

Mix thoroughly and allow smoke to settle. Pour on chopped ice and  
 We then absorb this concoction and then wait for the reaction.  
 While waiting for this reaction, we stroll around town. Soon a well-meaning  
 P. quietly swats an annoying winged insect from our heads causing us a  
 nervous reaction which closely resembles a faint. Upon our awakening, we find  
 ourselves in a reclining position in the local bastille. As a remedy for  
 nervous reaction, we are administered seven days of hard labor--which  
 reality is the cause of it all. In closing, I say, "There is no justice".
