According to Marjorie Rorie, Director of Community Services, "this new program coupled with financial education will help build financial strength for members in low-wealth markets and increase their chances of qualifying for more products and services. Happy Holidays

To the Churches, Clergy, and Family,

I take this space at this time to "Thank You", for the prayers, visits, fastings, monetary gifts and anything and all things done for me doing my time of sickness. This has been a very strengthening time for me...but God has been with me ever step of the way. Because of you, God moved in Glory and showered His anointing hand of love on me. I am indebted to you for your show of kindness.

During this period of illness, there were times of illumination, inspiration and new revelation for me to reflect on: I still have some distance to go, but I know our God is consistent with His love. As I continue to heal, I am in a process of growing deeper in wisdom and knowledge as God would have me to do.

My Family along with me once again says "Thank You" and continue to pray for us, and we wish you a very Merry Christmas and a prosperous New Year.
