MAXINE COX

Maxine Receives Homemaker Award

Because of her outstanding ability displayed in making the highest score in the written knowledge and attitude examination given to the senior girls, Maxine Cox has been named Betty Crocker Homemaker of Tomorrow for 1969 for J. F. Webb High School.

This achievement has made Maxine eligible for state and national awards. The Betty Crocker Search for Tomorrow program also awarded her with a specially designed charm from General Mills

The winner from each school will compete for the state Homemaker of Tomorrow. This lucky girl will receive a \$1,500 college scholarship, and her school will receive a set of Encyclopedia Britannica, by Encyclopedia Britannica, Inc.

Future Homemakers Hear Cosmotologist

A very interesting and informative meeting of the FHA was held on January 13, as the girls learned much about being a beautician. Mrs. Reba Hill and four other representatives from Mitchell's Hairstyling Academy, entertained the FHA'ers by showing a film describing the qualifications for becoming a cosmotologist and some of the work involved.

After viewing the film, the girls were given demonstrations on combing out hair styles and given hints on hair care.

Becky Webb presented the devotion at the meeting.

French Club Plans For Mardi Gras

At the last minutes, Mrs. Pace's French Club had an addition to their Christmas program. A "real live" French person, Mrs. Ingulia, came and spoke about the French customs. The only trouble was that she spoke in French, but later she translated all she had said into English.

Future plans of the French club includes the much awaited Mardi Gras. The dance will be held on March 8 from 8:00-11:45 complete with colorful costumes and the music by "The Lonely Drifters."

Senior Class Holds Important Meeting

The Seniors held a very important class meeting Tuesday, January 14, 1969, in the cafeteria during the first two periods.

At this meeting class colors, flowers, and motto were selected. These were the following results: colors, yellow and green; flower, the daisy; and motto, "None so fine as '69." Also during the meeting the mascot was chosen. Each year Webb and John Nichols schools alternate a boy and a girl; this year is Webb's turn to have a girl. The Seniors honored Jan Hart, daughter of Mr. and Mrs. E. J. Hart III, and granddaughter of our own Mrs. Vivian Hart, school dietitian. Jan was chosen from seven nominees. Although all of the girls were "pretty and vivacious," only one could be chosen.

Another purpose of the meeting was to fill out order blanks for graduation invitations, calling cards, informals, thank-you notes, appreciation cards and memory books. I think the Seniors will vouch for this statement: "Thank goodness! It has taken long enough."

Hamburger Supper Enjoyed By FFA'ers

The J. F. Webb Future Farmers enjoyed a delicious hamburger supper Wednesday, January 22, in the school cafeteria. The representation was rather large as the boys were glad to escape from the exam atmosphere which was still hovering over Webb at the time. After enjoying the meal, the boys traveled to the Berea gymnasium where they played several games of basketball before returning home.

Webb was well represented at the Parliamentary Procedure contest held February 12. Those attending were Gerald Denny, president; Jerry Ramsey, vice-president; H. L. Wheeler, secretary; Mike Ellington, treasurer; Ronnie Bowling, sentinel; Steve Walker, reporter; and Earl Hunter, public speaker. The boys competed against F. F. A. members from nine other schools.

Improvements Made On School Grounds

Well, it looks like the school is finally finding the light, and the students and faculty are getting out of the mud. That's right. The school is surrounding the school with a lighting system which includes eleven bright glowers. Carolina Power & Light Co., has contracted the job and has already planted the lines in the ground. The task will be completed as soon as the weather permits.

Also, now we won't have to worry about getting mired in the mud and getting ourselves and our cars messed up. The school took several days during the last rain and graveled both the student and the faculty parking lots. Now, for a while, mud should not pose as a great problem as previously. We should all appreciate this much-needed act. Just ask John Ed Raynor! He knows!

Students of the Month Chosen

BILL MITCHELL

President Chosen Student Of Month

Our very own Bill Mitchell was elected Student of the Month for December. Bill has actively served on the Student Council all four of his high school years. He worked his way from class representative, to being last year's vice-president, and now, this year, president. He has done a splendid job with all three positions.

