

## Homecoming Features New Queen and Projects

Along with the crowning of the Homecoming Queen at the Grimsley-Salisbury football game, two trophies for the best club display on school spirit of homecoming will be presented to the presidents of the winning clubs.

Twenty-six girls from the Senior Class, nominated by members of the Whirlie football team on the basis of their exhibition of school spirit, will compete for the title of Homecoming Queen.

Ballots will be distributed in homerooms on October 29 to allow the student body to exercise their choice in this event. The results will not be known until the crowning during the halftime of the football game.

The booths erected by Grimsley Service Clubs will go on display Friday morning October 30, in front of the school on the lawn. Judging will be based upon the originality of the project. Presentation of the awards will be made at the Homecoming dance following the game.

## Twenty-Two Students Get National Merit Recognition

Grimsley is proud of receiving the results of the National Merit Scholarships Qualifying Test taken by some of its students last spring. The reason is that Grimsley is unusually represented in the large number qualifying.

Last spring, 17,100 high schools had students taking the tests. Only 38,000 received Letters of Commendation. These commended students show unusual promise and have their names sent to their first and second choice of colleges.

Students who received the commendations from GHS are: Steve Blackwood, Larry Clark, Miriam Early, Frank Nichol, Miriam Parker, Alan Raye, Sara Sain, Gary Smith, Alice Weldon, Linda Weston, and Cynthia Wharton.

## Sophomores Elect New Class Officers

Curtis Weaver was sworn in as President of the Sophomore Class at a brief sophomore assembly held Tuesday morning, October 13. Also installed were Steve Desper, Vice President; Connie Giles, Secretary; and Craig Sousa, Treasurer.

Eight newly elected sophomore student council representatives and eight youth council representatives also took office Tuesday. The new members of the student council are: Mary Amend, Jim Blackwood, Ginger Cory, Carol Crocker, Bryant Holsenbeck, Susan Odenwald, Lynn Rose, and Angie Thompson.

The sophomore youth council representatives are: Kit Abbott, Jeanne Bennett, Nancy Duncan, Sally English, Kathy Howell, Jane Murray, Jean Thornley, and Jean Weeks.

The president also said that new sophomore projects are still being considered. A special effort will be made to encourage a large number of sophomores to come for "work days" to be held in connection with the School Beautiful campaign.

Only 14000 semi-finalists were selected. Semi-finalists, the highest scoring students have their names sent to all colleges and universities in the United States. Grimsley semi-finalists are: Robert Pallingnight, Ken Bell, Steve Cordle, Francis Ferguson, David Grimes, Larry House, Richard Levy, Joe Montgomery, Anthony Morgan, David Pultz, and Robert Skenes.

Semi-finalists will take a second test later this year and those with the highest scores will be considered finalists. Notice of finalists comes in February when certificates of Merit will be presented. From the Finalists, all Merit Scholars will be chosen. Only 10% to 15% of Finalists become Merit Scholars.

Semi-finalists equal less than 2/3 of 1% of the graduating senior population. Semi-finalists and Commended students together constitute less than 2% of all high school seniors, thus representing a distinguished group.

The National Merit Scholarship Corporation has several purposes: to identify and also honor stu-
