

going unit upon his return to Bainbridge. Johnnie hopes to study
inery now. We were glad to have you visit us and hope you will visit us
ain soon.

William Russell Gilbert Corporal Gilbert visited us in the latter part of
He was at home to see his new baby--three weeks old. Gilbert was
antined for measles at the time his baby was born. He likes the Army
e-----a Corporal in two and one-half months-----a Technical Corporal in
ven months. He is with a medium tank outfit. Cpl. Gilbert is now anxious
r oversea duty. Good luck to you Corporal.

William L. Holder St./ Sgt. Holder is now at Hunter Field. He was graduated
om the Aircraft Mechanic School, Keesler Field, and the Bendix Turret School,
th Bend, Ind. His information was restricted to schools he had attended.
Pvt Sargeant Holder's doing all right. We were glad to see you, sir.

Charlie M. Manning Pvt. Manning visited us recently. He is now at Camp
Livingston. He maneuvers those tanks around Camp Livingston. "It is similar
driving a heavy tractor", he says. Manning hopes to be a Corporal soon
he is also looking forward to oversea duty. He is really in fine shape
r any duty.

West Ralph Morris Ralph visited the mills while here on furlough. There
a "two trains per day" schedule from Camp Howze. Ralph's pass did not
mit him to catch No. 2 train. He "hired a hack" to get to a nearby train for
was ready for Rocky Mount. He is in a heavy weapons company at Camp Howze,
as where he has been for six months.

Ever Parker Pvt. Parker is now at Fort Bragg and had an opportunity to come
ne. At Camp Walters, Texas he had infantry training. He was transferred to
rt Benning, Georgia as a paratrooper. Due to an injury, he was transferred
Glicker Coprs and now in the Artillery at Fort Bragg. Parker really wants
be a gunner. He refused his Corporal stripes in order that he may continue
a gunner. What and where next Pvt. Parker? By the way, thanks for your
tribution found in this issue.

Lin L. Young Tech. Sgt. Young---Irvin is busy at his turret job at
dall Field, Panama City, Fla. While here, his time was very scarce, but
found time to visit the mills. His arrival was a complete surprise to
s "Pop" and "mom" and were they glad to see him. We hope you will surprise
again soon.

Ezavier Hign Ezavier visited the mills recently and we were very glad to
ve him. He is now stationed on the U. S. S. Housatonia. We hope to hear
om him soon.

NEWS FROM MEN & WOMEN IN THE SERVICE

James O. Stancil "Via" "V" mail from North Africa, Pvt. Stancil says that he
getting along fine. Due to censorship he was unable to state much more
ther than advising those of us on the home front to, "Keep the wheels rolling
we will keep the dam Germans hopping".

Clyde Evans It is now Clyde E. Evans, AMM 3/C. All is well and happy----
s wife is now living in Florida with him. Clyde says that his job is to
eck the planes thoroughly before the pilots take off. He says that, "the
life of a pilot depends on my job".