Bill has taken part in Latin Club, French Club, and Science Club. During his sophomore year he was secretary of Latin club. He is also an active member of the recently organized Key Club here at Webb, for he is now serving his second term as secretary.

In previous years, Bill has played on Junior Varsity basketball and football teams and for the last two years he has been an active member of the Varsity basketball team. There is no doubt that he has been a determining asset to the spirit and success of each team.

In addition to school activities Bill industriously supports projects of the Oxford Methodist Church. He presently serves as president of the Granville County Sub-district M. Y. F.

Congratulations, Bill!

BRYANT HASKINS

Bryant Receives January Honors

The Student Council met February 4, 1969, and elected Bryant Haskins as Student of the Month for January.

Bryant has been a Latin Club member for three years, a member of the French Club for two years—one during which he served as secretary.

Bryant's homeroom each year has elected him as their representative in Student Council. He has also actively contributed to the Key Club, Pep Club, Science Club, and last but not least, Bryant, who this year serves as drum captain, has been a member of our band the past four years.

Last year, Bryant was joke editor of the Spectator. This year he is business manager of our Wildcat.

Aside from having been a class officer his first two years at Webb, Bryant participated in J. V. football and track.

The Oxford Methodist Church has definitely benefitted from Bryant's membership. He has once been vice president of M.Y.F., an active Sunday School leader, and he is also on the official board.

Bryant plans to further his education at UNC at Chapel Hill. Congratulations, and best of luck!

V.I.C.A. Places First In Safety Contest

Here comes the King! Billy King, senior I.T.C. member that is. On Saturday, February 1, Billy participated in the V.I.C.A. safety contest at the Region 4 meeting in Henderson, North Carolina. Billy competed against members from six other area high schools and walked away with first prize. His success in Henderson added the largest trophy ever won by the local club to the trophy collection.

In this regional contest Billy explained the various ways of administering first aid to his friend "Pete." "Pete" is a life size dummy which Billy cleverly constructed for his demonstration. By the way, another I. C. T. senior member, Samuel Royster participated in the job interview contest. Although, he did not win, he gave Webb good representation. In May, Billy will attend the state V.I.C.A. convention in Raleigh along with Mr. Hogsett, I.C.T. Teacher Coordinator. He will be in competition with members of schools in the state.

If success is his on the state level, he and Mr. Hogsett will go to Memphis, Tennessee, this summer for the National Convention. Keep up the good work, Billy!

National Honor Society Meets

Members of the National Honor Society of J. F. Webb High School were entertained with a Christmas party Thursday evening at the home of their advisor, Mrs. Ben H. Averett, on Linden Avenue.

Christmas decorations were featured.

Sanne Jones, president, presided. Theresa Currin, vice-president, in charge of the program, presented three former members, Paula Huff, Beth Pruitt, and Susan Watkins, now college freshmen. Each of the guests spoke briefly on "College Life as I See It," giving the Webb seniors benefit of their own observations and experiences in campus life.

Miss Huff is a physical therapy student at UNC-CH, Miss Pruitt is a nursing student at the same school, and Miss Watkins is majoring in sociology at Greensboro College.

Refreshments in the holiday motif were served to about 15 members and guests.

Yuletide Dance Appears Successful

Tinker, tinker—clatter, clatter. These are the sounds of Santa's workshop, the theme of the Student Councils' Christmas Dance this year on December 14, 1968. Mingled among the people in Webb's catatorium were Santa's elves busily building trains, dolls, and other toys to be delivered to excited students on Christmas Eve.

Although the combo, the Entertainers arrived late, everyone in attendance enjoyed them greatly. Dancing with visions of sugarplums in their heads until 11:45, everyone left, yelling, "Merry Christmas to all, and to all a good night."

Billy King displays the winning trophy. From left to right are Wayne Mathews, President; Amy Blackwell, Secretary; Larry Teel, Treasurer; Billy King, Trophy winner; Wade Thomas, Vice President; Mr. Hogsett, Advisor.
