

Webb's Romans Expect Busy Year

The officers of the Latin II Club have been elected. They are Bruce Miller, president; Mary Thomas, vice-president; and Gwen Dickson, secretary. The Latin III Club has also been organized. Fifty-two juniors and seniors have joined the club.

This year, for the first time, the Latin Club had a float in the Homecoming parade. The co-chairmen for the float were Pam Minor and Gwen Dickerson. Waverly Barnes, as Mercury, drove the tractor that pulled it.

The students that went on the tour to the National JCL Convention in New Orleans this summer were Benjie Hester, Linda Montague, Wanda Currin, Margie Reinitz, Pam Minor, Lynn Moss, Catherine Royster, Brenda Meadows, and Rebecca Winston. They won second place in National publicity at the convention. Margie Reinitz was appointed state historian.

A report on the convention was broadcast by WOXF. Those participating in it with Mrs. Satterwhite were Benjie Hester, Linda Montague, Margie Reinitz, and Pam Minor.

Students Of Art Classes Learn The Fundamentals

So far this year in Art the students have been learning the basic fundamentals of Art such as color, contrast, and value.

In Art the students are in a relaxed atmosphere. They have fun while they are working and learning.

For personal projects, each one in Art made a poster of some type concerning Homecoming and displayed them around the room.

The students are looking forward to learning other things this year, such as sculpture, weaving, crafts, ceramics, and painting.

Annual Plans Made By French Club

Officers for the French Club have been chosen by the French Club members. Dot Williford was chosen president. The new vice-president is Harry Dixon, and Peggy Bryan will serve as the secretary-treasurer. Representatives from several of the French classes were nominated as members of the executive committee. Pat Hancock, Susan Currin, Dowell Godwin, Judy Hancock, Merlin Young, Mike Questell, Andy Howard, and Charlie Sloan were the representatives elected, with Pam Cash and Anna Tarry serving as alternates.

This committee met Tuesday afternoon to plan the French Club's activities for this year. At this meeting, French Club dues were decided upon. Susan Currin was put in charge of the French Homecoming float. This year's plans for the Mardi Gras were discussed, and the members decided to continue their practice of helping a needy family at Christmas. Future French Club meetings are to be held on the last Friday of each month.

CHUCKLES

Two monkeys were discussing the theory of evolution. Said one, sarcastically: "Do you mean to tell me I'm my keeper's brother?"

Professor: "Can you give me an example of wasted energy?"

Willis: "Yes ma'am, telling a hair raising story to a bald-headed man!"

"My topic for today," said Mr. Tillotson, "is The Lie. How many of you have read the twenty-fifth chapter of the text?"

Nearly all the students raised their hands.

"Good! You are the group to whom I wish to speak," said Mr. Tillotson. "There is no twenty-fifth chapter."

NEWS IN BRIEF

Many Juniors will probably have the jitters on the morning of October 21. They will be taking the PSAT. Pencils in hand? Good luck, Juniors!

"Where's room number six?" "Does my hair look okay?" "How's this for a smile?" These were just a few of the many questions that were asked during the days of September 30 and October 1 and 2. Individual pictures were taken on these days for Webb's annual, *The Wildcat*.

We would like to commend the Webb Wildcats on the tremendous effort they have put forth thus far this year. Good luck the rest of the season!

All Seniors who had a change of mind in the way of class rings had the opportunity of ordering them once again this year.

Class meetings have now been held and the election of officers for this school year has been completed.

For the fourth year, the senior class has chosen Harry Dixon as president to lead them through their final year at Webb. The other senior officers are: Bernard McNeil, vice-president; Peggy Bryan, secretary; and Frank Moore, treasurer.

The juniors have elected the following capable officers to carry them through this busy year: Merlin Young, president; Kenneth Adcock, vice-president; Connie Thomerson, secretary; and Shelia Arrington, treasurer.

Officers for the sophomore class are: David Haskins, president; Vincent Hedgepeth, vice-president; Joe Stovall, secretary; and Donald Denny, treasurer.

This year's freshman class has chosen Cora Sue Currin for its president; Powell Fox, vice-president; Amine Crumpton, secretary; and Johnny Webb, treasurer.

Our enrollment at Webb has really grown this year. There are 909 students attending Webb. Let's hope our growth will improve our school and make it twice as good as it has been in the past.
