Congressman Steve Neal - He Stands Up For Us

PROVIDING AFFORDABLE HOUSING
STEVE NEAL, as a member of the Housing Subcommittee, works for measures to make housing available and affordable for young families and older people...He supports efforts to assist the homeless.

REDUCING THE COST OF HEALTH CARE

STEVE NEAL is working to develop a new, voluntary, private-sector health insurance plan that will cover people of all ages at a reasonable cost. Steve has long supported measures to improve Medicare and Medicaid...to improve the quality of care...and to hold down costs.

CIVIL RIGHTS

STEVE NEAL voted for the Civil Rights Act of 1990 and the Civil Rights Restoration Act of 1988, bills to stop the Republican-appointed Supreme Court from undermining the 1960s law against discrimination in employment, education and other areas.

SANCTIONS AGAINST SOUTH AFRICA

STEVE NEAL has supported sanctions against the South African government to help force an end to the cruel system of apartheid.

RIGHTS OF THE DISABLED

STEVE NEAL voted for the Americans With Disabilities Act, which prohibits discrimination against the disabled in employment and public accommodations.

FIGHTING THE WAR ON DRUGS

STEVE NEAL supports programs to educate young people about the dangers of illegal drugs...improve treatment and rehabilitation programs...stop drugs at our nation's borders...improve law enforcement...make the courts get tough with drug dealers. Steve helped write the law to stop drug dealers from "laundering" their money through banks.

TAXES

STEVE NEAL fights against increases in excise taxes on cigarettes, beverages, phone service and other items. Steve believes the middle class and low-income people are already overtaxed and should not be called on to carry the burden of deficit reduction.

HOW DOES THE REPUBLICAN CANDIDATE STAND ON THESE ISSUES?

To our knowledge, Steve's opponent, the Republican candidate for 5th District Congressman, has taken no position on most of these issues. We don't know how he stands on civil rights, South Africa, the elderly, the homeless, health care and housing. He has never been elected to office and has no record.

IT'S A FACT: Republican congressmen from North Carolina vote against us on almost all these issues. It's on the record.

DON'T TAKE A CHANCE
