### Devotional Thoughts

*"Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God".—Phi 1:4:6.*

Most of us associate failure with carelessness and success with carefulness. In spite of this thought, there are careful failures also. It is possible to be so careful about your health, your business and home that careful failures may result in them. Jesus once said—"Martha, thou art careful of many things". You can be so careful in any walk of life that you will count for little. The man who wrapped the talent given him by his Master and hid it away failed because he was too careful. Lots of people have gone through life unknown—not because there was no opportunity to succeed—but because they were too careful to venture forward.

There is gold left in the hills for the man who dares to dig it. There are mountains of fame no man has dared to climb. There are adventures with God that no man ever has experienced. We need men who dare to take action in the world and in the church.

Many of the disciples were so careful that they are rarely mentioned or known today. Where does this thought find you? Jesus said, "If you save your life you will lose it. But if you lose your life for my sake, you will find it." Are you losing or saving your life?

—Rev. J. N. Stancil, Pastor of the Calvary Baptist Church.

### Office News

Miss Lillian Walker spent a week of her vacation in Atlantic City, New Jersey recently. Lil really enjoyed her trip "up north." . . . Miss Evelyn Toler has been out a few days due to illness but has fully recovered and is on the job. Evelyn and her boy friend have been on several fishing excursions recently. She reported plenty of bites—by mosquitoes. . . . Miss Rachel Land has resigned as receptionist and Mrs. Vera Viverette has accepted this position. We are glad to have you with us, Vera.

Ben Thomas spent his vacation at Camp Tuscorara near Goldsboro with the Boy Scouts of Troop 8, for whom he is Scoutmaster. We understand the week was a very pleasant one for both Thomas and his Scouts although it was rumored the cooking was not quite up to par at all times. . . . Misses Evelyn Davis and Gladys Gardner enjoyed a week's vacation recently at Carolina Beach. Mrs. Daisy Jolley spent her vacation at Carolina Beach also. . . . Miss Elsie Jane Dorsett visited her sister in Westminster, S. C.

Cecil Lewis has bought an automobile at last. Lewis sold his Chevrolet last November for a nice profit, thinking he would be able to buy a new car immediately. He had been walking until recently. After seeing his latest purchase, we wonder if he will not be walking even now. The "new" car is a Packard 120 four door sedan (one of the doors has a glass in it now). In 1937 this was a real automobile. Today it will run if you can manage to turn on the switch. Congratulations, Cecil! We hope this car will serve you well and faithfully. . . . Miss Frances Anderson spent a week end at Wrightsville Beach recently—and with no ill effects from the sun. The rain came just in time, according to Miss Anderson. . . . E. H. Suessmuth is sporting a '46 Mercury and is driving it on his vacation to New York and Canada.

#### Donnie Kay Langley

Mr. and Mrs. Paul Langley announce the birth of a son, Donnie Kay Langley, born Monday, August 19, at the Rocky Mount Sanitarium. Mrs. Langley, the former Miss Pattie Joyner, was employed in the Mending Department and Mr. Langley is a second shift employee of the Weaving Department.

### News From Dyeing and Finishing Departments

Bill Marsh is now a motorcycle enthusiast, evidently catching the fever from Frank Brock and Reide Satterfield. We hear he is trying to buy a motorbike. . . . A lot of the people at the picnic stayed even after the rain to hear "Sport" Satterfield sing in the quartet contest and to hear the orchestra. For reasons unknown the quartet sang without "Sport" and the rain squelched the orchestra. This was the only disappointment at the picnic and up until the time the rain fell, everyone had a swell time. . . . The Finishing Department employees had a grand time on August 10 at the picnic placing winners either in first, second, or third place in many contests. Mrs. Sam Langley, the former Miss Dorothy Whitley, of the Finishing Department reigned third in the bathing beauty contest.

We wonder why Vester May Cone smiled constantly when Walter Greenman reported to work after being out due to an ailing back. We hope he was glad to see Greenman at work again.

Bill Williams, as usual, landed a good job at the picnic. Bill's substitute for operating the loud

#### ATKINSON-STANCIL

Miss Pauline Stancil, daughter of Mr. and Mrs. Eddie Stancil of Elm City, and S-C Engineer Randolph Atkinson, son of Mr. and Mrs. Arthur Atkinson of Micro, were united in marriage on Friday, August 2, 1946 in Dillon, S. C. Mrs. Atkinson was employed as a weaver in the Caromount Division. S-C Engineer Atkinson has been in the Navy for approximately two and one-half years. Mr. and Mrs. Atkinson are now making their home at Micro, N. C.

#### LANGLEY-WHITLEY

Miss Dorothy Whitley, daughter of Mr. and Mrs. Milton Whitley of route 2, Rocky Mount, N. C., became the bride of Sam Langley, son of Mrs. Senora J. Langley and the late S. W. Langley, of Rocky Mount route 4, on Saturday, August 3, 1946. The ceremony was performed by the Rev. Cecil A. Jarmon in the First Christian Church, Wilson, N. C. in the presence of the immediate families and a few close friends.

Mrs. Langley is employed in the Finishing Department of the Caromount Division. Mr. Langley was an employee of the Wilson Division but he has been transferred to Caromount recently.

Mr. and Mrs. Langley are residing at Rocky Mount, Route 4.

speaker system got lost after the first hour and Bill had to take over for the entire day. He did a swell job and we hope he has better luck next time.

It was only natural that the Beauty Queen would be one from the Finishing Building. Mrs. Mavis Thomas, the winner, works in the Dyehouse Office. However this is not an invitation to come down there. Except for being married, we could promote her for Miss America. . . . Paul Hill of the Drug Room entered the suitcase race. Frankly, we were disappointed in him. He just couldn't get his partner dressed.

Clayton Hedgepeth suffered the first accident of the picnic. In setting up the first aid tent Hedgepeth banged himself on the ankle with an axe. The first aid kit was not there so he was treated at one of the local hospitals. . . . Charlie Sanders was on his vacation during the week prior to the picnic. This is the reason he was not seen there.

Walter Harrison reported to Fort Bragg on August 21 for medical examination. See the world, says Uncle Sam. . . . Bill Rotters and his family spent their second week's vacation with Bill's folks in Connecticut.

If anyone sees an old stooped man staggering through the mill run for the stretcher or reach for a crutch. For the benefit of any newcomers, that similarity to a hoop is coincidentally Walt Greenman. That is what happens when you sit too much in a barrel shaped rocking chair.

#### James Richard Eason, Jr.

Mr. and Mrs. Richard Eason announce the birth of a son, James Richard Eason, Jr. born August 13, 1946 at the Rocky Mount Sanitarium. Mrs. Eason the former Miss Lucille Whitley was formerly employed in the Weaving Department. Mr. Eason recently returned to work in the same department after three years' service in the U. S. Army.

#### Jerry Elbert Hamrick

Mr. and Mrs. T. E. Hamrick announce the birth of a son, Jerry Elbert Hamrick, on August 1, 1946 at the Rocky Mount Sanitarium. Mrs. Hamrick is the former Miss Vernie Edwards. Mr. Hamrick is employed in the Caromount Purchasing and Receiving Department. Mr. and Mrs. Hamrick also have a daughter, Lynd Faye.
