour. The committee members are Betty Ann Benbow, Bob Millikan, Keith Gulledge, Dave Grimes, Jimmy Wilkins, Dean Morgan, Lari Powell, Kathy Pearce, and Tommy Cannon. Bret English, heading workdays, and Francie Ferguson, in charge of planning, act as Co-chaimen, With Mr. Jessup as fac-ulty advisor, the group works very closely with Mrs. Joe M. Hunt, PTSA advisor.

\$2000, allotting \$150 for grave,
\$30 for repairs and chains, and
\$20 for photography and the scrapbook.
Girls' clubs—the Jaycettes, Sub-

Juniors, O. Henry Juniors, and Charioteers-took charge of planting boxes in the grove, while the Exchangettes and Seniorettes worked in the girls' athletic field. Seniorettes Exchangettes and Seniorettes worked in the girls' athletic field. Byg's service groups tackled a variety of tasks. The Civitans were responsible for the much-needed sidewalk through Okefenokee Swamp, the Key Club constructed a gravel driveway from the teach-ers' parking lot to the Science Building, and the Jaycees under-took spreading dirt and planting the Jaycees also agreed to clean the wooded area along the drive-way near the Cafeteria Building, Interact has thinned the trees bordering on Benjamin Parkway, and the Hi-Y Club has improved the front of the school. Because ordering have spent large sums on their beautification projects, several groups have not been able to contribute to the committee's treasury. The Jaycettes, Civinettes, Key Club, Sub-Juniors, O. Henry Juniors, and Interact have donated towey to help meet the budget.

Horney Places In Fair

Louise Horney, a junior student of advanced biology at Grimsley High School, was one of five students who placed in the district Science Fair held at Wake Forest College, March

19 she journey to Durham to stay on campus Thursday and Friday. Finalists were invited from all the districts—from North Carolina, South Carolina, Virginia and oth-ers. Before their arrival they were assigned to read "The Two Cul-tures: The Second Look" by C. P. Snow, and "Art and the Analect" by Harold Taylor. (While at Duke, Dee had two opportunities to hear Dr. Taylor speak.) She attended a seminar which was divided into two discussion groups. "The Two Dr. Taylor speak.) Sne attended a seminar which was divided into two discussion groups. "The Two Cultures" was discussed by Dee's group. She was given a list of classes she could attend and cohse the French and religion classes. In the French class the well-round-ed professor sported such a mus-tache, spoke such beautiful French, and looked so exotic that Dee knew in a moment he must have come straight from France. She was disappointed when her Frenchman turned out to be a Floridian. The professor in her religion class talked about the other professors in the Divinity School for partcipation in a civil rights demonstration.

In the district Science Fair field at wake Forest Coulege, March 21. For her project, "Quantitative Soil Anolysis of Field Ecosys-teme in Gudford County," Louise analyzed soil and its proper-ties in respect to "Old Field" Succession. She collected five samples from each of six dif-ferent fields and analyzed each sample to discover its texture, water-holding capacity organic content, and pH (acidity). Don Dalton took photographs of the fields, and Martha Kistler drew abstract pictures of them, varsity. Dee requested the scholarship when she applied for admission to Duke. She received a note saying that she was a finalist. On March 19 she journey to Durham to stay on campus Thursday and Friday. Finalists were invited from all the districts—from North Carolina.

Mitosis in Onion Root Tips" by Susan Stansbury, "Effects of Ozone on Paramecium" by Doris Rouse, "Chemistry of Digestion in the Bearcountur" by Ian Alarian Rouse, Chemistry of Digestion in the Paramecium' by Jim Alexiou, "The Learning Ability of the Ham-ster" by Joanne Rouse and Frank Beck, and "The Effects of Fluoride on Pansy Plants" by Anne Smith. Prizes Awarded At the district for an encoder

on Pansy Plants" by Anne Smith. Prizes Awarded At the district fair prizes were awarded not on a "first place, sec-ond place, etc." basis, but judges chose five projects to "place." Louise displayed her project April 3 and 4 at the state Science Fair at Duke University with thir-ty-four other entries. Saturday, Grimsley's Science and Medical clubs traveled to Duke to attend the Science Fair, as well as the Health Careers Convention. Teachers who advised Grimsley entrants of the district fair in-cluded Mrs. Poer, Mr. Whitely, and Mrs. Livengood. Louise found working on her project "a lot of fun" and "worth-while." It involved a lot of hard work, though, too.

work, though, too.

Key Club Holds Annual Convention In Greensboro

The Key Club International held its annual Carolina District Conat the O. Henry Hotel on vent

vent at the O. Henry Hotel on April 3rd. Governor John Morris of Charleston, South Carolina called the meeting together as Mayor David Schenk and John Camp, president of the Grimsley Senior High School Key Club delivered the welcome speech. An outstand-ing keynote address was given by Harry Richter of Charleston, South Carolina, who is an Inter-national trustee. Tom Booth, sophomore member

by Harry Hienter of Charleston, South Carolina, who is an Inter-national trustee. Tom Booth, sophomore member of the Key Club, was a finalist in the talent contest held in the grand ballroom of the O. Henry-Hotel at 8:00 Friday evening. After the entertainment cau-cuses were held at the O. Henry-and King Cotton Hotels. At this time candidates for district offices made their campaign speeches. To open the proceedings for Saturday April 4th the Queen's Men from GHS gave a fine per-formance along with group sing-ing led by Al Lineberry put the delegates in a working mood. An address by Mr. Batten, Governor of the Carolinas' District of Ki-wanis International, highlighted the morning session. That afternoon the delegates heard Mr. Eugene Schreiber of President Johnson's Peace Corps which turned out to be one of the best talks given in the convention. Also the house of delegates elected the following officers for the Carolina District: Bobby King of Fayetteville, governor; Henry Perry of Greensboro Grimsley, secretary; Alston Gore, Editor of the Blueprint; and Barry Foran of columbia, South Carolina, treasure.

treasurer. To conclude the convention Ste-

phen Saunders, governor of the New York District of Key Club International gave an address at the governors banquet held Sat-urday evening.

Larry Hannibal Receives **Scholarship From State**

Larry Hannibal, ace senior member of Coach Bob Sawyer's 1964 Whirlie tankmen, has accept-ed a partial swimming scholarship to the North Carolina State Uni-versity at Raleigh. Hannibal, the fastest backstroker in the state avenue the fordert 100

nannbal, the fastest backstroker in the state, swam the fastest 100-yard backstroke of any high school male student in the history of North Carolina. He announced his acceptance of the scholarship March 23

March 23. In a dual competition meet of-fering plenty of stiff competition, Hannibal swam the 100 yard back-stroke even in 59.6 seconds. Then in the state championship meet at Wake Forest, he swam in the same event and was timed at 59.7 sec-onds, just one second lower than his previous record

his previous record. Larry also finished second in national competition during the year judged on the times of all boys between the ages of 15 and 17 who swim in the AAU confer-ence for his time in the 220 yard backstroke

baskstroke. Larry, a state record holder, follows such greats as Jim Bur-well in demonstrating the worth the outstanding swimming team at Grimsley
