Beaty Resigns As Advertising Mgr.

The staff of the Queens Blues is sorry to announce that due to her hard, steady work in the "Y" store, Ruth Beaty has handed in her resignation as Advertising Manager. She has worked faithfully in the work so far this year and the staff will miss her energetic person as a helper.

June Tweed has been elected to fill this position as she has shown, through her trial work, that she is well capable to look after the advertising end of the paper. She has entered into the spirit of the work showing that she realizes that the paper is just as much her's as any one's. We need more girls like this who will work for the paper which is just as much theirs as the ones who get it out.

HALLOWEEN CARNIVAL IS PLANNED

Student Government Council and S. C. A. Cabinet Take Part

Plans are now being made for a Halloween Carnival which is to be sponsored by the Student Government Councils and the S. C. A. Cabinet, on the night of October 30, in the gymnasium. The purpose of this Carnival is to secure funds for remodeling the Day Student's room. All the organizations on the campus are particularly interested in this project and various committees have been appointed to perform the duties necessary to make this occasion a success. Numerous festivities have been prepared for the evening. The decorating committee will have the ball-room decked in streamers of black and yellow and all the weird creatures of Halloween will be on hand. Entertainment of all kinds will be provided—fortune-tellers in dark corners will foretell the fate and fortune of those who seek their destiny.

It's going to be a lucky break, so come on girls let's make this a great occasion!

New Honorary Fraternity Formed On Campus

The public school music club, organized last year, has been re-organized and given the name Alpha Lambda Mu. It is now an honorary music fraternity and only those music majors averaging "B" on their literary subjects and "B" on each subject in music are entitled to become members. At its last meeting one of the most capable members, Jessie Smith, was elected president. Other officers are: Margaret Lillard, vice-president, and Martha Martin, secretary and treasurer.

It is the earnest desire of the members of the fraternity to work to bring up its standard so that they will sponsor George F. Boyle, internationally famous pianist, in a delightful program here some time in November.

MISSION MEET WILL BE HELD IN CHARLOTTE

Student Volunteer Union Spon- sors Four Institutes in State.

The Mission Institute which is to be held October 26-27, is one of four similar institutes to be held at Mars Hill, Greensboro and Raleigh. The Student Volunteer Union of North Carolina has planned these occasions to aid interested students in facing new and baffling world problems which are presenting themselves before the youth of today. One discussion group will endeavor to face campus attitudes toward Christianity with the purpose of offering practical solutions. The theme of the institutes will be that of the Student Volunteer Quadrennial Convention which will be held at Buffalo this Christmas. "The Living Christ in the world of today." The speakers will present the world of today with the purpose of aiding young people to recast their thinking and to cope with new situations.

Each institute is expected to number from fifty to seventy-five students. Delegates from both Negro and White Colleges will attend. The conference will start at 2:30, Monday, and continue until 4:00 o'clock Tuesday. The speakers for the Charlotte group are well known and famous for their Christian service. Mr. Darby Fulton, formerly a missionary to Japan and now acting Executive Secretary of the Southern Presbyterian Board of Foreign Missions, will be one of the main speakers. Mr. Gorfield Evans, formerly a missionary to Cuba; Mrs. J. E. K. Aggrey, whose husband was a missionary to Africa; and Mr. John Minter, traveling secretary of the Student Volunteer Movement for the South Atlantic Region are also important speakers.

A great deal of enthusiasm has already been aroused at Queens-Chicora by the Student Volunteer Band and Student's Christian Association. Numerous students who are interested in the work of the Union are expecting to attend.
