REPORTS BY THE TEACHERS.

The orphans are divided into Four Graded Forms, each in charge of a teacher, whose report is printed every fourth week. The highest number is 10; the lowest is 1. When the average is below 5, the orphan is liable to be discharged as not "promising," and therefore excluded by the regulations. This paper contains the report made by the teacher of the

CRAMPTON'S IMPERIAL SOAP
IS THE BEST!

Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best. Crampton's Imperial Soap is the best.

This Soap is manufactured from pure materials; and as it contains a large percentage of Vegetable Oil, is warranted fully equal to the best imported Castile soap, and at the same time contains all the washing & cleansing properties of the celebrated German and French Laundry Soaps. It is therefore recommended for use in the Laundry, Kitchen and Bath Room, and for general household purposes; also for Printers, Painters, Engineers and Machinists, as it will remove spots of Ink, Grease, Tar, Oil, Patent, etc., from the hands.

The Huntington Pennsylvania Monitor, of April 5th, 1877, pronounces this Soap the best in the market, as follows:
"Reader, we don't want you to suppose that this is an advertisement, and pass it over unheeded. Read it. We want to direct your attention to the advertisement of 'Crampton's Imperial Soap.' Having used it in our office for the past year, we can recommend it as the best quality of soap in use. It is a rare thing to get a Soap that will thoroughly cleanse printing ink from the hands, as also from linen; but Crampton's laundry soap will do it and we know whereof we speak. It is especially adapted for printers, painters, engineers and machinists, as it will remove grease of all descriptions from the hands as well as clothes, with little labor. For general household purposes it cannot be excelled. Manufactured only by
