Miss Savage Tells Students Facts About Nurse Cadet Corps

Miss Pauline Savage, member of the Navy Nurse Corps, spoke at Queens College, on Friday, January 7.

Miss Savage represents the National Nursing Council for War Service and the United States Cadet Nurse Corps—the new government plan, which, under the U. S. Public Health Service, offers a free professional education to qualified students. Her visit is part of a nation-wide endeavor to recruit 65,000 student nurses this year for wartime replacements, caused by acute needs of the Army, Navy, and civilian health agencies, and also to interest college women in preparation for post-war careers.

Miss Savage presented the latest information on the United States Cadet Nurse Corps. Recruits in the Corps receive free tuition, free maintenance, distinctive gray and scarlet street uniforms, and a monthly stipend during their entire period of training in accredited schools of nursing. In return they promise to remain active in essential military or civilian nursing for the duration of the war.

Miss Savage, who received her appointment to the Navy Nurse Corps in September, has been granted a

Banquet Held In Honor Of Queens Drive

Announcement of the pledging of \$141,065.55 in the first phase of the Greater Queens College campaign was made Friday night, January 14, at a banquet and meeting held on the campus.

Henry Allison, campaign chairman, presided and expressed appreciation to all the workers. Dr. H. B. Blakely, of the college, likewise expressed his appreciation and said that he felt certain that the building program may be fully recognized before the 100th anniversary of the college in 1957.

The goal set for the first phase of the campaign was \$150,000, and they felt certain the remainder could be brought in from certain calls which had then to be made.

A number of plans were discussed for the continuation of the campaign until the ultimate goal of \$1,250,000 has been reached. Mr. Allison said that no other immediate meetings of workers were planned, but that each man was expected to call on friends of the college.

Dr. Blakely said that plans are made for taking the advancement program out into the state and also to certain foundations. He also expressed the belief that by 1957, a substantial endowment will have been added to maintain Queens as an efficient educational institution.

Charles W. Tillett, Chairman of the Bequest Committee, suggested that citizens will find a worthy cause for their wills in Queens College.

The members of the campaign committee were the guests of the College at a dinner before the business meeting. Students served as hostesses and ushers. Several songs were given by a group of the students which has sung at several college functions this year. In between courses, the guests joined the students in the singing of popular and college songs.

Dr. Blakely Is Moderator Mecklenburg Presbytery

Dr. Hunter B. Blakely, president of Queens College, has been elected moderator of the Mecklenburg Presbytery succeeding the Rev. M. R. Gibson of Marshville, who opened the 163rd stated session in the Commonwealth Presbyterian Church this morning at 10 o'clock.

Other officers elected were the Rev. J. Walton Stewart, who was elected stated clerk and treasurer of Mecklenburg Presbytery; Dr. W. A. Alexander, who was elected on the committee of examinations; and W. A. Henderson, of Monroe, who was elected a member of the Home Missions Committee.

Mr. Gibson preached the opening sermon using as his text "We Walked by Faith and Not by Sight", after which he gave a short report on "Home and Foreign Missions."

postponement of her assignment to active duty, in order that she might take part in the government program for the recruitment of nurses. She is a recent graduate of the University of California, where she majored in political science and nursing. After her graduation from the University of California School of Nursing in San Francisco, in May of this year, she took service as operating room nurse in the University Hospital, before enlisting in the Navy Nurse Corps.

Nursing, Miss Savage believes, is war work with a future. The first women to go overseas with the armed forces were the Army and Navy nurses. Even before she graduates, the student nurse is now recognized as being in a service as essential as that undertaken by the WAVES, the SPARS, and the Marines. Student nurses release graduate nurses for service overseas, or in military or naval hospitals at home.

As a post-war profession, nursing offers opportunities which have been greatly expanded by the war. Nurses will be called upon to take part in post-war reconstruction programs abroad and at home.

Bond Drive Has Goal Of \$5,200; Chapel Program Presented

The Fourth War Loan Drive which began Tuesday, January 18, got off to a good start on the campus. The War Service Committee, which is sponsoring the drive, presented plans for the drive Tuesday morning in a chapel program which began as the student body stood and sang the "Star Spangled Banner."

The program was divided into two parts. The first part consisted of poems and songs from the last war; in the second part, poems were read and songs sung that have been written in this war. After that the students enjoyed singing some old favorites from the last war. The favorites included "Pack Up Your Troubles", "My Buddy", "Over There", and "Keep the Home Fires Burning". La Rue Allison read "In Flanders Fields" and the answer to it that was also written in 1914.

Rebecca Nickles, chairman of the War Service Committee, presented the plans for the drive. She announced that the goal for both the students and faculty combined will be \$5200, which will cover the cost of an X-Ray, and therapy apparatus. She also said that each week there will be some special event to help win the sale of bonds and stamps. The first and second weeks will feature nominations for War Bond Queen on the campus. Plans for the last two weeks of the campaign are to be kept secret.

Alumnae Give Program For Founders' Day

One of the most successful Founder's Day programs that has yet been presented was given to the student body, faculty, and visiting alumnae, on Saturday, January 14, in the Ninniss Auditorium. After the academic procession, the program was opened by the president, Dr. Hunter B. Blakely and was followed by the singing of the hymn, "God of Our Fathers". Miss Sara Locke Blythe, the new president of the Queens Alumnae Association, made a speech of welcome, after which Mrs. W. D. Hampton, Chairman of the Alumnae Gymnasium Fund Committee reported. The donation of stamps and bonds amounted to \$1,475.

Then came the most informative and entertaining part of the program when various alumnae members, representing the class in which they graduated, enlightened the audience with the past life of Queens College. This was an interesting showing the vast progress that Queens has made through the years. Those alumnae members taking part on this phase of the program were Miss Mary Owen Graham, graduate of the class of '90, Mrs. J. M. Renfrow '02, Mrs. S. M. Marshall, '08, Mrs. Cornelia Wearn Henderson, '24, Miss Janet Robinson '34, Miss Sara Hunter '43, Miss Virginia Smith '40, Alumnae Secretary was Chairman of this informative program.

After the college hymn, "We Would Be Building", Dr. Gettys closed the program with invocation.
