while driving drunk prior to the trial of the Winston-Salem Four. He was convicted, appealed and was convicted a second time. As lead FBI investigator in "Operation Mushroom Cloud", Derdack was shielded from the jury and didn't testify during our trial. Former US Attorney Jim Blackburn pleaded guilty to embezzling \$234,000 forging judges' signatures and faking a law suit.

Everyone should beware of government agents fighting crime by acting like criminals. "When injustice occurs indifference is not only a sin, but a punishment." That is what a Jewish writer said about good Germans ignoring what their government did to the Jews. Our Black community has ignored the injustice that was done to the Winston-Salem Four. When injustice is left unchecked, it will visit again. The next time it just might be you. Yes - you and your family could become innocent victims of the Dark Side of the FBI.
