

SPORTS CORNER Tigers Suffer Defeats

The L.H.S. Tigers were stopped in their first two games of the season.

The Lincoln High Tigers opened the season with Rocky Mount and were defeated 0-19.

The following week they were also defeated by their arch rivals "The Hornets" of Hillside High School; both were non-conference games.

The third game of the season ended in a tie with Horton High 0-0.

On October 2, the Tigers played Henderson in Henderson and were again defeated 0-12.

The Tigers first victory came when they defeated Warren County Training School 41-0, thus leading the way for future triumphs.

The Tigers' last home game was October 30th against Burlington. This was the Homecoming game.

The games scheduled away are: November 6, Creedmoor; November 13, Raleigh.

Lincoln High Alumni

Several members of the class of '53 have decided to continue their education by going to college. Some of them are: Ola Mae Farrington, our former editor, who is at Hampton Institute; at A & T College—Inez Alston, Bettye Dooley, and Walter Jackson. Nelson Riggsbee and Ross Farrington are at West Virginia State College, and Johnny Goins is at Virginia Union University.

We wish to congratulate James Atwater who graduated from North Carolina College with high honors and is now at the University of Pennsylvania.

We also wish to commend Isiah Foushee who graduated from Teachers College in Winston-Salem and is teaching in Red Springs, N. C.

10-B News Notes

Grade 10-B was very successful in obtaining money for the Bus Drive. Although this sophomore class was not the winner of the contest, we do not consider ourselves "losers." We raised one hundred and one dollars. On the next drive our goal is to raise more.

Ten-B is striving to be the most self-controlled group in the student body. On the bulletin board in room 117 is a good, fair and poor conduct list. If you are passing Mrs. Hicks' room, go in and look at our bulletin board.
