## May Day Festival Is Presented

The Northside Elementary School presented its May Day Festival May 5, 1952. The theme for the occasion was "May Day Around The World."

The queen for that day was Annie Thompson, and Gloria Williams was maid of honor. The

other attendants came from grades 1-5.

The grand procession, led by the Lincoln High Band, got underway at 1:15 P.M. The gaily costumed dancers carried us on an imaginary tour around the world stopping at Germany, Africa, our own land, and other various points of interest.

After the gaily-braided may pole, the queen and her court arose graciously and departed the scene.

## Student Council Nominees

For the year of 1952-53 the following people have been chosen to run for office in the student council according to their scholarship, leadership and citizenship.

## 7-B And 8-B Classes Take Trip To Raleigh

The 7th B and 8th B classes and teachers went to Raleigh on May 15.

We visited the Museum, Hall of History, and saw many interesting things in both places. We also visited the Capital, we took a lot of pictures on the lawn. We saw Governor Scott and took his picture beside his car.

The most enjoyable place visited was the WNAO Radio Broadcasting Station. One of the 7th B boys spoke on the radio.

## Class Of 1952 Plans Closing Programs 29 Girls and Boys To Receive Diplomas

The program will consist of a play in which the members of the class will be taken twenty years into the future. The members of the cast are Edwin Caldwell, Gloria Mason, Anna Graham, Thomas Bynum, Herbert Atwater, and Iola Baldwin.

## Northside Grammar Grades Present "Sally Ann Finds Herself"

The Grammar Grades of Northside Elementary School presented a two-act comedy "Sally Ann Finds Herself" May 9th.

The play centered around a shy, modest basketball player who didn't know she was good until her team needed her. She saved the day thus bringing her team to a glorious victory. Strange as it may seem, the names of the two teams were Lincoln and Hillside. Of course Lincoln came out the victor. Hillside was defeated 18-36. Changing the names of the teams to those of teams we knew, and our sister school, gave the play more realism than was ever dreamed possible.

Directresses for the presentation were Miss M. I. Boyd and Mrs. M. B. Cobb.

Leo Leak recited a poem entitled, "The Village Blacksmith". Ethel Jean Riggsbee played the piano. The title of the song she played was "The No Name Boogie." Ethel is in the 8th B Section. Herman Burchette answered a question. Barbara Jean Pendergraft, Thomas Booth, Mrs. Barnes, Mrs. Burthey and Robert Weaver spoke on the radio also. The prize winners were the following: Ethel Jean Riggsbee, Herman Burchette and Leo Leak.

On June 1, 1952 at 5 o'clock the Senior Vespers will be held in the same auditorium. The speaker for the service will be Rev. G. M. Phelps of Greensboro, N. C.

The final Commencement program will be held at the Northside Elementary School Auditorium on Thursday night, June 5, at 8 o'clock. At this time members of the class will present a program around the theme "Choosing an Occupation". The students who will be taking part are Hazel Edwards, John Clark, Velma Bell, Melvin Farrington, Sophia Minor, Mary Atwater, William Burnette, Marian Galashaw, Florine Williams, Raymond Foushee, and Muriel Atwater.

Other members of the class are Lena Atwater, Iola Baldwin, Barbara Campbell, Alease Carver, Rebecca Frazier, Anna Graham, Gracie Thompson, Nora Webb, Herbert Atwater, Ward Burnette, Thomas Bynum, Ernest Cordal, James Hester, Frank Robinson, George Sanford, and Carlee Edwards.

Gloria Mason is valedictorian of the class and Edwin Caldwell is salutatorian of the class.

## Girls Council

The Girl's Council was organized during the early part of the school year,

Our meetings were held monthly. In these meetings, the group discussed the subjects the girls wanted most to discuss. We also voted for the **Girl of the Month**. In the Girl's Council, we feel that this is a great honor. Of course, in order to receive this honor your personality, your academic grades, and your participation in school organizations count much.

Our faculty advisors, Mrs. M.D. Fulford and Mrs. L. C. Hicks, have helped us a great deal and we thank them for their excellent leadership.
