## School Softball League

One of the projects of the Student Council for the year of 1951-52 was to sponsor an Intramural Softball League. The League started March 31, 1952. The rules are:

1. Each class participating should furnish its own ball for a game.
2. All classes must recognize the decision of the official as the final say.
3. If a complaint is to be made it will have to be made to the commissioner and not on the ball field.
4. All games must begin at least by 12:50 and as much earlier as possible.
5. Two innings will be the minimum amount of innings that can be played by a team.
6. If a team is called and warned by the umpire for stalling in order to use up time, the umpire has the privilege to allow the batter to take his place.
7. Any undesirable conduct on the part of the team or member of the team may forfeit the game to the opposite team or be dealt with by the commissioner.
8. The officials will be selected by the commissioner for each game.
9. All classes must pay a fee of two dollars to participate in the game.
10. All line-ups should be in to the official score keepers at least the day before game day.

**Officials For The Year**

Robert Winston, Frank Robinson, Sampie Atwater, Johnnie Goins, Arnold Harris, Milton Bynum.

### LINCOLN "TIGERS" DISTRICT CHAMPS; STATE RUNNERS-UP

The Lincoln High boys basketball team recently concluded its most successful season in the history of the school. Under the superb guidance of Coach R. O. Kornegay the "Tigers" compiled a record of twenty-three wins against two setbacks. The Tigers first setback came when they met the well-rounded Lucy Addison High School of Roanoke, Va., and came out on the short end by a score of 82-72. This ended a nineteen game winning streak without a loss. A few days following the defeat at the hands of Addison High, Lincoln re-entered the winning column by winning in an overtime 53-51 over Person County Training School of Roxboro, N. C., in the first round of the District Tournament. The Tigers swept the tourney by defeating Johnson County Training School of Smithfield, N. C. and Merrick-Moore of Durham, N. C. by scores 41-28 and 51-22 respect-

### NEWS FROM 10-A

By Louise Carver

The 10A girls and boys are now learning a one-act play, entitled "Facing the Future" by Walter Hackett to be presented in assembly in the near future.

The play represents a social problem that usually follows a war boom, that of keeping large boys and girls in school after they have become accustomed to earning good salaries or wages. The time is a few months after the close of World War II.

The cast is as follows: Larry Lawson, who is almost eighteen, and who has been holding a job with good wages; John Lawson an American father about forty-five years of age; Mrs. Jennie Lawson, the typical mother; Ted Lawson, a studious type about twenty-one; and Evelyn Lawson, a young college girl about twenty.

Larry, a high school senior, learns by experience that education is a far better investment than the temporary gain of wartime income. He decides to complete his last year in high school, and then to go into premedical training.

The class is proud of its improvement in attendance and in the number that is now making the honor roll. This period six of the twenty in class made the honor roll with averages of B.

By winning the District Tournament qualified Lincoln High for the State Tourney, which was held in Fayetteville, N. C. The Tigers won the first game by forfeit over Kings Mountain, N. C., which placed them in the semi-final. The Tigers met Artesea High in the semi-finals and won 47-42, but in the finals they were overcome by Nash County Training School of Nashville, N. C. by a score of 45-41. Therefore Lincoln High became State Runners-up.

The Tigers will lose three players from the squad this year. They are: Captain Thomas Bynum, Ward Burnett, and Edwin Caldwell. At the last home game Coach Kornegay presented Captain Bynum, Burnett, and Caldwell and Girls Captain Muriel Atwater trophies for their invaluable service to the basketball squads. The Tigers will also lose this year, their head trainer, George Sanford. Sanford has been a trainer for the past three (3) years.
