

READY FOR THE RUNWAY
Continued from Page 1

Runway carries the latest in fashion from all over the fashion world. Every two weeks a new shipment of quality clothing comes in giving you a fresh variety to choose from. Their specialty is distinguished clothing that you cannot find in other stores. Not only that, they only order one suit in each size. Therefore, the likelihood of you running into someone with the same suit on in the same size is virtually impossible. That's always a good thing.

The Runway is the place where fashion meets quality. You can receive a good quality suit at a reasonable price. They cater to everyone regardless of your budget. From the conservative to the daring, from the short to the tall, from the inexpensive to the expensive, this is the place to go to look like you just stepped off the runway.

For those men who love to look good this is menswear heaven. They carry nice suits, dress shirts, ties, linen and silk goods, and a marvelous selection of exotic shoes. Looking for a nice suit? You can choose from Fubu, The Steve Harvey Collection, Kenneth Cole, Calvin Klein, Sean John, and many other Italian made suits. Looking for a nice shirt? You can choose from casual shirts or any number of dress shirts made from 100% cotton or cotton blend with a French cuff. Looking for a pair of shoes that will distinguish you from everyone else in the room? You can choose from a classic selection of exotic shoes ranging from alligator, crocodile, and ostrich to whatever else your heart desires. For those of you who are not into the exotic they also carry Stacy Adams, Florsheim, Clarks England, Bostonian, and many more. Looking for a nice neck tie? They have a selection of 100% silk ties that will set you apart from everyone else. Suits range from \$99.00 to \$500.00. Shoes range from \$29.00 to \$500.00. Ties range from \$25.00 to \$35.00.

The Runway is proud to have serviced many well-known ministers, athletes, and professionals in the community and strives to serve many more. Give them a visit. If you like to dress well I'm sure something will catch your eye before you can make it through the door. As an incentive, if you mention the advertisement found in this edition of the Phoenix or this article you will receive a 10% discount on any purchase. Why not give them a chance to make you look like you just stepped off the "Runway?"

WINEBARGER NAMED VICE PRESIDENT OF INSTRUCTIONAL SERVICES

WINSTON-SALEM, N.C. (February 21, 2006) – Dr. Gary Green, president of Forsyth Technical Community College, has announced that Dr. Conley Winebarger has been named vice president of Instructional Services. "We are pleased and fortunate to have Dr. Winebarger as vice president for Instructional Services at Forsyth Tech. He brings an impressive background to the position and will lead the instructional side of the college," said Dr. Green.

Dr. Conley Winebarger

Dr. Winebarger earned his Bachelor of Science and Master of Arts degrees in industrial education and technology, with a minor in community college education from Appalachian State University in Boone, N.C. and his Educational Specialist and Doctor of Education degrees in curriculum instruction from the University of West Florida in Pensacola, Fla.

Prior to joining Forsyth Tech, Dr. Winebarger was vice president of Academic and Student Services for Mountain Empire Community College in Big Stone Gap, Va. He led the development of several new degree programs including teacher education, geographical information systems, medical office coding and procedures, e-commerce, polysomnography and emergency medical services. He has also developed partnerships with regional four-year institutions to provide transfer and guaranteed admissions programs for graduates.

Forsyth Technical Community College offers associate degrees, diplomas and certificates in more than 150 programs of study. Forsyth Tech's Corporate and Continuing Education programs promote personal and professional development with non-credit courses and seminars and provide customized training for business and industry. Forsyth Tech serves more than 30,000 students with approximately 1,150 full-and part-time faculty.
