

William P. Parrish Pvt. Parrish is in the Coast Artillery, the Balloon Traction Unit. He states that the weather is cool and pleasant but North Carolina is too far away. Good luck to you Percy, let us hear from you soon.

Joseph F. Johnson Cpl. Johnson says, "I am still bouncing around on those 'Iron Billy Goats' (motorcycles), chasing rattle snakes, and tangling up with cactus plants. He is stationed in the desert region--where the weather is ~~real~~ hot. Will be looking for you to visit us soon.

D. McCorkle Cpl. McCorkle has been promoted to Technical Corporal. He is now working hard for another rating. As Technical Corporal he is working as a Laboratory Technician. He is still in the 80th General Hospital at Camp White, Ore. We will be looking forward to seeing you during your July furlough.

Ernest Bridgers Now with the Army Air Force at Union University, Jackson, Tenn. Pvt. Bridgers is determined that he will pass the tests and make a good pilot. He states that he is very busy now that he has flying and training to do. We are pulling for you Ernest. Good luck.

Walter M. Weaver Corporal Weaver is now stationed at Camp Sibert, Ala. When we heard from him in May, he was in Chemical Warfare but was soon to be transferred to Officers Training School. Corporal, we will be interested to know what your next rank will be. Best of luck to you.

C. Pridgen Sgt. Pridgen is at Kirtland Field, Albuquerque, New Mexico. Thanks for the picture folder. We sincerely hope that you have had an opportunity to see the beautiful scenes therein portrayed. Let us hear from you soon. We also owe you thanks for the picture you sent us. You are looking very well.

Durrell Stancil Durrell Stancil AEM 3/C wrote us recently aboard the U. S. S. Anger. He is fine but was unable to give us much information. Smooth sailing, Sailor.

William O. Winfree Pvt. Winfree is in the Medical Corps assisting the doctors performing operations and taking care of the sick and wounded. He is "way out in the desert"---has been there three months and has been to town only a few times. Pvt. Winfree enjoys the company of rattle snakes and lizards in the temperature 130 to 140 degrees.

Carl Horton Aviation Cadet Carl Horton is now at Peru, Indiana. He states that his day begins at 4:00 A. M. and ends at 8:30 P. M.---flying three hour hops each day---going to ground school. Cadet Horton says, "his flying is great business". Best of luck to you, Carl.

Alvin Morrison Pvt. Morrison states that he has been adhering strictly to the Army routine--the outstanding diversion being a fifteen day furlough which he spent with his wife at Lawton, Okla. Pvt. Morrison is now at Camp Sills, Okla. We hope that you continue to receive each copy of our News.

Charles Brown Sgt. "Dick" Brown was last heard from in the vicinity of Tenn. while on maneuvers. Congratulations to your Artillery Unit. He states that your Artillery unit made the highest grade of any Artillery unit in Uncle Sam's Army. Send us some more good news.
