

Penland Friends

OCTOBER 15, 1997-MAY 15, 1998

Each time we publish the Penland Line, I get a chance to review all of the generous donations that Penland has received in the past six months. As I prepared the list of our donors for this issue. I was delighted see the names of all of the new Friends who have made contributions in the past six months. We deeply appreciate the faith that our Friends demonstrate through their contributions. We also thank the instructors who give so generously of their time and talents, the many volunteers who help us throughout the year, and those who give in-kind gifts for the studios, the library, the kitchen, the coffee house, and every other aspect of life at Penland.
